(B) USE OF VOLUNTEERS.—If hunting is prohibited by law, all Federal public land planning documents described in subparagraph (A)(i) of an agency shall, after appropriate coordination with State fish and wildlife agencies,
allow the participation of skilled volunteers in

classification, or change of management status
of Federal public land or water that effectively
closes or significantly restricts 1,280 or more
contiguous acres of Federal public land or
water to access or use for recreational fishing
or hunting or activities relating to fishing or
hunting shall take effect only if, before the date
of withdrawal or change, the head of the Fed-
eral public land agency that has jurisdiction
over the Federal public land or water—

(i) publishes appropriate notice of the
withdrawal or change, respectively;
(ii) demonstrates that coordination
has occurred with a State fish and wildlife
agency; and

(A).
