(ii) the extent to which the areas are consistent with regional economic development areas in the State; and

(iii) whether the areas have available the Federal and non-Federal resources necessary to effectively administer activities under title II and other applicable provisions of this Act, including whether the areas have the appropriate education and training providers, such as institutions of higher education and area career and technical education schools.
(C) **Rule of Construction.**—For purposes of subparagraph (B)(ii), the definition of the term “region” in section 101 shall not be applicable.

(2) **Automatic Designation.**—

(A) **Initial Period.**—For the second full program year that commences after the date of enactment of this Act, any area that was designated as a local area under section 116 of the Workforce Investment Act of 1998, as in effect on the day before the date of enactment of this Act, and was so designated for the 2-year period preceding that day, shall be designated as a local area by the Governor under this subparagraph—

(3) Designation on Recommendation of State Board.—The Governor may approve a request from any unit of general local government (including a combination of such units) for designation as a local area if the State board determines, based on the factors described in paragraph (1)(B), and recommends to the Governor, that such area should be so designated.

(4) Appeals.—A unit of general local government (including a combination of such units) or grant recipient that requests but is not granted designation of an area as a local area under paragraph (2) may submit an appeal to the State board under an appeal process established in the State plan. If the appeal does not result in such a designation, the Secretary of Labor, after receiving a request for review from the unit or grant recipient and on determining that the unit or grant recipient was not accorded procedural rights under the appeal process described in the State plan, as specified in section
112(b)(2)(D)(i), or that the area meets the require-

be designated as a local area under such paragraph.

(b) Single State Local Areas.—

(1) Continuation of previous designation.—The Governor of any State that was a single
State local area for purposes of title I of the Work-
force Investment Act of 1998, as in effect on July

(II) the State infrastructure
funding mechanism described in para-

chief elected officials, and one-stop part-
ners described in subsection (b)(1) in a

the costs of infrastructure of one-stop cen-
ters for a program year, the State infra-
structure funding mechanism described in
paragraph (2) shall be applicable to such
local area for that program year and for
each subsequent program year for which
those entities and individuals fail to reach
such agreement.

(B) Guidance for infrastructure
funding.—In addition to carrying out the re-

The Governor shall exclude from such determination of funds the amounts for proportionate use of one-stop centers attributable to the programs of one-stop partners for those local
areas of the State where the costs of infra-
structure of one-stop centers are funded
under the option described in paragraph
(1)(A)(i)(I).

(ii) SPECIAL RULE.—In a State in
which the State constitution or a State
statute places policymaking authority that
is independent of the authority of the Gov-
ernor in an entity or official with respect
to the funds provided for adult education
and literacy activities authorized under
title III, postsecondary career and tech-
nical education activities authorized under
the Carl D. Perkins Career and Technical
Education Act of 1998 (20 U.S.C. 2301 et
seq.), or vocational rehabilitation services
offered under a provision covered by sec-
section 101(12)(D), the determination de-
scribed in clause (i) with respect to the

such authority in consultation with the
Governor.

(D) LIMITATIONS.—
(i) Provision from Administrative Funds.—

(I) In General.—Subject to subclause (II), the funds provided under this paragraph by each one-stop partner shall be provided only from funds available for the costs of administration under the program administered by such partner, and shall be subject to the program’s limitations with respect to the portion of funds under such program that may be used for administration.

(II) Other One-Stop Partners.—The portion of funds required to be contributed under this paragraph from a program described in subsection (b)(1) other than the programs described in clause (i) shall not exceed 1.5 percent of the amount of Federal funds provided to carry out that program in the State for a fiscal year.

(III) Vocational Rehabilitation.—Notwithstanding subclauses (I) and (II), an entity administering a program described in subsection (b)(1)(B)(iv) shall not be required to provide from that program, under this paragraph, a portion that exceeds—
(aa) 0.75 percent of the amount of Federal funds provided to carry out such program in the State for the second full program year that begins after the date of enactment of this Act;

(bb) 1.0 percent of the amount provided to carry out such program in the State for the third full program year that begins after such date;

(iv) NATIVE AMERICAN PROGRAMS.— One-stop partners for Native American programs established under section 266 shall not be subject to the provisions of this subsection (other than this clause) or subsection (i). For purposes of subsection (c)(2)(A)(ii)(II), the method for determining the appropriate portion of funds to be provided by such partners to pay for the costs of infrastructure of a one-stop center shall be determined as part of the development of the memorandum of under-
standing under subsection (c) for the one-stop center and shall be stated in the memorandum.

(E) APPEAL BY ONE-STOP PARTNERS.—

The Governor shall establish a process, described under section 112(b)(2)(D)(i)(V), for a one-stop partner administering a program described in subsection (b)(1) to appeal a determination regarding the portion of funds to be provided under this paragraph. Such a determination may be appealed under the process on the basis that such determination is inconsistent with the requirements of this paragraph. Such process shall ensure prompt resolution of the appeal in order to ensure the funds are distributed in a timely manner, consistent with the requirements of section 282(e).

(3) ALLOCATION BY GOVERNOR.—

(A) IN GENERAL.—From the funds provided under paragraph (1), the Governor shall allocate the funds to local areas described in subparagraph (B) in accordance with the formula established under subparagraph (B) for the purposes of assisting in paying the costs of infrastructure of one-stop centers.

Such costs shall include the costs of the provision of core services described in section 234(c)(2) applicable to each program and may include common costs that are not paid from the funds provided under subsection (h).

(2) SHARED SERVICES.—The costs described under paragraph (1) may include costs of services that are authorized for and may be commonly provided through the one-stop partner programs to any individual, such as initial intake, assessment of needs, appraisal of basic skills, identification of ap-

(ii) that the one-stop centers in the State will ensure that such providers meet the needs of local employers and participants;

(iii) the informed choice of participants among training services providers; and

(iv) that the collection of information required to demonstrate compliance with the criteria is not unduly burdensome or costly to providers.

(2) State Information Requirements.—The information requirements established by the Governor shall require that a provider of training services submit appropriate, accurate, and timely information to the State, to enable the State to carry
out subsection (d), with respect to participants receiving training services under this subtitle in the applicable program, including—

(4) CRITERIA AND INFORMATION REQUIREMENTS TO ESTABLISH INITIAL ELIGIBILITY.—

(A) PURPOSE.—The purpose of this paragraph is to enable the providers of programs carried out under chapter 3 to offer the highest quality training services and be responsive to in-demand and emerging industries by providing training services for those industries.

The criteria and information requirements established by the Governor under this paragraph shall require that a provider who has not previously been an eligible provider of training services under this section (or section 122 of the Workforce Invest-

the date of enactment of this Act) provide the
information described in subparagraph (C).

(c) Procedures.—

(1) Application Procedures.—The proce-
dures established under subsection (a) shall identify
the application process for a provider of training
services to become eligible to receive funds provided
under section 233(b) for the provision of training
services. The procedures shall identify the respective
roles of the State and local areas in receiving and
reviewing the applications and in making determina-
tions of such eligibility based on the criteria, infor-
mation, and procedures established under this sec-
tion. The procedures shall also establish a process
for a provider of training services to appeal a denial
or termination of eligibility under this section that
includes an opportunity for a hearing and prescribes
appropriate time limits to ensure prompt resolution
of the appeal.

(2) Renewal Procedures.—The procedures
established by the Governor shall also provide for bi-
ennial review and renewal of eligibility under this
section for providers of training services.
(d) LIST AND INFORMATION TO ASSIST PARTICIPANTS IN CHOOSING PROVIDERS.—

(2) ACCOMPANYING INFORMATION.—The accompanying information shall—

(A) with respect to providers described in subparagraphs (A) and (C) of subsection (a)(2), consist of information provided by such providers, disaggregated by local areas served, as applicable, in accordance with subsection (b);

(e) **OPPORTUNITY TO SUBMIT COMMENTS.**—In establishing, under this section, criteria, information requirements, procedures, and the list of eligible providers described in subsection (d), the Governor shall provide an opportunity for interested members of the public to make recommendations and submit comments regarding such criteria, information requirements, procedures, and list.

(f) **ENFORCEMENT.**—

(1) **IN GENERAL.**—The procedures established under this section shall provide the following:

(A) **INTENTIONALLY SUPPLYING INACCURATE INFORMATION.**—Upon a determination, by an individual or entity specified in the procedures, that a provider of training services, or individual providing information on behalf of the provider, violated this section (or section 122 of the Workforce Investment Act of 1998,
as in effect on the day before the date of enactment of this Act) by intentionally supplying inaccurate information under this section, the eligibility of such provider to receive funds under chapter 3 shall be terminated for a period of time that is not less than 2 years.

(B) Substantial Violations.—Upon a determination, by an individual or entity specified in the procedures, that a provider of training services substantially violated any requirement under this title (or title I of the Workforce Investment Act of 1998, as in effect on the day before such date of enactment), the eligibility of such provider to receive funds under chapter 3 for the program involved may be terminated, or other appropriate action may be taken.

(1) In General.—Providers of on-the-job training, customized training, incumbent worker training, internships, and paid or unpaid work experience opportunities, or transitional employment shall not be subject to the requirements of subsections (a) through (g).

(2) Collection and Dissemination of Information.—A one-stop operator in a local area shall collect such performance information from providers of on-the-job training, customized training, incumbent worker training, internships, paid or un-
paid work experience opportunities, and transitional employment as the Governor may require, and use the information to determine whether the providers meet such performance criteria as the Governor may require. The one-stop operator shall disseminate information identifying such providers that meet the criteria as eligible providers, and the performance information, through the one-stop delivery system. Providers determined to meet the criteria shall be considered to be identified as eligible providers of training services.

(i) Transition Period for Implementation.—

The Governor and local boards shall implement the requirements of this section not later than 12 months after the date of enactment of this Act. In order to facilitate early implementation of this section, the Governor may establish transition procedures under which providers eligible to provide training services under chapter 5 of subtitle B of title I of the Workforce Investment Act of 1998, as such chapter was in effect on the day before the date of enactment of this Act, may continue to be eligible to provide such services until December 31, 2015, or until such earlier date as the Governor determines to be appropriate.

(b) Special Limitations on Selection.—

(1) In general.—No individual shall be selected as an enrollee unless the individual or organization implementing the standards and procedures described in subsection (a) determines that—

(A) there is a reasonable expectation that the individual considered for selection can participate successfully in group situations and activities, and is not likely to engage in behavior that would prevent other enrollees from receiving the benefit of the Job Corps program or be incompatible with the maintenance of sound discipline and satisfactory relationships between the Job Corps center to which the individual might be assigned and communities surrounding the Job Corps center;

The Secretary may waive this requirement if—

(A) the enrollee would be unduly delayed in participating in the Job Corps program because the closest center is operating at full capacity; or

(B) the parent or guardian of the enrollee requests assignment of the enrollee to another Job Corps center due to circumstances in the community of the enrollee that would impair prospects for successful participation in the Job Corps program.

(2) Enrollees Who Are Younger Than 18.—An enrollee who is younger than 18 shall not
be assigned to a Job Corps center other than the
