To restore States’ sovereign rights to enforce State and local sales and use tax laws, and for other purposes.

A BILL

To restore States’ sovereign rights to enforce State and local sales and use tax laws, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Marketplace Fairness Act of 2013”.
SEC. 2. AUTHORIZATION TO REQUIRE COLLECTION OF SALES AND USE TAXES.

(a) STREAMLINED SALES AND USE TAX AGREEMENT.—Each Member State under the Streamlined Sales and Use Tax Agreement is authorized to require all sellers not qualifying for the small seller exception described in subsection (c) to collect and remit sales and use taxes with respect to remote sales sourced to that Member State pursuant to the provisions of the Streamlined Sales and Use Tax Agreement, but only if the Streamlined Sales and Use Tax Agreement includes the minimum simplification requirements in subsection (b)(2). A State may exercise authority under this Act beginning 90 days after the State publishes notice of the State’s intent to exercise the authority under this Act, but no earlier than the first day of the calendar quarter that is at least 90 days after the date of the enactment of this Act.

(b) ALTERNATIVE.—A State that is not a Member State under the Streamlined Sales and Use Tax Agreement is authorized notwithstanding any other provision of law to require all sellers not qualifying for the small seller exception described in subsection (c) to collect and remit sales and use taxes with respect to remote sales sourced to that State, but only if the State adopts and implements the minimum simplification requirements in paragraph (2). Such authority shall commence beginning no earlier
than the first day of the calendar quarter that is at least
6 months after the date that the State—

(1) enacts legislation to exercise the authority

 granted by this Act—

  (A) specifying the tax or taxes to which

 such authority and the minimum simplification

 requirements in paragraph (2) shall apply; and

  (B) specifying the products and services

 otherwise subject to the tax or taxes identified

 by the State under subparagraph (A) to which

 the authority of this Act shall not apply; and

(2) implements each of the following minimum

 simplification requirements:

  (A) Provide—

    (i) a single entity within the State re-

        sponsible for all State and local sales and

        use tax administration, return processing,

        and audits for remote sales sourced to the

        State;

    (ii) a single audit of a remote seller

        for all State and local taxing jurisdictions

        within that State; and

    (iii) a single sales and use tax return

        to be used by remote sellers to be filed
with the single entity responsible for tax administration.

A State may not require a remote seller to file sales and use tax returns any more frequently than returns are required for nonremote sellers. No local jurisdiction may require a remote seller to submit a sales and use tax return or to collect sales and use taxes other than as provided by this paragraph.

(B) Provide a uniform sales and use tax base among the State and the local taxing jurisdictions within the State pursuant to paragraph (1).

(C) Source all interstate sales in compliance with the sourcing definition set forth in section 4(7).

(D) Provide—

(i) information indicating the taxability of products and services along with any product and service exemptions from sales and use tax in the State and a rates and boundary database;

(ii) software free of charge for remote sellers that calculates sales and use taxes due on each transaction at the time the
transaction is completed, that files sales
and use tax returns, and that is updated to
reflect rate changes as described in sub-
paragraph (H); and

(iii) certification procedures for per-
sons to be approved as certified software
providers.

For purposes of clause (iii), the software pro-
vided by certified software providers shall be ca-
pable of calculating and filing sales and use
taxes in all States qualified under this Act.

(E) Relieve remote sellers from liability to
the State or locality for the incorrect collection,
remittance, or noncollection of sales and use
taxes, including any penalties or interest, if the
liability is the result of an error or omission
made by a certified software provider.

(F) Relieve certified software providers
from liability to the State or locality for the in-
correct collection, remittance, or noncollection
of sales and use taxes, including any penalties
or interest, if the liability is the result of mis-
leading or inaccurate information provided by a
remote seller.
(G) Relieve remote sellers and certified software providers from liability to the State or locality for incorrect collection, remittance, or noncollection of sales and use taxes, including any penalties or interest, if the liability is the result of incorrect information or software provided by the State.

(H) Provide remote sellers and certified software providers with 90 days notice of a rate change by the State or any locality in the State and update the information described in subparagraph (D)(i) accordingly and relieve any remote seller or certified software provider from liability for collecting sales and use taxes at the immediately preceding effective rate during the 90-day notice period if the required notice is not provided.

(c) SMALL SELLER EXCEPTION.—A State is authorized to require a remote seller to collect sales and use taxes under this Act only if the remote seller has gross annual receipts in total remote sales in the United States in the preceding calendar year exceeding $1,000,000. For purposes of determining whether the threshold in this subsection is met—
(1) the sales of all persons related within the meaning of subsections (b) and (c) of section 267 or section 707(b)(1) of the Internal Revenue Code of 1986 shall be aggregated; or

(2) persons with 1 or more ownership relationships shall also be aggregated if such relationships were designed with a principal purpose of avoiding the application of these rules.

SEC. 3. LIMITATIONS.

(a) IN GENERAL.—Nothing in this Act shall be construed as—

(1) subjecting a seller or any other person to franchise, income, occupation, or any other type of taxes, other than sales and use taxes;

(2) affecting the application of such taxes; or

(3) enlarging or reducing State authority to impose such taxes.

(b) NO EFFECT ON NEXUS.—This Act shall not be construed to create any nexus between a person and a State or locality.

(c) LICENSING AND REGULATORY REQUIREMENTS.—Nothing in this Act shall be construed as permitting or prohibiting a State from—

(1) licensing or regulating any person;
(2) requiring any person to qualify to transact intrastate business;
(3) subjecting any person to State or local taxes not related to the sale of goods or services; or
(4) exercising authority over matters of interstate commerce.

(d) **No New Taxes.**—Nothing in this Act shall be construed as encouraging a State to impose sales and use taxes on any goods or services not subject to taxation prior to the date of the enactment of this Act.

(e) **No Effect on Intrastate Sales.**—The provisions of this Act shall apply only to remote sales and shall not apply to intrastate sales or intrastate sourcing rules. States granted authority under section 2(a) shall comply with all intrastate provisions of the Streamlined Sales and Use Tax Agreement.

(f) **No Effect on Mobile Telecommunications Sourcing Act.**—Nothing in this Act shall be construed as altering in any manner or preempting the Mobile Telecommunications Sourcing Act (4 U.S.C. 116–126).

**SEC. 4. DEFINITIONS AND SPECIAL RULES.**

In this Act:

(1) **Certified Software Provider.**—The term “certified software provider” means a person—

(7) SOURCED.—For purposes of a State granted authority under section 2(b), the location to which a remote sale is sourced refers to the location where the item sold is received by the purchaser, based on the location indicated by instructions for delivery that the purchaser furnishes to the seller. When no delivery location is specified, the remote sale is sourced to the customer’s address that is either known to the seller or, if not known, obtained by the seller during the consummation of the transaction, including the address of the customer’s payment instrument if no other address is available. If an address is unknown and a billing address cannot be obtained, the remote sale is sourced to the address of the seller from which the remote sale was made. SEC. 6. PREEMPTION.

Except as otherwise provided in this Act, this Act shall not be construed to preempt or limit any power exercised or to be exercised by a State or local jurisdiction under the law of such State or local jurisdiction or under any other Federal law.
