## A BILL

To designate a Distinguished Flying Cross National Memorial at the March Field Air Museum in Riverside, California.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Distinguished Flying  
5 Cross National Memorial Act”.

6 **SEC. 2. DESIGNATION OF DISTINGUISHED FLYING CROSS**

7 **NATIONAL MEMORIAL IN RIVERSIDE, CALI-**  
8 **FORNIA.**

9 (a) FINDINGS.—Congress finds the following:

1           (1) The Distinguished Flying Cross, which was  
2           created by Congress in 1926, is the oldest military  
3           award in the United States for achievements in avia-  
4           tion.

5           (2) The most reliable statistics regarding the  
6           number of members of the Armed Forces who have  
7           been awarded the Distinguished Flying Cross indi-  
8           cate that 126,318 members of the Armed Forces re-  
9           ceived the medal during World War II, approxi-  
10          mately 21,000 members received the medal during  
11          the Korean conflict, and 21,647 members received  
12          the medal during the Vietnam War.

13          (3) Since the end of the Vietnam War, more  
14          than 203 Armed Forces members have received the  
15          medal in times of conflict.

16          (4) Since the National Personnel Records Cen-  
17          ter in St. Louis, Missouri, burned down in 1973,  
18          many more recipients of the Distinguished Flying  
19          Cross may be undocumented.

20          (5) Currently, the Department of Defense con-  
21          tinues to locate and identify members of the Armed  
22          Forces whose award of the medal has not been docu-  
23          mented.

24          (6) The United States currently lacks a na-  
25          tional memorial dedicated to the bravery and sac-

1        rifice of those members of the Armed Forces who  
2        have distinguished themselves by heroic deeds per-  
3        formed in aerial flight.

4            (7) An appropriate memorial to current and  
5        former members of the Armed Forces has been con-  
6        structed at March Field Air Museum in Riverside,  
7        California.

8            (8) The Distinguished Flying Cross National  
9        Memorial would honor all those members of the  
10       Armed Forces who have distinguished themselves in  
11       aerial flight, whether documentation of such mem-  
12       bers who earned the Distinguished Flying Cross ex-  
13       ists or not.

14        (b) DESIGNATION.—The memorial to members of the  
15       Armed Forces who have been awarded the Distinguished  
16       Flying Cross at March Field Air Museum in Riverside,  
17       California, is designated as the “Distinguished Flying  
18       Cross National Memorial”.

19        (c) EFFECT OF DESIGNATION.—The national memo-  
20       rial designated by this section is not a unit of the National  
21       Park System, and the designation of the national memo-  
22       rial shall not be construed to require or permit Federal  
23       funds to be expended for any purpose related to the na-  
24       tional memorial.
