1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Point Spencer Land
5 Conveyance Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds as follows:

3 (1) Major shipping traffic is increasing through
4 the Bering Strait, the Bering and Chukchi Seas, and
5 the Arctic Ocean and will continue to increase
6 whether or not development of the outer Continental
7 Shelf of the United States is undertaken in the fu-
8 ture and will increase further if such outer Conti-
9 nental Shelf development is undertaken.

10 (2) There is a compelling national, State, Alas-
11 ka Native, and private sector need for permanent in-
12 frastructure development and for a presence in the
13 Arctic region of Alaska by appropriate agencies of
14 the Federal Government, particularly in proximity to
15 the Bering Strait, to support and facilitate search
16 and rescue, shipping safety, economic development,
17 oil spill prevention and response, protection of Alas-
18 ka Native archaeological and cultural resources, port
19 of refuge, Arctic research, and maritime law enforce-
20 ment on the Bering Sea, the Chukchi Sea, and the
21 Arctic Ocean.

22 (3) The United States owns a parcel of land,
23 known as Point Spencer, located between the Bering
24 Strait and Port Clarence and adjacent to some of
25 the best potential deepwater port sites on the coast
26 of Alaska in the Arctic.

1 (4) Prudent and effective use of Point Spencer
2 may be best achieved through marshaling the en-
3 ergy, resources, and leadership of the public and pri-
4 vate sectors.

5 (5) It is in the national interest to develop in-
6 frastructure at Point Spencer that would aid the
7 Coast Guard in performing its statutory duties and
8 functions in the Arctic on a more permanent basis
9 and to allow for public and private sector develop-
10 ment of facilities and other infrastructure to support
11 purposes that are of benefit to the United States.
