Be it enacted by the Senate and House of Representa-
tives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Individuals in Medicaid
Deserve Care that is Appropriate and Responsible in its
Execution Act” or the “IMD CARE Act”.

SEC. 2. MEDICAID STATE PLAN OPTION TO PROVIDE SERV-
ICES FOR CERTAIN INDIVIDUALS WITH
OPIOID USE DISORDERS IN INSTITUTIONS

Section 1915 of the Social Security Act (42 U.S.C.

may elect, through a State plan amendment, to, not-

ance for services furnished in institutions for mental
diseases and for other medically necessary services
furnished to eligible individuals with opioid use dis-
orders, in accordance with the requirements of this subsection.

“(2) Payments.—

“(A) In general.—Amounts expended under a State plan amendment under paragraph (1) for services described in such paragraph furnished, with respect to a 12-month period, to an eligible individual with an opioid use disorder who is a patient in an institution for mental diseases shall be treated as medical assistance for which payment is made under section 1903(a) but only to the extent that such services are furnished for not more than a period of 30 days (whether or not consecutive) during such 12-month period.

“(B) Clarification.—Payment made under this paragraph for expenditures under a State plan amendment under this subsection with respect to services described in paragraph (1) furnished to an eligible individual with an opioid use disorder shall not affect payment that would otherwise be made under section 1903(a) for expenditures under the State plan (or waiver of such plan) for medical assistance for such individual.
“(3) INFORMATION REQUIRED IN STATE PLAN AMENDMENT.—

“(A) IN GENERAL.—A State electing to provide medical assistance pursuant to this subsection shall include with the submission of the State plan amendment under paragraph (1) to the Secretary—

“(i) a plan on how the State will improve access to outpatient care during the period of the State plan amendment, including a description of—

“(ii) a description of how the State plan amendment ensures an appropriate
clinical screening of eligible individuals with an opioid use disorder, including assessments to determine level of care and length of stay recommendations based upon the multidimensional assessment criteria of the American Society of Addiction Medicine.
