in accordance with specified criteria to determine if a rule
or set of rules should be repealed to eliminate or reduce
the costs of regulation to the economy. The Commission
shall terminate on the date that is 5 years and 180 days
after the date of enactment of this Act or 5 years after
the date by which all Commission members’ terms have
commenced, whichever is later.

(b) Membership.—

(1) Number.—The Commission shall be com-
posed of 9 members who shall be appointed by the
President and confirmed by the Senate. Each mem-

the date of enactment of this Act.

(2) Term.—The term of each member shall
commence upon the member’s confirmation by the
Senate and shall extend to the date that is 5 years
and 180 days after the date of enactment of this Act
or that is 5 years after the date by which all mem-
bers have been confirmed by the Senate, whichever
is later.

(3) Appointment.—The members of the Com-
mission shall be appointed as follows:

(A) Chair.—The President shall appoint
as the Chair of the Commission an individual
with expertise and experience in rulemaking,
such as past Administrators of the Office of In-
formation and Regulatory Affairs, past chair-
men of the Administrative Conference of the
United States, and other individuals with simi-
lar expertise and experience in rulemaking af-
fairs and the administration of regulatory re-
views.

(B) Candidate list of members.—The
Speaker of the House of Representatives, the
Minority Leader of the House of Representa-
tives, the Majority Leader of the Senate, and
the Minority Leader of the Senate shall each
present to the President a list of candidates to
be members of the Commission. Such can-

list provided under this subparagraph, subject
to the provisions of subparagraph (C).

(C) Resubmission of candidate.—The
President may request from the presenter of
the list under subparagraph (B) a new list of
one or more candidates if the President—

(i) determines that any candidate on
the list presented pursuant to subpara-

(ii) certifies that determination to the congressional officials specified in subparagraph (B).

(c) POWERS AND AUTHORITIES OF THE COMMISSION.—

(1) MEETINGS.—The Commission may meet when, where, and as often as the Commission determines appropriate, except that the Commission shall hold public meetings not less than twice each year. All meetings of the Commission shall be open to the public.

States.

(B) FAILURE TO OBEY A SUBPOENA.—If a
person refuses to obey a subpoena issued under
subparagraph (A), the Commission may apply

both, relating to the matter under investigation.
The application may be made within the judicial
district where the hearing is conducted or where
that person is found, resides, or transacts busi-

(2) LIMITATIONS ON APPOINTMENT.—The Director may make such appointments without regard to the provisions of title 5, United States Code, governing appointments in the competitive service, and any personnel so appointed may be paid without regard to the provisions of chapter 51 and subchapter

(2) **PROPERTY.**—The Commission may lease space and acquire personal property to the extent funds are available.

(h) **DUTIES OF THE COMMISSION.**—

(1) **IN GENERAL.**—The Commission shall conduct a review of the Code of Federal Regulations to identify rules and sets of rules that collectively implement a regulatory program that should be repealed to lower the cost of regulation to the economy. The Commission shall give priority in the review to rules or sets of rules that are major rules or include major rules, have been in effect more than 15 years, impose paperwork burdens or unfunded mandates that could be reduced substantially without significantly diminishing regulatory effectiveness, impose disproportionately high costs on entities that qualify as small entities within the meaning of section 601(6) of title 5, United States Code, or could be strengthened in their effectiveness while reducing regulatory costs. The Commission shall have as a
goal of the Commission to achieve a reduction of at
least 15 percent in the cumulative costs of Federal
regulation with a minimal reduction in the overall ef-
f ectiveness of such regulation.
(2) N A T U R E O F R E V I E W .—T o identify which
rules and sets of rules should be repealed to lower
the cost of regulation to the economy, the Commiss-
ion shall apply the following criteria:

(A) Whether the original purpose of the
rule or set of rules was achieved, and the rule
or set of rules could be repealed without signifi-
cant recurrence of adverse effects or conduct
that the rule or set of rules was intended to
prevent or reduce.

(B) Whether the implementation, compli-
ance, administration, enforcement, imposition of
unfunded mandates, or other costs of the rule
or set of rules to the economy are not justified
by the benefits to society within the United
States produced by the expenditure of those
costs.

(C) Whether the rule or set of rules has
been rendered unnecessary or obsolete, taking
into consideration the length of time since the
rule was made and the degree to which tech-
ology, economic conditions, market practices, or other relevant factors have changed in the subject area affected by the rule or set of rules.

(D) Whether the rule or set of rules is ineffective at achieving the purposes of the rule or set of rules.

(E) Whether the rule or set of rules overlaps, duplicates, or conflicts with other Federal rules, and to the extent feasible, with State and local governmental rules.

(F) Whether the rule or set of rules has excessive compliance costs, imposes unfunded mandates, or is otherwise excessively burdensome, as compared to alternatives that—

(i) specify performance objectives rather than conduct or manners of compliance;

(ii) establish economic incentives to encourage desired behavior;

(iii) provide information upon which choices can be made by the public;

(iv) incorporate other innovative alternatives rather than agency actions that specify conduct or manners of compliance; or
(v) could in other ways substantially 
lower costs without significantly under-
mining effectiveness.

(G) Whether the rule or set of rules inhib-
its innovation in or growth of the United States 
economy, such as by impeding the introduction 
or use of safer or equally safe technology that 
is newer or more efficient than technology re-
quired by or permissible under the rule or set 
of rules.

(H) Whether or not the rule or set of rules 
harms competition within the United States 
economy or the international economic competi-
tiveness of enterprises or entities based in the 
United States.

(I) Whether or not the rule or set of rules 
limits or prevents an agency from applying new 
or emerging technologies to improve efficiency 
and effectiveness of government.

(J) Whether the rule or set of rules harms 
wage growth, including wage growth for min-
imum wage and part-time workers.

(K) Such other criteria as the Commission 
devises to identify rules and sets of rules that 
can be repealed to eliminate or reduce unneces-
sarily burdensome costs to the United States economy.

(3) Methodology for review.—The Commission shall establish a methodology for conducting the review (including an overall review and discrete reviews of portions of the Code of Federal Regulations), identifying rules and sets of rules, and classifying rules under this subsection and publish the terms of the methodology in the Federal Register and on the website of the Commission. The Commission may propose and seek public comment on the methodology before the methodology is established.

(4) Classification of rules and sets of rules.—

(A) In general.—After completion of any review of rules or sets of rules under paragraph (2), the Commission shall classify each rule or set of rules identified in the review to qualify for recommended repeal as either a rule or set of rules—

(i) on which immediate action to repeal is recommended; or
(ii) that should be eligible for repeal under regulatory cut-go procedures under title II.

(B) DECISIONS BY MAJORITY.—Each decision by the Commission to identify a rule or set of rules for classification under this paragraph, and each decision whether to classify the rule or set of rules under clause (i) or (ii) of subparagraph (A), shall be made by a simple majority vote of the Commission. No such vote shall take place until after all members of the Commission have been confirmed by the Senate.

(5) INITIATION OF REVIEW BY OTHER PERSONS.—

(A) IN GENERAL.—The Commission may also conduct a review under paragraph (2) of, and, if appropriate, classify under paragraph (4), any rule or set of rules that is submitted for review to the Commission by—

(i) the President;

(ii) a Member of Congress;

(iii) any officer or employee of a Federal, State, local or tribal government, or regional governmental body; or

(iv) any member of the public.
(B) **Form of Submission.**—A submission to the Commission under this paragraph shall—

(i) identify the specific rule or set of rules submitted for review;

(ii) provide a statement of evidence to demonstrate that the rule or set of rules qualifies to be identified for repeal under the criteria listed in paragraph (2); and

(iii) such other information as the submitter believes may be helpful to the Commission’s review, including a statement of the submitter’s interest in the matter.

(C) **Public Availability.**—The Commission shall make each submission received under this paragraph available on the website of the Commission as soon as possible, but not later than 1 week after the date on which the submission was received.

(i) **Notices and Reports of the Commission.**—

(1) **Notices of and reports on activities.**—The Commission shall publish, in the Federal Register and on the website of the Commission—
(A) notices in advance of all public meet-
ings, hearings, and classifications under sub-
section (h) informing the public of the basis,
purpose, and procedures for the meeting, hear-
ing, or classification; and

(B) reports after the conclusion of any
public meeting, hearing, or classification under
subsection (h) summarizing in detail the basis,
purpose, and substance of the meeting, hearing,
or classification.

(2) Annual reports to Congress.—Each
year, beginning on the date that is one year after
the date on which all Commission members have
been confirmed by the Senate, the Commission shall
submit a report simultaneously to each House of
Congress detailing the activities of the Commission
for the previous year, and listing all rules and sets
of rules classified under subsection (h) during that
year. For each rule or set of rules so listed, the
Commission shall—

(A) identify the agency that made the rule
or set of rules;

(B) identify the annual cost of the rule or
set of rules to the United States economy and
the basis upon which the Commission identified that cost;

(C) identify whether the rule or set of rules was classified under clause (i) or clause (ii) of subsection (h)(4)(A);

(D) identify the criteria under subsection (h)(2) that caused the classification of the rule or set of rules and the basis upon which the Commission determined that those criteria were met;

(E) for each rule or set of rules listed under the criteria set forth in subparagraph (B), (D), (F), (G), (H), or (I) of subsection (h)(2), or other criteria established by the Commission under subparagraph (I) of such subsection under which the Commission evaluated alternatives to the rule or set of rules that could lead to lower regulatory costs, identify alternatives to the rule or set of rules that the Commission recommends the agency consider as replacements for the rule or set of rules and the basis on which the Commission rests the recommendations, and, in identifying such alternatives, emphasize alternatives that will achieve
regulatory effectiveness at the lowest cost and
with the lowest adverse impacts on jobs;

(F) for each rule or set of rules listed
under the criteria set forth in subsection
(h)(2)(E), the other Federal, State, or local
governmental rules that the Commission found
the rule or set of rules to overlap, duplicate, or
conflict with, and the basis for the findings of
the Commission; and

(G) in the case of each set of rules so list-
ed, analyze whether Congress should also con-
sider repeal of the statutory authority imple-
mented by the set of rules.

(3) Final report.—Not later than the date
on which the Commission members’ appointments
expire, the Commission shall submit a final report
simultaneously to each House of Congress summa-
izing all activities and recommendations of the
Commission, including a list of all rules or sets of
rules the Commission classified under clause (i) of
subsection (h)(4)(A) for immediate action to repeal,
a separate list of all rules or sets of rules the Com-
mission classified under clause (ii) of subsection
(h)(4)(A) for repeal, and with regard to each rule or
set of rules listed on either list, the information de-
scribed in subparagraphs (A) through (F) of subsection (h)(2). This report may be included in the final annual report of the Commission under paragraph (2) and may include the Commission’s recommendation whether the Commission should be reauthorized by Congress.

(j) Repeal of Regulations; Congressional Consideration of Commission Reports.—

(1) In general.—Subject to paragraph (2)—

(A) the head of each agency with authority to repeal a rule or set of rules classified by the Commission under subsection (h)(4)(A)(i) for immediate action to repeal and newly listed as such in an annual or final report of the Commission under paragraph (2) or (3) of subsection (i) shall repeal the rule or set of rules as recommended by the Commission within 60 days after the enactment of a joint resolution under paragraph (2) for approval of the recommendations of the Commission in the report; and

(B) the head of each agency with authority to repeal a rule or set of rules classified by the Commission under subsection (h)(4)(A)(ii) for repeal and newly listed as such in an annual or
final report of the Commission under paragraph (2) or (3) of subsection (i) shall repeal the rule or set of rules as recommended by the Commission pursuant to section 201, following the enactment of a joint resolution under paragraph (2) for approval of the recommendations of the Commission in the report.

(2) CONGRESSIONAL APPROVAL.—

(A) IN GENERAL.—No head of an agency described in paragraph (1) shall be required by this Act to carry out a repeal listed by the Commission in a report transmitted to Congress under paragraph (2) or (3) of subsection (i) until a joint resolution is enacted, in accordance with the provisions of subparagraph (B), approving such recommendations of the Commission for repeal.

(3) REISSUANCE OF RULES.—

(A) NO SUBSTANTIALLY SIMILAR RULE TO BE REISSUED.—A rule that is repealed under paragraph (1) or section 201 may not be reissued in substantially the same form, and a new rule that is substantially the same as such a rule may not be issued, unless the reissued or new rule is specifically authorized by a law enacted after the date of the joint resolution approving the Commission’s recommendation to repeal the original rule.
(B) AGENCY TO ENSURE AVOIDANCE OF SIMILAR DEFECTS.—An agency, in making any new rule to implement statutory authority previously implemented by a rule repealed under paragraph (1) or section 201, shall ensure that the new rule does not result in the same adverse effects of the repealed rule that caused the Commission to recommend to Congress the latter’s repeal and will not result in new adverse effects of the kind described in the criteria specified in or under subsection (h).

(k) AUTHORIZATION OF APPROPRIATIONS.—

(1) IN GENERAL.—There are authorized to be appropriated such sums as may be necessary to the Commission to carry out this Act, not to exceed $30,000,000.

(2) AVAILABILITY.—Any sums appropriated under the authorization contained in this section shall remain available, without fiscal year limitation, until the earlier of the date that such sums are expended or the date of the termination of the Commission.

(l) WEBSITE.—

(1) IN GENERAL.—The Commission shall establish a public website that—
(A) uses current information technology to make records available on the website;

(B) provides information in a standard data format; and

(n) DEFINITION.—In this section, the term “unfunded mandate” has the meaning given the term “Federal mandate” in section 421(6) of the Congressional Budget Act of 1974 (2 U.S.C. 658(6)).

**TITLE II—REGULATORY CUT-GO**

**SEC. 201. CUT-GO PROCEDURES.**

(a) IN GENERAL.—Except as provided in section 101(j)(2)(A) or section 202, an agency, when the agency
makes a new rule, shall repeal rules or sets of rules of
that agency classified by the Commission under section
101(h)(4)(A)(ii), such that the annual costs of the new
rule to the United States economy is offset by such re-
peals, in an amount equal to or greater than the cost of
the new rule, based on the regulatory cost reductions of
repeal identified by the Commission.

(b) ALTERNATIVE PROCEDURE.—An agency may, al-
ternatively, repeal rules or sets of rules of that agency
classified by the Commission under section
101(h)(4)(A)(ii) prior to the time specified in subsection
(a). If the agency so repeals such a rule or set of rules
and thereby reduces the annual, inflation-adjusted cost of
the rule or set of rules to the United States economy, the
agency may thereafter apply the reduction in regulatory
costs, based on the regulatory cost reductions of repeal
identified by the Commission, to meet, in whole or in part,
the regulatory cost reduction required under subsection
(a) of this section to be made at the time the agency pro-
mulgates a new rule.

(c) ACHIEVEMENT OF FULL NET COST REDUC-
TIONS.—

(1) IN GENERAL.—Subject to the provisions of
paragraph (2), an agency may offset the costs of a
new rule or set of rules by repealing a rule or set
of rules listed by the Commission under section 101(h)(4)(A)(ii) that implement the same statutory authority as the new rule or set of rules.

(2) LIMITATION.—When using the authority provided in paragraph (1), the agency must achieve a net reduction in costs imposed by the agency’s body of rules (including the new rule or set of rules) that is equal to or greater than the cost of the new rule or set of rules to be promulgated, including, whenever necessary, by repealing additional rules of the agency listed by the Commission under section 101(h)(4)(A)(ii).

SEC. 202. APPLICABILITY.

An agency shall no longer be subject to the requirements of sections 201 and 203 beginning on the date that there is no rule or set of rules of the agency classified by the Commission under section 101(h)(4)(A)(ii) that has not been repealed such that all regulatory cost reductions identified by the Commission to be achievable through repeal have been achieved.

SEC. 203. OIRA CERTIFICATION OF COST CALCULATIONS.

The Administrator of the Office of Information and Regulatory Affairs of the Office of Management and Budget shall review and certify the accuracy of agency determinations of the costs of new rules under section 201.
The certification shall be included in the administrative record of the relevant rulemaking by the agency promulgating the rule, and the Administrator shall transmit a copy of the certification to Congress when it transmits the certification to the agency.

TITLE III—RETROSPECTIVE REVIEW OF NEW RULES

SEC. 301. PLAN FOR FUTURE REVIEW.

When an agency makes a rule, the agency shall include in the final issuance of such rule a plan for the review of such rule by not later than 10 years after the date such rule is made. Such a review, in the case of a major rule, shall be substantially similar to the review by the Commission under section 101(h). In the case of a rule other than a major rule, the agency’s plan for review shall include other procedures and standards to enable the agency to determine whether to repeal or amend the rule to eliminate unnecessary regulatory costs to the economy. Whenever feasible, the agency shall include a proposed plan for review of a proposed rule in its notice of proposed rulemaking and shall receive public comment on the plan.
TITLE IV—JUDICIAL REVIEW

SEC. 401. JUDICIAL REVIEW.

(a) Immediate Repeals.—Agency compliance with section 101(j) of this Act shall be subject to judicial review under chapter 7 of title 5, United States Code.

(b) Cut-Go Procedures.—Agency compliance with title II of this Act shall be subject to judicial review under chapter 7 of title 5, United States Code.

(c) Plans for Future Review.—Agency compliance with section 301 shall be subject to judicial review under chapter 7 of title 5, United States Code.
