“(3) A covered veteran may only receive care or services under this section upon the authorization of such care or services by the Secretary.

“(b) COVERED VETERANS.—For purposes of this section, a covered veteran is any veteran who—

PROVIDERS.—(1)(A) The Secretary may furnish hospital care, medical services, or extended care services through a health care provider specified in subsection (c) to a covered veteran served by a medical service line of the Department that the Secretary has determined is not providing care that complies with the standards for quality the Secretary shall establish under section 1703C.

location at which such care and services will be available,
and the clinical care and services that will be available.
“(3)(A) Except as provided for in subparagraph (B),
the hospital care, medical services, and extended care serv-
ices authorized under paragraph (1) with respect to a
medical service line shall cease when the remediation de-

ordination of care for any veteran who elects to receive
care or services under paragraph (1) from a health care
provider specified in subsection (c) through the completion
of an episode of care.
“(4) The Secretary shall publish in the Federal Reg-

notice to covered veterans affected under this subsection,

“(2) In developing a tiered provider network of eligible providers under paragraph (1), the Secretary shall not prioritize providers in a tier over providers in any other tier in a manner that limits the choice of a covered veteran in selecting a health care provider specified in subsection (c) for receipt of hospital care, medical services, or extended care services under this section.

“(i) Contracts To Establish Networks Of Health Care Providers.—(1) The Secretary shall enter into consolidated, competitively bid contracts to establish networks of health care providers specified in paragraphs (1) and (5) of subsection (c) for purposes of providing sufficient access to hospital care, medical services, or extended care services under this section.

“(4) Whenever the Secretary provides notice to an entity that the entity is failing to meet contractual obligations entered into under paragraph (1), the Secretary shall submit to the Committee on Veterans’ Affairs of the Senate and the Committee on Veterans’ Affairs of the House of Representatives a report on such failure.
