## IN THE HOUSE OF REPRESENTATIVES

JANUARY 3, 2019

Ms. VELÁZQUEZ (for herself, Ms. CLARKE of New York, Ms. NORTON, Ms. SCHAKOWSKY, and Mr. TAKANO) introduced the following bill; which was referred to the Committee on the Judiciary

---

## A BILL

To amend the Omnibus Crime Control and Safe Streets Act of 1968 to establish grants to reduce the incidence of hate crimes, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Hate Crime Victim  
5 Assistance Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) Hate crimes have been on the rise over the  
9 previous years across the United States. In 2015,

1 according to the Federal Bureau of Investigation  
2 (FBI), 56.9 percent of single-bias incidents were  
3 motivated by either race, ethnicity or ancestry bias.

4 (2) The same report mentions that 21.4 percent  
5 were prompted by religious bias; 18.1 percent sexual  
6 orientation bias; 2.0 percent gender-identity bias;  
7 and 1.3 percent disability bias.

8 (3) Out of the 56.9 percent of the single-bias  
9 incidents that were motivated by race reported to  
10 the FBI in 2015, 9.4 percent of these were classified  
11 as anti-Hispanic or Latino, and 3.3 percent of these  
12 single bias incidents had an anti-Asian bias.

13 (4) Previous data from the FBI suggest that  
14 hate crimes against African Americans have seen a  
15 dramatic increase over the years. Such trends can be  
16 traced back to 2003, when hate crimes against Afri-  
17 can Americans were twice as much as all other race  
18 groups combined.

19 (5) A 2015 study conducted by the Los Angeles  
20 County Commission on Human Relations notes that  
21 half of the hate crimes in Los Angeles County were  
22 racially motivated—58 percent of those attacks tar-  
23 getted the County’s African-American population, al-  
24 though they only constituted 4 percent of the coun-  
25 ty’s population.

1           (6) Previous research suggests that Black males  
2           are also more vulnerable to violent victimization.  
3           Furthermore, data suggest that communities of color  
4           continue to be victims of hate crime violence.

5           (7) The Los Angeles County Commission on  
6           Human Relations report found that the number of  
7           hate crimes targeting Asian and Pacific islanders  
8           tripled from six to eighteen since 2014. The same  
9           report notes that Anti-Latino hate crimes also rose  
10          from 36 in 2014 to 61 in 2015.

11          (8) A study conducted by the Human Rights  
12          Campaign notes that out of the number of hate  
13          crimes committed against the transgender commu-  
14          nity from 2013–2015, at least 87 percent of victims  
15          were transgender people of color.

16          (9) Only 16, or 30 percent, were killed in  
17          States that have hate crime laws that account for  
18          crimes motivated by the victim’s gender identity; but  
19          despite these provisions and a Federal hate crime  
20          law, not a single one of these murders was pros-  
21          ecuted or reported to the FBI as a hate crime.

22          (10) The United States is currently facing a  
23          surge in religious bias. According to the Southern  
24          Poverty Law Center, there are currently 917 hate  
25          groups operating across the country.

1           (11) A CNN report found that in the first  
2 months of 2017 the country experienced a substan-  
3 tial increase in Anti-Semitic incidents. In compari-  
4 son to the same period in 2016, Anti-Semitic inci-  
5 dents were 86 percent higher.

6           (12) Historically hate crimes have gone under  
7 reported. On average there are 250,000 hate crime  
8 victims each year, of which only one-third are re-  
9 ported to the police.

10           (13) It is Congress' responsibility to provide for  
11 sustainable and feasible solutions to reduce, prevent  
12 and mitigate underlying factors responsible for bias  
13 incidents.

14 **SEC. 3. LOCAL HATE CRIME HOTLINES AND HATE CRIME**  
15 **INFORMATION AND ASSISTANCE WEB SITES.**

16 Title I of the Omnibus Crime Control and Safe  
17 Streets Act of 1968 (42 U.S.C. 3711 et seq.) is amended  
18 by adding at the end the following:
