4 **SERVICES AND SUPPORTS BENEFIT.**

5 “All individuals enrolled under Medicare for America
6 under this title shall have coverage for home and commu-
7 nity based long-term services and supports benefits. Noth-
8 ing in this part shall be construed to limit an enrollee’s

12 individual no longer requires home and community based
13 long-term services and supports, or requires fewer serv-
14 ices, the individual shall be able to immediately and
15 seamlessly resume receiving all needed services if and
16 when their functional needs recur. Eligibility for services
17 shall be maintained if, without the services, the individual
18 would have reduced functional capacity. When assessing
19 functional impairment, the individual will be assessed
20 without regard to any current services or the ameliorative
21 effects of other mitigating measures described in section
22 3(4)(E)(i)(I) of the Americans With Disabilities Act of

10 **SEC. 121. NO SURPRISE BILLING.**

11 (a) SURPRISE BILL DEFINED.—For purposes of this
12 section the term “surprise bill”—

13 (1) means a bill for health care services, other
14 than emergency services, received by an insured for
15 services rendered by an out-of-network health care
16 provider, where such services were rendered by such
17 out-of-network provider at an in-network facility,
18 during a service or procedure performed by an in-
19 network provider or during a service or procedure
20 previously approved or authorized by the health car-
21 rier and the insured did not knowingly elect to ob-
22 tain such services from such out-of-network provider;
23 and

24 (2) does not include a bill for health care serv-
25 ices received by an insured when an in-network

1 health care provider was available to render such
2 services and the insured knowingly elected to obtain
3 such services from another health care provider who
4 was out-of-network.

5 (b) No non-participating health care provider shall
6 require prior authorization for rendering emergency serv-
7 ices to an insured.

8 (c) No health carrier shall impose, for emergency
9 services rendered to an insured by an out-of-network
10 health care provider, a coinsurance, copayment, deductible
11 or other out-of-pocket expense that is greater than the co-
12 insurance, copayment, deductible or other out-of-pocket
13 expense that would be imposed if such emergency services
14 were rendered by an in-network health care provider.

15 (d) PAYMENT AMOUNT.—If emergency services were
16 rendered to an insured by an out-of-network health care
17 provider, such health care provider may bill the health car-
18 rier directly and the health carrier shall reimburse such
19 health care provider the greatest of the following amounts:

20 (1) The amount payable under Medicare for
21 America for such services if rendered by a health
22 care provider participating in Medicare for America.

23 (2) The arbitrated amount between the quali-
24 fying health plan and the non-participating provider.

1 (e) Nothing in this section shall be construed to pro-
2 hibit the qualifying health plan and the non-participating
3 health care provider from agreeing to a greater reimburse-
4 ment amount.

5 (f) NON-EMERGENCY SERVICES.—With respect to a
6 surprise bill, the following applies:

7 (1) An individual enrolled in the qualifying
8 health plan shall only be required to pay the applica-
9 ble coinsurance that would be imposed for such
10 health care services if such services were rendered by
11 a participating health care provider.

12 (2) The qualifying health plan shall reimburse
13 the non-participating health care provider or indi-
14 vidual enrolled in such health plan, as applicable, for
15 health care services rendered at the qualifying health
16 plan rate as payment in full, unless the health plan
17 and the non-participating health care provider agree
18 otherwise.

19 (g) If health care services were rendered to an indi-
20 vidual enrolled in qualifying health coverage by a non-par-
21 ticipating health care provider and the qualifying health
22 plan failed to inform such enrollee, if such enrollee was
23 required to be informed, of the network status of such
24 non-participating health care provider, the qualifying
25 health plan shall not impose coinsurance expense that is

1 greater than the maximum out-of-pocket expense that
2 would be imposed if such services were rendered by a
3 qualifying health care provider.

4 (h) EMERGENCY SERVICES.—

5 (1) NO PRIOR AUTHORIZATION.—A health care
6 provider not participating in Medicare for America
7 may not require prior authorization for rendering
8 emergency services to an individual enrolled under
9 Medicare for America.

10 (2) OUT-OF-POCKET EXPENSES.—A health care
11 provider not participating in Medicare for America
12 may not impose, for emergency services rendered to
13 an individual enrolled in Medicare for America, a co-
14 insurance, copayment, or other out-of-pocket expense
15 that is greater than the coinsurance or maximum
16 out-of-pocket expense that would be imposed if such
17 emergency services were rendered by a Medicare for
18 America participating provider.

19 (3) PAYMENT AMOUNT.—If emergency services
20 are rendered to an individual enrolled in Medicare
21 for America by a health care provider not partici-
22 pating in Medicare for America, such health care
23 provider may bill Medicare for America directly and
24 Medicare for America shall reimburse such health
25 care provider the greatest of the following amounts:

1 (A) The amount payable under Medicare
2 for America for such services if rendered by a
3 health care provider participating in Medicare
4 for America.

5 (B) The arbitrated amount between the
6 Secretary of Health and Human Services and
7 the provider, determined by an arbitration pro-
8 cess established by the Secretary.

9 (i) NON-EMERGENCY SERVICES.—With respect to a
10 surprise bill, the following applies:

11 (1) An individual enrolled in qualifying coverage
12 (as defined in section 2202(b)(4)(B) of the Social
13 Security Act) shall only be required to pay the appli-
14 cable coinsurance that would be imposed for such
15 health care services if such services were rendered by
16 a health care provider participating in Medicare for
17 America.

18 (2) The Secretary of Health and Human Serv-
19 ices shall reimburse the non-participating health
20 care provider or individual enrolled in such health
21 plan, as applicable, for health care services rendered
22 at rate payable under Medicare for America as pay-
23 ment in full, unless the Secretary and the non-par-
24 ticipating health care provider agree otherwise.

1 (3) If health care services were rendered to an
2 individual enrolled in Medicare for America by a
3 health care provider not participating in Medicare
4 for America and the Secretary of Health and
5 Human Services failed to inform such enrollee, if
6 such enrollee was required to be informed, of the
7 network status of such non-participating health care
8 provider, the Secretary shall not impose a coinsur-
9 ance expense that is greater than the maximum out-
10 of-pocket expense that would be imposed if such
11 services were rendered by a provider participating in
12 Medicare for America.

13 **SEC. 122. LIMITATION ON REMOVAL OF MEDICARE ADVAN-**
14 **TAGE PROVIDERS BY MA ORGANIZATIONS.**

15 (a) **LIMITATION.**—Section 1852(d) of the Social Se-

3 “(B) CAUSE TO REMOVE PROVIDERS.—

4 “(i) IN GENERAL.—An MA organiza-

19 “(III) otherwise unfit to furnish
20 items and services in accordance with
21 requirements of this title.

22 “(ii) CONSIDERATION OF COST TO MA
23 ORGANIZATIONS.—For purposes of sub-
24 paragraph (A), cost to an MA organization
25 offering an MA plan due to the participa-

1 tion of a provider of services or supplier in
2 a network of such plan does not constitute
3 cause for the MA organization to remove
4 such provider or supplier from the network
5 mid-year, and such cost may not be consid-
6 ered as a factor in favor of a determination
7 that such organization has cause to remove
8 the provider.

9 “(C) EXCEPTION.—With respect to each
10 upcoming plan year, beginning with plan year
11 2020 an MA organization offering an MA plan
12 may only remove a provider of services or sup-

20 provider of services or supplier from a net-

23 process that the Secretary shall establish
24 by regulation. Such process shall require
25 the MA organization to provide to such

1 provider or supplier and to the Secretary
2 an explanation of the reason or reasons for
3 the removal. The Secretary shall make this
4 information publicly available.

5 “(ii) APPLICATION.—

6 “(I) APPLICATION OF NEW PROC-

8 provider of services or supplier from a
9 network of an MA plan occurring on
10 or after the effective date published in

12 appeal process, such process shall
13 apply in lieu of the process for the
14 termination or suspension of a pro-
15 vider contract under section
16 422.202(a) of title 42, Code of Fed-
17 eral Regulations.

18 “(II) CONTINUATION OF OLD
19 PROCESS.—In the case of a removal of
20 a provider of services or supplier from
21 a network of an MA plan occurring
22 before such effective date, the process
23 for the termination or suspension of a
24 provider contract under section

1 422.202(a) of title 42, Code of Fed-
2 eral Regulations, shall apply.

3 “(E) PARTICIPANT NOTICE AND PROTEC-

5 therapy with the removed provider or
6 supplier; and

7 “(III) one or more customer serv-
8 ice telephone numbers that an indi-
9 vidual enrolled in such plan may ac-
10 cess to obtain information regarding
11 changes to the network of the plan.

12 “(ii) ANNUAL NOTICE OF CHANGE.—
13 In addition to providing the notification of
14 removal as required under clause (i), the
15 MA organization offering such MA plan
16 shall include such notification in the an-

18 the upcoming plan year.

19 “(iii) CONTINUITY OF CARE.—In any
20 case in which a provider of services or sup-

2 provider or supplier during the plan year
3 in effect on the date of removal or during

19 included in the calculation of the direct care
20 registered nurse-to-patient ratio unless that
21 nurse has a current and active direct patient
22 care assignment and provides direct patient
23 care in compliance with the requirements of this
24 section, including competency requirements.
25 The exemption in this subsection shall apply

1 only during the hours in which the individual

6 and acuity level.

7 “(4) RESTRICTIONS.—

8 “(A) PROHIBITION AGAINST AVERAGING.—

9 A hospital shall not average the number of pa-

6 “(D) APPLICATION OF DIRECT CARE REG-
7 ISTERED NURSE-TO-PATIENT RATIOS IN PA-

9 shall be cared for only on units or patient care
10 areas where the direct care registered nurse-to-

13 needs of each patient. Notwithstanding para-
14 graph (2), hospitals that provide patient care in
15 units or patient care areas that are acuity
16 adaptable or acuity adjustable shall apply the
17 direct care registered nurse-to-patient ratio re-
18 quired in this section for the highest patient
19 acuity level or level of care in that unit or pa-
20 tient care area, and shall comply with all other
21 requirements of this section.

22 “(E) USE OF VIDEO MONITORS.—A hos-
23 pital shall not employ video monitors or any
24 form of electronic visualization of a patient as
25 a substitute for the direct observation required

1 for patient assessment by the direct care reg-
2 istered nurse or required for patient protection.
3 Video monitors or any form of electronic visual-
4 ization of a patient shall not be included in the
5 calculation of the direct care registered nurse-

7 shall not replace the requirement of paragraph
8 (3)(D) that each patient shall be assigned to a
9 direct care registered nurse who shall directly
10 provide the assessment, planning, supervision,
11 implementation, and evaluation of the nursing

20 plementation, and evaluation of care.

21 “(5) ADJUSTMENT OF RATIOS.—

22 “(A) IN GENERAL.—If necessary to protect
23 patient safety, the Secretary may prescribe reg-
24 ulations that—

3 subsection to reduce the number of pa-
4 tients that may be assigned to each direct
5 care nurse; or

6 “(ii) add minimum direct care reg-

7 established under this title. Minimum direct care
8 registered nurse-to-patient ratios established under
9 this subsection shall not preempt State requirements
10 that the Secretary determines are as stringent as to

12 nurse-to-patient ratios established under this title.

13 “(8) EXEMPTION IN EMERGENCIES.—The re-
14 quirements established under this subsection shall
15 not apply during a state of emergency if a hospital
16 is requested or expected to provide an exceptional
17 level of emergency or other medical services. If a
18 hospital seeks to apply the exemption under this
19 paragraph in response to a complaint filed against
20 the hospital for a violation of the provisions of this
21 title, the hospital must demonstrate that prompt and
22 diligent efforts were made to maintain required
23 staffing levels. The Secretary shall issue guidance to
24 hospitals that describes situations that constitute a
25 state of emergency for purposes of the exemption

1 under this paragraph and shall establish necessary
2 penalties for violations of this paragraph consistent
3 with section 3406.

23 “(E) Staffing levels and services provided
24 by licensed vocational or practical nurses, li-

1 methodology used to determine nursing staff-
2 ing, identifying each factor, assumption, and
3 value used in applying such methodology.

4 “(B) PUBLIC AVAILABILITY.—The Sec-
5 retary shall establish procedures to provide that
6 the documentation submitted under subsection
7 (d) is available for public inspection in its en-
8 tirety.

9 “(5) REGISTERED NURSE PARTICIPATION.—A
10 staffing plan of a hospital—

11 “(A) shall be developed and subsequent re-
12 evaluations shall be conducted under this sub-
13 section on the basis of input from direct care
14 registered nurses at the hospital from each unit
15 or patient care area; and

16 “(B) where such nurses are represented
17 through collective bargaining, shall require bar-
18 gaining with the applicable recognized or cer-
19 tified collective bargaining representative of
