

116TH CONGRESS  
1ST SESSION

# H. R. 4266

To establish centers of excellence for innovative stormwater control infrastructure, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 10, 2019

Mr. HECK (for himself and Mr. KATKO) introduced the following bill; which was referred to the Committee on Transportation and Infrastructure, and in addition to the Committee on Science, Space, and Technology, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To establish centers of excellence for innovative stormwater control infrastructure, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Clean Water Through  
5 Green Infrastructure Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1           (1) many water resources in the United States  
2           are declining, particularly in urban and agricultural  
3           areas;

4           (2) the decline of water resources is the result  
5           of—

6                   (A) an increase in population, water con-  
7                   sumption, agricultural production, and imper-  
8                   meable surfaces; and

9                   (B) the negative effects of urbanization,  
10                  commercial and industrial activities, and in-  
11                  creasing and persistent droughts; and

12           (3) an October 2008 study by the National Re-  
13           search Council found that some of the benefits of in-  
14           novative stormwater control infrastructure include—

15                   (A) increased water supplies;

16                   (B) the creation of jobs;

17                   (C) cost savings; and

18                   (D) a reduction of stormwater runoff, sur-  
19                  face water discharge, stormwater pollution, and  
20                  stormwater flows to protect and restore natural  
21                  hydrology, meeting local conditions to the max-  
22                  imum extent feasible.

23 **SEC. 3. DEFINITIONS.**

24           In this Act:

1           (1) ADMINISTRATOR.—The term “Adminis-  
2           trator” means the Administrator of the Environ-  
3           mental Protection Agency.

4           (2) CENTER.—The term “center” means a cen-  
5           ter of excellence for innovative stormwater control  
6           infrastructure established under section 4(a).

7           (3) ELIGIBLE ENTITY.—The term “eligible enti-  
8           ty” means—

9                   (A) a State, Tribal, or local government; or

10                   (B) a local, regional, or other entity that  
11           manages stormwater, drinking water resources,  
12           or wastewater resources.

13           (4) ELIGIBLE INSTITUTION.—

14                   (A) IN GENERAL.—The term “eligible in-  
15           stitution” means an institution of higher edu-  
16           cation (as defined in section 101 of the Higher  
17           Education Act of 1965 (20 U.S.C. 1001)) or a  
18           research institution that has demonstrated ex-  
19           cellence in innovative stormwater control infra-  
20           structure by—

21                           (i) conducting research on innovative  
22           stormwater control infrastructure to deter-  
23           mine the means by which innovative infra-  
24           structure reduces stormwater runoff, en-

1 hances and protects drinking water  
2 sources, and improves water quality;

3 (ii) developing and disseminating in-  
4 formation regarding the means by which  
5 an organization can use innovative storm-  
6 water control infrastructure;

7 (iii) providing technical assistance to  
8 an organization for an innovative stormwa-  
9 ter control infrastructure project;

10 (iv) developing best practices stand-  
11 ards for innovative stormwater control in-  
12 frastructure;

13 (v) providing job training relating to  
14 innovative stormwater control infrastruc-  
15 ture;

16 (vi) developing course curricula for—  
17 (I) elementary schools (as defined  
18 in section 8101 of the Elementary and  
19 Secondary Education Act of 1965 (20  
20 U.S.C. 7801));

21 (II) secondary schools (as defined  
22 in section 8101 of the Elementary and  
23 Secondary Education Act of 1965 (20  
24 U.S.C. 7801));

1 (III) institutions of higher edu-  
2 cation (as defined in section 101 of  
3 the Higher Education Act of 1965 (20  
4 U.S.C. 1001)); or

5 (IV) vocational schools;

6 (vii) training students regarding inno-  
7 vative stormwater control infrastructure; or

8 (viii) providing information to the  
9 Federal Government or State, Tribal, and  
10 local governments regarding the implemen-  
11 tation of innovative stormwater control in-  
12 frastructure.

13 (B) ASSOCIATED DEFINITION.—For pur-  
14 poses of subparagraph (A), the term “research  
15 institution” means an entity that is—

16 (i) described in section 501(c)(3) of  
17 the Internal Revenue Code of 1986;

18 (ii) exempt from tax under section  
19 501(a) of the Internal Revenue Code of  
20 1986; and

21 (iii) organized and operated for re-  
22 search purposes.

23 (5) INDIAN TRIBE.—The term “Indian tribe”  
24 has the meaning given the term in section 518(h) of

1 the Federal Water Pollution Control Act (33 U.S.C.  
2 1377(h)).

3 (6) INNOVATIVE STORMWATER CONTROL INFRA-  
4 STRUCTURE.—

5 (A) IN GENERAL.—The term “innovative  
6 stormwater control infrastructure” means any  
7 green infrastructure stormwater management  
8 technique that—

9 (i) uses natural systems or engineered  
10 systems that mimic natural processes to  
11 infiltrate, evapotranspire, or capture  
12 stormwater; and

13 (ii) preserves, enhances, or mimics  
14 natural hydrology to protect or restore  
15 water quality.

16 (B) INCLUSIONS.—The term “innovative  
17 stormwater control infrastructure” includes—

18 (i) methods that promote absorption,  
19 uptake, percolation, evapotranspiration,  
20 and filtration by soil and plant life; and

21 (ii) the preservation or restoration  
22 of—

23 (I) natural topography, including  
24 hills, plains, ravines, and shorelines;

1 (II) interconnected networks of  
2 natural land that protect essential ec-  
3 ological functions critical for water  
4 quality;

5 (III) ecological function, includ-  
6 ing forests, grasslands, and deserts;

7 (IV) bodies of water, including  
8 lakes, flood plains, headwaters, and  
9 wetlands; and

10 (V) native soil characteristics of  
11 composition, structure, and transmis-  
12 sivity.

13 (7) STATE.—The term “State” means—

14 (A) each of the several States of the  
15 United States;

16 (B) the District of Columbia;

17 (C) the Commonwealth of Puerto Rico;

18 (D) Guam;

19 (E) American Samoa;

20 (F) the Commonwealth of the Northern  
21 Mariana Islands;

22 (G) the Federated States of Micronesia;

23 (H) the Republic of the Marshall Islands;

24 (I) the Republic of Palau; and

25 (J) the United States Virgin Islands.

1 **SEC. 4. CENTERS OF EXCELLENCE FOR INNOVATIVE**  
2 **STORMWATER CONTROL INFRASTRUCTURE.**

3 (a) ESTABLISHMENT OF CENTERS.—

4 (1) IN GENERAL.—The Administrator shall pro-  
5 vide grants, on a competitive basis, to eligible insti-  
6 tutions to establish and maintain not less than 3,  
7 and not more than 5, centers of excellence for inno-  
8 vative stormwater control infrastructure, to be lo-  
9 cated in various regions throughout the United  
10 States.

11 (2) GENERAL OPERATION.—Each center  
12 shall—

13 (A) conduct research on innovative  
14 stormwater control infrastructure that is rel-  
15 evant to the geographical region in which the  
16 center is located, including stormwater and  
17 sewer overflow reduction, other approaches to  
18 water resource enhancement, and other environ-  
19 mental, economic, and social benefits;

20 (B) develop manuals and establish industry  
21 standards on best management practices relat-  
22 ing to State, Tribal, local, and commercial inno-  
23 vative stormwater control infrastructure for use  
24 by State, Tribal, and local governments and the  
25 private sector;

1           (C) develop and administer testing and  
2           evaluation protocols to measure and verify the  
3           performance of stormwater infrastructure prod-  
4           ucts and practices;

5           (D) provide information regarding research  
6           conducted under subparagraph (A), manuals  
7           developed under subparagraph (B), and testing  
8           and evaluation performed under subparagraph  
9           (C) to the national electronic clearinghouse cen-  
10          ter for publication on the internet website es-  
11          tablished under subsection (c) to provide to the  
12          Federal Government and State, Tribal, and  
13          local governments and the private sector infor-  
14          mation regarding innovative stormwater control  
15          infrastructure;

16          (E) provide technical assistance to State,  
17          Tribal, and local governments to assist with the  
18          construction, operation, and maintenance of in-  
19          novative stormwater control infrastructure  
20          projects;

21          (F) collaborate with institutions of higher  
22          education and private and public organizations  
23          in the geographical region in which the center  
24          is located on innovative stormwater control in-

1           frastructure research and technical assistance  
2           projects;

3           (G) assist institutions of higher education,  
4           secondary schools, and vocational schools to de-  
5           velop innovative stormwater control infrastruc-  
6           ture curricula;

7           (H) provide training regarding innovative  
8           stormwater control infrastructure to institutions  
9           of higher education and professional schools;

10          (I) evaluate regulatory and policy issues  
11          relating to innovative stormwater control infra-  
12          structure; and

13          (J) coordinate with the other centers to  
14          avoid duplication of efforts.

15          (b) APPLICATION.—To be eligible to receive a grant  
16          under this section, an eligible institution shall prepare and  
17          submit to the Administrator an application at such time,  
18          in such form, and containing such information as the Ad-  
19          ministrator may require.

20          (c) NATIONAL ELECTRONIC CLEARINGHOUSE CEN-  
21          TER.—Of the centers established under subsection (a)(1),  
22          one shall—

23                  (1) be designated as the “national electronic  
24                  clearinghouse center”; and

1           (2) in addition to the other functions of that  
2 center—

3           (A) develop, operate, and maintain an  
4 internet website and a public database that con-  
5 tains information relating to innovative storm-  
6 water control infrastructure; and

7           (B) post to the website information from  
8 all centers.

9 **SEC. 5. INNOVATIVE STORMWATER CONTROL INFRASTRUC-**  
10 **TURE PROJECT GRANTS.**

11       (a) GRANT AUTHORITY.—The Administrator shall  
12 provide grants, on a competitive basis, to eligible entities  
13 to carry out innovative stormwater control infrastructure  
14 projects in accordance with this section.

15       (b) INNOVATIVE STORMWATER CONTROL INFRA-  
16 STRUCTURE PROJECTS.—

17           (1) PLANNING AND DEVELOPMENT GRANTS.—

18       The Administrator may make planning and develop-  
19 ment grants under this section for the following  
20 projects:

21           (A) Planning and designing innovative  
22 stormwater control infrastructure projects, in-  
23 cluding engineering surveys, landscape plans,  
24 maps, and implementation plans.

1 (B) Identifying and developing standards  
2 and revisions to local zoning, building, or other  
3 local codes necessary to accommodate innova-  
4 tive stormwater control infrastructure projects.

5 (C) Identifying and developing fee struc-  
6 tures to provide financial support for design, in-  
7 stallation, and operations and maintenance of  
8 innovative stormwater control infrastructure.

9 (D) Developing training and educational  
10 materials regarding innovative stormwater con-  
11 trol infrastructure for distribution to—

12 (i) individuals and entities with appli-  
13 cable technical knowledge; and

14 (ii) the public.

15 (2) IMPLEMENTATION GRANTS.—The Adminis-  
16 trator may make implementation grants under this  
17 section for the following projects:

18 (A) Installing innovative stormwater con-  
19 trol infrastructure.

20 (B) Protecting or restoring interconnected  
21 networks of natural areas that protect water  
22 quality.

23 (C) Monitoring and evaluating the environ-  
24 mental, economic, or social benefits of innova-  
25 tive stormwater control infrastructure.

1 (D) Implementing a best practices stand-  
2 ard for an innovative stormwater control infra-  
3 structure program.

4 (c) APPLICATION.—Except as otherwise provided in  
5 this Act, to be eligible to receive a grant under this section,  
6 an eligible entity shall prepare and submit to the Adminis-  
7 trator an application at such time, in such form, and con-  
8 taining such information as the Administrator may re-  
9 quire, including, as applicable—

10 (1) a description of the innovative stormwater  
11 control infrastructure project;

12 (2) a plan for monitoring the impacts of the in-  
13 novative stormwater control infrastructure project  
14 on the water quality and quantity;

15 (3) an evaluation of other environmental, eco-  
16 nomic, and social benefits of the innovative stormwa-  
17 ter control infrastructure project; and

18 (4) a plan for the long-term operation and  
19 maintenance of the innovative stormwater control in-  
20 frastructure project.

21 (d) PRIORITY.—In making grants under this section,  
22 the Administrator shall give priority to applications sub-  
23 mitted on behalf of—

24 (1) a community that—

1 (A) has combined storm and sanitary sew-  
2 ers in the collection system of the community;  
3 or

4 (B) is a low-income or disadvantaged com-  
5 munity, as determined by the Administrator; or

6 (2) an eligible entity that will use not less than  
7 10 percent of the grant to provide service to a low-  
8 income or disadvantaged community, as determined  
9 by the Administrator.

10 (e) MAXIMUM AMOUNTS.—

11 (1) PLANNING AND DEVELOPMENT GRANTS.—

12 (A) SINGLE GRANT.—The amount of a sin-  
13 gle planning and development grant provided  
14 under this section shall be not more than  
15 \$200,000.

16 (B) AGGREGATE AMOUNT.—The total  
17 amount of all planning and development grants  
18 provided under this section for a fiscal year  
19 shall be not more than  $\frac{1}{3}$  of the total amount  
20 made available to carry out this section.

21 (2) IMPLEMENTATION GRANTS.—

22 (A) SINGLE GRANT.—The amount of a sin-  
23 gle implementation grant provided under this  
24 section shall be not more than \$3,000,000.

1 (B) AGGREGATE AMOUNT.—The total  
2 amount of all implementation grants provided  
3 under this section for a fiscal year shall be not  
4 more than  $\frac{2}{3}$  of the total amount made avail-  
5 able to carry out this section.

6 (f) FEDERAL SHARE.—

7 (1) IN GENERAL.—Except as provided in para-  
8 graph (3), the Federal share of a grant provided  
9 under this section shall not exceed 65 percent of the  
10 total project cost.

11 (2) CREDIT FOR IMPLEMENTATION GRANTS.—  
12 The Administrator shall credit toward the non-Fed-  
13 eral share of the cost of an implementation project  
14 carried out under this section the cost of planning,  
15 design, and construction work completed for the  
16 project using funds other than funds provided under  
17 this Act.

18 (3) EXCEPTION.—The Administrator may waive  
19 the Federal share limitation under paragraph (1) for  
20 an eligible entity that has adequately demonstrated  
21 financial need.

22 **SEC. 6. REPORT TO CONGRESS.**

23 Not later than September 30, 2021, the Adminis-  
24 trator shall submit to Congress a report that includes,  
25 with respect to the period covered by the report—

1           (1) a description of all grants provided under  
2 this Act;

3           (2) a detailed description of—

4                 (A) the projects supported by those grants;

5           and

6                 (B) the outcomes of those projects;

7           (3) a description of the improvements in tech-  
8 nology, environmental benefits, resources conserved,  
9 efficiencies, and other benefits of the projects funded  
10 under this Act;

11           (4) recommendations for improvements to pro-  
12 mote and support innovative stormwater control in-  
13 frastructure for the centers, grants, and activities  
14 under this Act; and

15           (5) a description of existing challenges con-  
16 cerning the use of innovative stormwater control in-  
17 frastructure.

18 **SEC. 7. AUTHORIZATION OF APPROPRIATIONS.**

19           There are authorized to be appropriated to carry out  
20 this Act such sums as are necessary for each of fiscal  
21 years 2020 through 2025.

○
