## IN THE SENATE OF THE UNITED STATES

APRIL 11, 2019

---

## A BILL

To terminate the prohibitions on the exportation and importation of natural gas, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “License Natural Gas  
5 Now Act of 2019” or the “LNG Now Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

8 (1) the exportation of natural gas produced in  
9 the United States is in the interest of the United  
10 States; and

1           (2) because natural gas produced in the United  
2 States has a lower greenhouse gas emissions profile  
3 than other energy sources used in high volumes in  
4 other countries, the exportation of natural gas from  
5 the United States may help lower global emissions of  
6 carbon dioxide.

7 **SEC. 3. EXPORTATION OR IMPORTATION OF NATURAL GAS.**

8           (a) IN GENERAL.—Section 3 of the Natural Gas Act  
9 (15 U.S.C. 717b) is amended—

10           (1) by striking the section heading and all that  
11 follows through “(a) After” and inserting the fol-  
12 lowing:

13 **“SEC. 3. EXPORTATION OR IMPORTATION OF NATURAL**  
14 **GAS; LNG TERMINALS.**

15           “(a) AUTHORIZATION TO EXPORT OR IMPORT NAT-  
16 URAL GAS.—

17           “(1) IN GENERAL.—After”;

18           (2) in subsection (a)—

19           (A) in paragraph (1) (as so designated)—

20           (i) in the second sentence, by striking

21           “, unless,” and all that follows through the  
22 period at the end of the sentence and in-  
23 serting “without modification or delay.”;

24           and

1 (ii) in the third sentence, by striking  
2 “by its order” and all that follows through  
3 the period at the end of the sentence and  
4 inserting “condition the order on a require-  
5 ment that the applicant, on request, pro-  
6 vide relevant data to the Commission to fa-  
7 cilitate the information collection and sta-  
8 tistical activities of the Commission.”; and  
9 (B) by adding at the end the following:

10 “(2) PROHIBITIONS.—

11 “(A) PROHIBITION ON RESTRICTING NAT-  
12 URAL GAS IMPORTATION OR EXPORTATION.—  
13 Except as provided in paragraph (1) and sub-  
14 paragraph (C) or in any Federal authorization  
15 to export natural gas from the United States to  
16 a foreign country or to import natural gas into  
17 the United States from a foreign country in ef-  
18 fect on the date of enactment of the LNG Now  
19 Act of 2019, to promote the efficient explo-  
20 ration, production, storage, supply, marketing,  
21 pricing, and regulation of energy resources, in-  
22 cluding fossil fuels, no employee of the Federal  
23 Government shall impose or enforce any restric-  
24 tion or condition on—

1           “(i) the exportation of natural gas  
2           from the United States to a foreign coun-  
3           try; or

4           “(ii) the importation of natural gas  
5           into the United States from a foreign  
6           country.

7           “(B) TREATMENT OF IMPORTED NATURAL  
8           GAS.—The Commission shall not treat, on the  
9           basis of national origin, any imported natural  
10          gas on an unjust, unreasonable, unduly dis-  
11          criminatory, or preferential basis.

12          “(C) PROHIBITION ON IMPORT FROM OR  
13          EXPORT TO CERTAIN NATIONS.—The export of  
14          natural gas to, or the import of natural gas  
15          from, a nation subject to sanctions imposed by  
16          the United States is prohibited.

17          “(3) CONSIDERATION OF EXPORTED NATURAL  
18          GAS AS A FIRST SALE.—The exportation of natural  
19          gas to a foreign country from the United States  
20          shall be considered to be a first sale (as defined in  
21          section 2 of the Natural Gas Policy Act of 1978 (15  
22          U.S.C. 3301)).”;

23                 (3) by striking subsections (b) and (c); and

24                 (4) by redesignating subsections (d) through (f)  
25          as subsections (b) through (d), respectively.

1 (b) EFFECT.—The amendments made by subsection  
2 (a) shall not affect any Federal authorization to export  
3 natural gas from the United States to a foreign country  
4 or to import natural gas into the United States from a  
5 foreign country in effect on the date of enactment of this  
6 Act.

7 **SEC. 4. REPORT ON FOSTERING NATURAL GAS EXPORTS.**

8 Not later than 180 days after the date of enactment  
9 of this Act, the Secretary of Energy shall submit to Con-  
10 gress a report describing actions taken by the United  
11 States Government, and actions that could be taken by  
12 the United States Government, to foster the exportation  
13 of natural gas from the United States to foreign countries.

14 **SEC. 5. REPORT ON EXISTING REGULATIONS.**

15 Not later than 180 days after the date of enactment  
16 of this Act, the Secretary of Energy shall submit to Con-  
17 gress a report that identifies regulations in effect as of  
18 such date of enactment that inhibit the growth of the mar-  
19 ket for natural gas exported from the United States.
