18 **SEC. 269. STUDY AND REPORT ON COAST GUARD INTERDIC-**
 19 **TION OF ILLICIT DRUGS IN THE TRANSIT**
 20 **ZONES.**

21 (a) FINDINGS.—Congress makes the following find-
 22 ings:

23 (1) The Coast Guard seizes an average of 1,221
 24 pounds of cocaine and 85 pounds of marijuana each
 25 day in the transit zones of the Eastern Pacific

1 Ocean, Caribbean Sea, and Southern maritime bor-
2 der approaches.

3 (2) The Joint Interagency Task Force–South
4 (JIATF–South) estimates that it has a spectrum of
5 actionable intelligence on more than 80 percent of
6 drug movements into the United States from Central
7 America and South America.

8 (3) The Coast Guard must balance asset alloca-
9 tion across 11 statutory missions. As such, the
10 Coast Guard interdicts less than 10 percent of mari-
11 time noncommercial smuggling of illicit drugs into
12 the United States from Central America and South
13 America.

14 (4) In 2017, the Government Accountability Of-
15 fice recommended that the Commandant of the
16 Coast Guard—

19 the United States, or describe the manner in
20 which existing goals are sufficient;

21 (B) report such goals to the public;

22 (C) assess the extent to which limitations
23 in performance data with respect to such goals
24 are documented;

1 (D) document measurable corrective ac-
2 tions and implementation timeframes with re-
3 spect to such goals; and

4 (E) document efforts to monitor implemen-
5 tation of such corrective actions.

6 (b) STUDY.—The Secretary of Homeland Security, in
7 coordination with the Secretary of Defense and the heads
8 of other relevant Federal agencies, shall conduct a study
9 in order to identify gaps in resources that contribute to
10 low interdiction rates for maritime noncommercial smug-
11 gling of illicit drugs into the United States from Central
12 America and South America despite having actionable in-
13 telligence on more than 80 percent of drug movements in
14 the transit zones of the Eastern Pacific Ocean, Caribbean
15 Sea, and Southern maritime border approaches.

16 (c) REPORT.—Not later than 1 year after the date
17 of the enactment of this Act, the Secretary of Homeland
18 Security shall submit to the Committee on Commerce,
19 Science, and Transportation of the Senate and the Com-
20 mittee on Transportation and Infrastructure of the House
21 of Representatives a report on the results of the study
22 under subsection (b).

21 tions of the Coast Guard based on the current and
22 potential effects of rising temperatures, rising sea
23 levels, increased flooding, drought, desertification,
24 wildfires, thawing permafrost, changing ice condi-
25 tions, other extreme weather events, and any other
26 effects the Commandant considers necessary.

1 (2) An overview of mitigations that may be nec-
2 essary to ensure the continued operational viability
3 and to increase the resiliency of the installations list-
4 ed under paragraph (1) and the cost of such mitiga-
5 tions.

6 (3) A discussion of the current and potential ef-
7 fects of rising temperatures, rising sea levels, in-
8 creased flooding, drought, desertification, wildfires,

20 (A) predicting the outcome of investments
21 in shore infrastructure;

22 (B) analyzing tradeoffs; and

24 investments;

6 force, including members of the Senior Executive

9 the Commandant shall brief the Committee on Commerce,
10 Science, and Transportation of the Senate and the Com-
11 mittee on Transportation and Infrastructure of the House
12 of Representatives with respect to the status of the actions
13 required under subsection (a).

14 **SEC. 427. COAST GUARD ARCTIC PRIORITIZATION.**

15 (a) FINDINGS.—Congress makes the following find-
16 ings:

17 (1) The strategic importance of the Arctic con-
18 tinues to increase as the United States and other
19 countries recognize the military significance of the
20 sea lanes and choke points within the region and un-
21 derstand the potential for power projection from the
22 Arctic into multiple regions.

23 (2) Russia and China have conducted military
24 exercises together in the Arctic, have agreed to con-
25 nect the Northern Sea Route, claimed by Russia,

1 with China's Maritime Silk Road, and are working
2 together in developing natural gas resources in the
3 Arctic.

4 (3) The economic significance of the Arctic con-
5 tinues to grow as countries around the globe begin
6 to understand the potential for maritime transpor-
7 tation through, and economic and trade development
8 in, the region.

9 (4) Increases in human, maritime, and resource
10 development activity in the Arctic region may create
11 additional mission requirements for the Department
12 of Defense and the Department of Homeland Secu-
13 rity.

14 (5) The increasing role of the United States in
15 the Arctic has been highlighted in each of the last
16 four National Defense Authorization Acts.

17 (6) The United States Coast Guard Arctic
18 Strategic Outlook released in April 2019 states,
19 "Demonstrating commitment to operational pres-
20 ence, Canada, Denmark, and Norway have made
21 strategic investments in ice-capable patrol ships
22 charged with national or homeland security missions.
23 [The United States] is the only Arctic State that
24 has not made similar investments in ice-capable sur-
25 face maritime security assets. This limits the ability

1 of the Coast Guard, and the Nation, to credibly up-
2 hold sovereignty or respond to contingencies in the
3 Arctic.”.

4 (b) SENSE OF CONGRESS.—It is the sense of Con-
5 gress that—

6 (1) the Arctic is a region of strategic impor-
7 tance to the national security interests of the United
8 States, and the Coast Guard must better align its
9 mission prioritization and development of capabilities
10 to meet the growing array of challenges in the re-
11 gion;

12 (2) the increasing freedom of navigation and
13 expansion of activity in the Arctic must be met with
14 an increasing show of Coast Guard forces capable of
15 exerting influence through persistent presence;

16 (3) Congress fully supports the needed and im-
17 portant re-capitalization of the fleet of cutters and
18 aircraft of the Coast Guard, but, the Coast Guard
19 must avoid overextending operational assets for re-
20 mote international missions at the cost of dedicated
21 focus on this domestic area of responsibility with
22 significant international interest and activity; and

23 (4) although some progress has been made to
24 increase awareness of Arctic issues and to promote
25 increased presence in the region, additional meas-

1 ures are needed to protect vital economic, environ-
 2 mental, and national security interests of the United
 3 States, and to show the commitment of the United
 4 States to this emerging strategic choke point of in-
 5 creasing great power competition.

6 (c) ARCTIC DEFINED.—In this section, the term
 7 “Arctic” has the meaning given that term in section 112
 8 of the Arctic Research and Policy Act of 1984 (15 U.S.C.
 9 4111).
