

116TH CONGRESS
1ST SESSION

S. 2343

To amend the Endangered Species Act of 1973 to permit Governors of States to regulate intrastate endangered species and intrastate threatened species, to amend the Migratory Bird Treaty Act to permit the taking of certain black vultures and ravens, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JULY 30, 2019

Mr. PAUL (for himself and Mr. CRUZ) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To amend the Endangered Species Act of 1973 to permit Governors of States to regulate intrastate endangered species and intrastate threatened species, to amend the Migratory Bird Treaty Act to permit the taking of certain black vultures and ravens, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Endangered Species
5 Management Self-Determination Act”.

1 **SEC. 2. DEFINITION OF ESA.**

2 In this Act, the term “ESA” means the Endangered
3 Species Act of 1973 (16 U.S.C. 1531 et seq.).

4 **SEC. 3. FINDINGS.**

5 Congress finds that—

6 (1) the ESA was passed in 1973 as a means of
7 protecting and recovering species and has not been
8 substantially revised in over 25 years;

9 (2) the ESA has not achieved its stated goal of
10 recovering threatened species or endangered species;

11 (3) of the species listed in accordance with the
12 ESA, less than 1 percent of the total number of spe-
13 cies in the United States have been recovered and
14 removed from the list, largely due to data errors or
15 other factors;

16 (4) there is—

17 (A) no comprehensive independent study of
18 the costs or benefits of the ESA;

19 (B) no full accounting of how much the
20 Federal Government and State and local gov-
21 ernments spend to implement, enforce, and
22 comply with the ESA; and

23 (C) no meaningful effort to account for the
24 costs the ESA imposes on the private sector;

1 (5) the ESA effectively penalizes landowners for
2 owning endangered species habitat by forcing them
3 to bear the cost of conservation;

4 (6) the regulatory listing process under the
5 ESA has become a tool for environmentalists to un-
6 dermine, slow down, or halt construction of infra-
7 structure projects, hampering economic growth and
8 employment; and

9 (7) litigation stemming from the ESA and some
10 resulting settlements between the litigants and the
11 Federal Government have made the ESA even more
12 unworkable, to the detriment of species.

13 **SEC. 4. AMENDMENTS TO THE ENDANGERED SPECIES ACT**
14 **OF 1973.**
