A BILL

To provide for disclosure of additional material information about public companies and establish a Sustainable Finance Advisory Committee, and for other purposes.
Be it enacted by the Senate and House of Representa-
tives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “ESG Disclosure Sim-
plification Act of 2021”.

SEC. 2. FINDINGS.

Congress finds the following:

(1) The Securities and Exchange Commission
has broad authority to require the disclosure of infor-
mation if such information is in the interest of, or is
material to investors.

(2) The Commission does not require companies
to disclose information related to environmental, so-
cial, and governance (“ESG”) matters, and does not
require companies to adhere to standards for dis-
closing such information.

(3) Investors have reported that voluntary disclo-
sures of ESG metrics are inadequate.

(4) A rule requiring reporting and standardiza-
tion of ESG disclosures is in the interest of investors.

(5) ESG matters are material to investors, and
the Commission must establish standards for disclo-
sure of such matters.
SEC. 3. ESG DISCLOSURES.

that ESG metrics, as such term is defined by the

of 1933.

(4) INCORPORATION OF INTERNATIONAL STAND-
ARDS.—When amending part 210 of title 17, Code of

ant to paragraph (1), the Commission may, as the
Commission determines appropriate, incorporate any
internationally recognized, independent, multi-stakeholder environmental, social, and governance disclosure standards.

(5) LOCATION OF DISCLOSURE.—Any disclosure required by paragraph (1) may be included in a notes section of the filing.

(6) DELAY FOR SMALL ISSUERS.—The Commission may use a phased approach when applying any amendments made pursuant to paragraph (1) to small issuers and may determine the criteria by which an issuer qualifies as a small issuer for purposes of such phased approach.
