1 SEC. 3. FINDINGS OF GENERAL CONSTITUTIONAL AUTHORITY.
2
3 Congress finds that the Constitution of the United States grants explicit and broad authority to protect the
right to vote, to regulate elections for Federal office, to
prevent and remedy discrimination in voting, and to de-
fend the Nation’s democratic process. Congress enacts the
“For the People Act of 2021” pursuant to this broad au-

tority, including but not limited to the following:

(1) Congress finds that it has broad authority
to regulate the time, place, and manner of congres-
sional elections under the Elections Clause of the
Constitution, article I, section 4, clause 1. The Su-
preme Court has affirmed that the “substantive
scope” of the Elections Clause is “broad”; that
“Times, Places, and Manner” are “comprehensive
words which embrace authority to provide for a com-
plete code for congressional elections”; and “[t]he
power of Congress over the Times, Places and Man-
ner of congressional elections is paramount, and may
be exercised at any time, and to any extent which
it deems expedient; and so far as it is exercised, and
no farther, the regulations effected supersede those
of the State which are inconsistent therewith”. Ari-
izona v. Inter Tribal Council of Arizona, 570 U.S. 1,
8–9 (2013) (internal quotation marks and citations
omitted). Indeed, “Congress has plenary and para-
mount jurisdiction over the whole subject” of con-
gressional elections, Ex parte Siebold, 100 U.S. (10
Otto) 371, 388 (1879), and this power “may be exercised as and when Congress sees fit”, and “so far as it extends and conflicts with the regulations of the State, necessarily supersedes them”. Id. At 384. Among other things, Congress finds that the Elections Clause was intended to “vindicate the people’s right to equality of representation in the House”. Wesberry v. Sanders, 376 U.S. 1, 16 (1964), and to address partisan gerrymandering, Rucho v. Common Cause, 588 U.S. ______, 32–33 (2019).

(2) Congress also finds that it has both the authority and responsibility, as the legislative body for the United States, to fulfill the promise of article IV, section 4, of the Constitution, which states: “The United States shall guarantee to every State in this Union a Republican Form of Government[.]”. Congress finds that its authority and responsibility to enforce the Guarantee Clause is particularly strong given that Federal courts have not enforced this clause because they understood that its enforcement is committed to Congress by the Constitution.

(3)(A) Congress also finds that it has broad authority pursuant to section 5 of the Fourteenth Amendment to legislate to enforce the provisions of
the Fourteenth Amendment, including its protections of the right to vote and the democratic process.

(B) Section 1 of the Fourteenth Amendment protects the fundamental right to vote, which is “of the most fundamental significance under our constitutional structure”. Ill. Bd. of Election v. Socialist Workers Party, 440 U.S. 173, 184 (1979); see United States v. Classic, 313 U.S. 299 (1941) (“Obviously included within the right to choose, secured by the Constitution, is the right of qualified voters within a state to cast their ballots and have them counted . . .”). As the Supreme Court has repeatedly affirmed, the right to vote is “preservative of all rights”, Yick Wo v. Hopkins, 118 U.S. 356, 370 (1886). Section 2 of the Fourteenth Amendment also protects the right to vote, granting Congress additional authority to reduce a State’s representation in Congress when the right to vote is abridged or denied.

(C) As a result, Congress finds that it has the authority pursuant to section 5 of the Fourteenth Amendment to protect the right to vote. Congress also finds that States and localities have eroded access to the right to vote through restrictions on the right to vote including excessively onerous voter
identification requirements, burdensome voter registration procedures, voter purges, limited and unequal access to voting by mail, polling place closures, unequal distribution of election resources, and other impediments.

(D) Congress also finds that “the right of suffrage can be denied by a debasement or dilution of the weight of a citizen’s vote just as effectively as by wholly prohibiting the free exercise of the franchise”. Reynolds v. Sims, 377 U.S. 533, 555 (1964). Congress finds that the right of suffrage has been so diluted and debased by means of gerrymandering of districts. Congress finds that it has authority pursuant to section 5 of the Fourteenth Amendment to remedy this debasement.

(4)(A) Congress also finds that it has authority to legislate to eliminate racial discrimination in voting and the democratic process pursuant to both section 5 of the Fourteenth Amendment, which grants equal protection of the laws, and section 2 of the Fifteenth Amendment, which explicitly bars denial or abridgment of the right to vote on account of race, color, or previous condition of servitude.

(B) Congress finds that racial discrimination in access to voting and the political process persists.
Voting restrictions, redistricting, and other electoral practices and processes continue to disproportionately impact communities of color in the United States and do so as a result of both intentional racial discrimination, structural racism, and the ongoing structural socioeconomic effects of historical racial discrimination.

(C) Recent elections and studies have shown that minority communities wait longer in lines to vote, are more likely to have their mail ballots rejected, continue to face intimidation at the polls, are more likely to be disenfranchised by voter purges, and are disproportionately burdened by voter identification and other voter restrictions. Research shows that communities of color are more likely to face nearly every barrier to voting than their white counterparts.

(D) Congress finds that racial disparities in disenfranchisement due to past felony convictions is particularly stark. In 2020, according to the Sentencing Project, an estimated 5,200,000 Americans could not vote due to a felony conviction. One in 16 African Americans of voting age is disenfranchised, a rate 3.7 times greater than that of non-African Americans. In seven States—Alabama, Florida, Ken-
tucky, Mississippi, Tennessee, Virginia, and Wyoming—more than one in seven African Americans is disenfranchised, twice the national average for African Americans. Congress finds that felony disenfranchisement was one of the tools of intentional racial discrimination during the Jim Crow era. Congress further finds that current racial disparities in felony disenfranchisement are linked to this history of voter suppression, structural racism in the criminal justice system, and ongoing effects of historical discrimination.

(5)(A) Congress finds that it further has the power to protect the right to vote from denial or abridgment on account of sex, age, or ability to pay a poll tax or other tax pursuant to the Nineteenth, Twenty-Fourth, and Twenty-Sixth Amendments.

(B) Congress finds that electoral practices including voting rights restoration conditions for people with convictions, voter identification requirements, and other restrictions to the franchise burden voters on account of their ability to pay.

(C) Congress further finds that electoral practices including voting restrictions related to college campuses, age restrictions on mail voting, and simi-
lar practices burden the right to vote on account of age.

SEC. 4. STANDARDS FOR JUDICIAL REVIEW.

(a) In General.—For any action brought for declaratory or injunctive relief to challenge, whether facially or as-applied, the constitutionality or lawfulness of any provision of this Act or any amendment made by this Act or any rule or regulation promulgated under this Act, the following rules shall apply:

(1) The action shall be filed in the United States District Court for the District of Columbia and an appeal from the decision of the district court may be taken to the Court of Appeals for the District of Columbia Circuit. These courts, and the Supreme Court of the United States on a writ of certiorari (if such a writ is issued), shall have exclusive jurisdiction to hear such actions.

(2) The party filing the action shall concurrently deliver a copy the complaint to the Clerk of the House of Representatives and the Secretary of the Senate.

(3) It shall be the duty of the United States District Court for the District of Columbia and the Court of Appeals for the District of Columbia Circuit to advance on the docket and to expedite to the
greatest possible extent the disposition of the action
and appeal.

(b) Clarifying Scope of Jurisdiction.—If an ac-
tion at the time of its commencement is not subject to
subsection (a), but an amendment, counterclaim, cross-
claim, affirmative defense, or any other pleading or motion
is filed challenging, whether facially or as-applied, the con-
stitutionality or lawfulness of this Act or any amendment
made by this Act or any rule or regulation promulgated
under this Act, the district court shall transfer the action
to the District Court for the District of Columbia, and
the action shall thereafter be conducted pursuant to sub-
section (a).

(e) Intervention by Members of Congress.—In
any action described in subsection (a), any Member of the
House of Representatives (including a Delegate or Resi-
dent Commissioner to the Congress) or Senate shall have
the right to intervene either in support of or opposition
to the position of a party to the case regarding the con-
stitutionality of the provision. To avoid duplication of ef-
forts and reduce the burdens placed on the parties to the
action, the court in any such action may make such orders
as it considers necessary, including orders to require
interveners taking similar positions to file joint papers or
to be represented by a single attorney at oral argument.

(A) the right to vote is a fundamental right of citizens of the United States;

(B) it is the responsibility of the State and Federal Governments to ensure that every eligible citizen is registered to vote;

(D) voter registration systems must be updated with 21st Century technologies and procedures to maintain their security.
(2) Purpose.—It is the purpose of this part—

(A) to establish that it is the responsibility of government at every level to ensure that all eligible citizens are registered to vote in elections for Federal office;

(B) to enable the State and Federal Governments to register all eligible citizens to vote with accurate, cost-efficient, and up-to-date procedures;

(C) to modernize voter registration and list maintenance procedures with electronic and internet capabilities; and

(D) to protect and enhance the integrity, accuracy, efficiency, and accessibility of the electoral process for all eligible citizens.

SEC. 1012. AUTOMATIC REGISTRATION OF ELIGIBLE INDIVIDUALS.

(a) Requiring States To Establish and Operate Automatic Registration System.—

(1) In general.—The chief State election official of each State shall establish and operate a system of automatic registration for the registration of eligible individuals to vote for elections for Federal office in the State, in accordance with the provisions of this part.
(2) **Definition.**—The term “automatic registration” means a system that registers an individual to vote in elections for Federal office in a State, if eligible, by electronically transferring the information necessary for registration from government agencies to election officials of the State so that, unless the individual affirmatively declines to be registered, the individual will be registered to vote in such elections.

(b) **Registration of Voters Based on New Agency Records.**—The chief State election official shall—

(1) not later than 15 days after a contributing agency has transmitted information with respect to an individual pursuant to section 1013, ensure that the individual is registered to vote in elections for Federal office in the State if the individual is eligible to be registered to vote in such elections; and

(2) not later than 120 days after a contributing agency has transmitted such information with respect to the individual, send written notice to the individual, in addition to other means of notice established by this part, of the individual’s voter registration status.
(c) **One-Time Registration of Voters Based on Existing Contributing Agency Records.**—The chief State election official shall—

(1) identify all individuals whose information is transmitted by a contributing agency pursuant to section 1014 and who are eligible to be, but are not currently, registered to vote in that State;

(2) promptly send each such individual written notice, in addition to other means of notice established by this part, which shall not identify the contributing agency that transmitted the information but shall include—

(A) an explanation that voter registration is voluntary, but if the individual does not decline registration, the individual will be registered to vote;

(B) a statement offering the opportunity to decline voter registration through means consistent with the requirements of this part;

(C) in the case of a State in which affiliation or enrollment with a political party is required in order to participate in an election to select the party’s candidate in an election for Federal office, a statement offering the individual the opportunity to affiliate or enroll with

(D) the substantive qualifications of an elector in the State as listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993, the consequences of false registration, and a statement that the individual should decline to register if the individual does not meet all those qualifications;

(F) instructions for providing any additional information which is listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993; and

sold and with whom, what information is automatically kept confidential, what information is needed to access voter information online, and what privacy programs are available, such as those described in section 1056;

(3) ensure that each such individual who is eligible to register to vote in elections for Federal office in the State is promptly registered to vote not later than 45 days after the official sends the individual the written notice under paragraph (2), unless, during the 30-day period which begins on the date the election official sends the individual such written notice, the individual declines registration in writing, through a communication made over the internet, or by an officially logged telephone communication; and

(d) TREATMENT OF INDIVIDUALS UNDER 18 YEARS OF AGE.—A State may not refuse to treat an individual as an eligible individual for purposes of this part on the grounds that the individual is less than 18 years of age at the time a contributing agency receives information
with respect to the individual, so long as the individual
is at least 16 years of age at such time. Nothing in the
previous sentence may be construed to require a State to
permit an individual who is under 18 years of age at the
time of an election for Federal office to vote in the elec-
tion.

(e) CONTRIBUTING AGENCY DEFINED.—In this part,
the term “contributing agency” means, with respect to a

(H) Any additional information listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration
Act of 1993, including any valid driver’s license number or the last 4 digits of the individual’s social security number, if the individual provided such information.

(c) Alternate Procedure for Certain Contributing Agencies.—With each application for service or assistance, and with each related recertification, renewal, or change of address, any contributing agency that in the normal course of its operations does not request individuals applying for service or assistance to affirm United States citizenship (either directly or as part of the overall application for service or assistance) shall—

(d) Required Availability of Automatic Registration Opportunity With Each Application for
SERVICE OR ASSISTANCE.—Each contributing agency shall offer each individual, with each application for service or assistance, and with each related recertification, renewal, or change of address, or in the case of an institution of higher education, with each registration of a student for enrollment in a course of study, the opportunity to register to vote as prescribed by this section without regard to whether the individual previously declined a registration opportunity.

Subtitle E—Democracy Restoration

SEC. 1401. SHORT TITLE.

This subtitle may be cited as the “Democracy Restoration Act of 2021”.

SEC. 1402. FINDINGS.

Congress makes the following findings:

(1) The right to vote is the most basic constitutive act of citizenship. Regaining the right to vote reintegrates individuals with criminal convictions into free society, helping to enhance public safety.
(2) Article I, section 4, of the Constitution grants Congress ultimate supervisory power over Federal elections, an authority which has repeatedly been upheld by the Supreme Court.

(3) Basic constitutional principles of fairness and equal protection require an equal opportunity for citizens of the United States to vote in Federal elections. The right to vote may not be abridged or denied by the United States or by any State on account of race, color, gender, or previous condition of servitude. The 13th, 14th, 15th, 19th, 24th, and 26th Amendments to the Constitution empower Congress to enact measures to protect the right to vote in Federal elections. The 8th Amendment to the Constitution provides for no excessive bail to be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

(4) There are 3 areas in which discrepancies in State laws regarding criminal convictions lead to unfairness in Federal elections:

(A) The lack of a uniform standard for voting in Federal elections leads to an unfair disparity and unequal participation in Federal elections based solely on where a person lives.
(B) Laws governing the restoration of voting rights after a criminal conviction vary throughout the country, and persons in some States can easily regain their voting rights while in other States persons effectively lose their right to vote permanently.

(C) State disenfranchisement laws disproportionately impact racial and ethnic minorities.

(5) Two States (Maine and Vermont), the District of Columbia, and the Commonwealth of Puerto Rico do not disenfranchise individuals with criminal convictions at all, but 48 States have laws that deny convicted individuals the right to vote while they are in prison.

(6) In some States disenfranchisement results from varying State laws that restrict voting while individuals are under the supervision of the criminal justice system or after they have completed a criminal sentence. In 30 States, convicted individuals may not vote while they are on parole and 27 States disenfranchise individuals on felony probation as well. In 11 States, a conviction can result in lifetime disenfranchisement.
Several States deny the right to vote to individuals convicted of certain misdemeanors.

An estimated 5,200,000 citizens of the United States, or about 1 in 44 adults in the United States, currently cannot vote as a result of a felony conviction. Of the 5,200,000 citizens barred from voting, only 24 percent are in prison. By contrast, 75 percent of the disenfranchised reside in their communities while on probation or parole or after having completed their sentences. Approximately 2,200,000 citizens who have completed their sentences remain disenfranchised due to restrictive State laws. In at least 6 States—Alabama, Florida, Kentucky, Mississippi, Tennessee, and Virginia—more than 5 percent of the total voting-age population is disenfranchised.

In those States that disenfranchise individuals post-sentence, the right to vote can be regained in theory, but in practice this possibility is often granted in a non-uniform and potentially discriminatory manner. Disenfranchised individuals must either obtain a pardon or an order from the Governor or an action by the parole or pardon board, depending on the offense and State. Individuals convicted
of a Federal offense often have additional barriers to regaining voting rights.

(10) State disenfranchisement laws disproportionately impact racial and ethnic minorities. More than 6 percent of the African-American voting-age population, or 1,800,000 African Americans, are disenfranchised. Currently, 1 of every 16 voting-age African Americans are rendered unable to vote because of felony disenfranchisement, which is a rate more than 3.7 times greater than non-African Americans. Over 6 percent of African-American adults are disenfranchised whereas only 1.7 percent of non-African Americans are. In 7 States (Alabama, 16 percent; Florida, 15 percent; Kentucky, 15 percent; Mississippi, 16 percent; Tennessee, 21 percent; Virginia, 16 percent; and Wyoming, 36 percent), more than 1 in 7 African Americans are unable to vote because of prior convictions, twice the national average for African Americans.

(11) Latino citizens are disproportionately disenfranchised based upon their disproportionate representation in the criminal justice system. In recent years, Latinos have been imprisoned at 2.5 times the rate of Whites. More than 2 percent of the voting-age Latino population, or 560,000 Latinos,
are disenfranchised due to a felony conviction. In 34
states Latinos are disenfranchised at a higher rate
than the general population. In 11 states 4 percent
or more of Latino adults are disenfranchised due to
a felony conviction (Alabama, 4 percent; Arizona, 7
percent; Arkansas, 4 percent; Idaho, 4 percent;
Iowa, 4 percent; Kentucky, 6 percent; Minnesota, 4
percent; Mississippi, 5 percent; Nebraska, 6 percent;
Tennessee, 11 percent, Wyoming, 4 percent), twice
the national average for Latinos.

(12) Disenfranchising citizens who have been
convicted of a criminal offense and who are living
and working in the community serves no compelling
State interest and hinders their rehabilitation and
reintegration into society.

(13) State disenfranchisement laws can sup-
press electoral participation among eligible voters by
discouraging voting among family and community
members of disenfranchised persons. Future elec-
toral participation by the children of disenfranchised
parents may be impacted as well.

(14) The United States is the only Western de-
mocracy that permits the permanent denial of voting
rights for individuals with felony convictions.
SEC. 1403. RIGHTS OF CITIZENS.

The right of an individual who is a citizen of the United States to vote in any election for Federal office shall not be denied or abridged because that individual has been convicted of a criminal offense unless such individual is serving a felony sentence in a correctional institution or facility at the time of the election.

“(A) Voter-verified paper ballots.—

“(i) Paper ballot requirement.—

(I) The voting system shall require the use of an individual, durable, voter-verified paper ballot of the voter’s vote that shall be marked and made available for inspection and verification by the voter before the voter’s vote is cast and counted, and which shall be counted by hand or read by an optical character recognition device or other counting device. For purposes of this subclause, the term ‘individual, durable, voter-verified paper ballot’ means a paper ballot marked by the voter by hand or a paper ballot marked through the use of a nontabulating ballot marking device or system, so long as the voter shall have the option to mark his or her ballot by hand.

“(II) The voting system shall provide the voter with an opportunity to correct any error on the paper ballot before the permanent voter-verified paper ballot is preserved in accordance with clause (ii).

“(III) The voting system shall not preserve the voter-verified paper ballots in
any manner that makes it possible, at any
time after the ballot has been cast, to asso-

vote without the voter’s consent.

“(ii) Preservation as official
record.—The individual, durable, voter-
verified paper ballot used in accordance

the paper ballots have been com-
promised (by damage or mischief or
otherwise) and that a sufficient num-

the determination of the appropriate rem-

“(B) Readability requirements for paper ballots marked by ballot marking device.—All voter-verified paper ballots completed by the voter through the use of a ballot marking device shall be clearly readable by the voter without assistance (other than eyeglasses or other personal vision enhancing devices) and by an optical character recognition device or other device equipped for individuals with disabilities.”.

“(2) SPECIAL RULE FOR CERTAIN REQUIREMENTS.—

“(A) IN GENERAL.—Except as provided in subparagraphs (B) and (C), the requirements of this section which are first imposed on a State and jurisdiction pursuant to the amendments made by the Voter Confidence and Increased Accessibility Act of 2021 shall apply with respect to voting systems used for any election for Federal office held in 2022 or any succeeding year.

“(B) DELAY FOR JURISDICTIONS USING CERTAIN PAPER RECORD PRINTERS OR CERTAIN
SYSTEMS USING OR PRODUCING VOTER-VERIFIABLE PAPER RECORDS IN 2020.—

“(i) Delay.—In the case of a jurisdiction described in clause (ii), subparagraph (A) shall apply to a voting system in the jurisdiction as if the reference in such subparagraph to ‘2022’ were a reference to ‘2024’, but only with respect to the following requirements of this section:

“(I) Paragraph (2)(A)(i)(I) of subsection (a) (relating to the use of voter-verifiable paper ballots).

“(II) Paragraph (3)(B)(ii)(I) and (II) of subsection (a) (relating to access to verification from and casting of the durable paper ballot).

“(III) Paragraph (7) of subsection (a) (relating to durability and readability requirements for ballots).

“(ii) Jurisdictions Described.—A jurisdiction described in this clause is a jurisdiction—

“(I) which used voter verifiable paper record printers attached to direct recording electronic voting ma-
chines, or which used other voting systems that used or produced paper records of the vote verifiable by voters but that are not in compliance with paragraphs (2)(A)(i)(I), (3)(B)(iii)(i) and (II), and (7) of subsection (a) (as amended or added by the Voter Confidence and Increased Accessibility Act of 2021), for the administration of the regularly scheduled general election for Federal office held in November 2020; and

“(II) which will continue to use such printers or systems for the administration of elections for Federal office held in years before 2024.

“(iii) Mandatory availability of paper ballots at polling places using grandfathered printers and systems.—

“(I) Requiring ballots to be offered and provided.—The appropriate election official at each polling place that uses a printer or system described in clause (ii)(I) for the
administration of elections for Federal office shall offer each individual who is eligible to cast a vote in the election at the polling place the opportunity to cast the vote using a blank pre-printed paper ballot which the individual may mark by hand and which is not produced by the direct recording electronic voting machine or other such system. The official shall provide the individual with the ballot and the supplies necessary to mark the ballot, and shall ensure (to the greatest extent practicable) that the waiting period for the individual to cast a vote is the lesser of 30 minutes or the average waiting period for an individual who does not agree to cast the vote using such a paper ballot under this clause.

“(II) Treatment of ballot.—Any paper ballot which is cast by an individual under this clause shall be counted and otherwise treated as a regular ballot for all purposes (including by incorporating it into the final

otherwise been required to cast a pro-
visional ballot.

“(III) POSTING OF NOTICE.—
The appropriate election official shall
ensure there is prominently displayed
at each polling place a notice that de-

offer individuals the opportunity to
cast votes using a pre-printed blank
paper ballot. The notice shall take
into consideration factors including
the linguistic preferences of voters in
the jurisdiction.

“(IV) TRAINING OF ELECTION
OFFICIALS.—The chief State election
official shall ensure that election offi-
cials at polling places in the State are
aware of the requirements of this
clause, including the requirement to
display a notice under subclause (III),
and are aware that it is a violation of
the requirements of this title for an
election official to fail to offer an indi-
vidual the opportunity to cast a vote
using a blank pre-printed paper ballot.

“(V) PERIOD OF APPLICABILITY.—The requirements of this
clause apply only during the period in
which the delay is in effect under
clause (i).

“(C) SPECIAL RULE FOR JURISDICTIONS
USING CERTAIN NONTABULATING BALLOT
MARKING DEVICES.—In the case of a jurisdi-
tion which uses a nontabulating ballot marking
device which automatically deposits the ballot
into a privacy sleeve, subparagraph (A) shall
apply to a voting system in the jurisdiction as
if the reference in such subparagraph to ‘any
election for Federal office held in 2022 or any
succeeding year’ were a reference to ‘elections
for Federal office occurring held in 2024 or
each succeeding year’, but only with respect to
paragraph (3)(B)(iii)(II) of subsection (a) (re-

“(2) ADMINISTRATION OF VOTING BY MAIL.—

“(A) PROHIBITING IDENTIFICATION REQUIREMENT AS CONDITION OF OBTAINING BALLOT.—A State may not require an individual to provide any form of identification as a condition of obtaining an absentee ballot, except that nothing in this paragraph may be construed to prevent a State from requiring a signature of
the individual or similar affirmation as a condition of obtaining an absentee ballot.

“(B) Prohibiting requirement to provide notarization or witness signature as condition of obtaining or casting ballot.—A State may not require notarization or witness signature or other formal authentication (other than voter attestation) as a condition of obtaining or casting an absentee ballot.

“(b) Due process requirements for States requiring signature verification.—

“(1) Requirement.—
“(A) IN GENERAL.—A State may not impose a signature verification requirement as a condition of accepting and counting an absentee ballot submitted by any individual with respect to an election for Federal office unless the State meets the due process requirements described in paragraph (2).

“(B) SIGNATURE VERIFICATION REQUIREMENT DESCRIBED.—In this subsection, a ‘signature verification requirement’ is a requirement that an election official verify the identification of an individual by comparing the individual’s signature on the absentee ballot with the individual’s signature on the official list of registered voters in the State or another official record or other document used by the State to verify the signatures of voters.

“(2) DUE PROCESS REQUIREMENTS.—

“(A) NOTICE AND OPPORTUNITY TO CURE DISCREPANCY IN SIGNATURES.—If an individual submits an absentee ballot and the appropriate State or local election official determines that a discrepancy exists between the signature on such ballot and the signature of such individual on the official list of registered voters
in the State or other official record or document used by the State to verify the signatures of voters, such election official, prior to making a final determination as to the validity of such ballot, shall—

“(i) make a good faith effort to immediately notify the individual by mail, telephone, and (if available) text message and electronic mail that—

“(B) NOTICE AND OPPORTUNITY TO CURE MISS-
missing signature or other defect.—If an
individual submits an absentee ballot without a
signature or submits an absentee ballot with
another defect which, if left uncured, would
cause the ballot to not be counted, the appro-
priate State or local election official, prior to
making a final determination as to the validity
of the ballot, shall—

“(i) make a good faith effort to imme-
diately notify the individual by mail, tele-
phone, and (if available) text message and
electronic mail that—

signature or has some other defect,
and

on the date the official notifies the in-
individual that the ballot did not include
a signature or has some other defect,
such ballot will not be counted; and

“(ii) count the ballot if, prior to the
expiration of the 10-day period described
in clause (i)(II), the individual provides the
official with the missing signature on a
form proscribed by the State or cures the
other defect.

“(C) OTHER REQUIREMENTS.—An election
official may not make a determination that a
discrepancy exists between the signature on an

record or other document used by the State to
verify the signatures of voters unless—

“(B) EXCEPTION FOR INDIVIDUALS ALREADY RECEIVING APPLICATIONS AUTOMATICALLY.—Subparagraph (A) does not apply with respect to an individual to whom the State is already required to transmit an application for an absentee ballot for the election because the individual exercised the option described in subparagraph (D) of paragraph (2) to treat an application for an absentee ballot in a previous election for Federal office in the State as an ap-
application for an absentee ballot in all subsequent elections for Federal office in the State.

“(C) Exception for states transmitting ballots without application.—Subparagraph (A) does not apply with respect to a State which transmits a ballot in an election for Federal office in the State to a voter prior to the date of the election without regard to whether or not the voter submitted an application for the ballot to the State.

“(ii) request that a paper copy of the application be transmitted to the individual by mail or electronic mail so that the individual may complete the application and return it to the official.

“(C) Ensuring delivery prior to election.—If an individual who is eligible to vote in an election for Federal office submits an application for an absentee ballot in the elec-

“(D) Application for all future elections.—At the option of an individual, a State shall treat the individual’s application to vote by absentee ballot by mail in an election for Federal office as an application for an absentee ballot by mail in all subsequent Federal elections held in the State.

“(e) Uniform Deadline for Acceptance of Mailed Ballots.—

“(1) In General.—A State may not refuse to accept or process a ballot submitted by an individual by mail with respect to an election for Federal office in the State on the grounds that the individual did not meet a deadline for returning the ballot to the appropriate State or local election official if—

“(A) the ballot is postmarked or otherwise indicated by the United States Postal Service to have been mailed on or before the date of the election, or has been signed by the voter on or before the date of the election; and

“(B) the ballot is received by the appropriate election official prior to the expiration of the 10-day period which begins on the date of the election.

“(f) ALTERNATIVE METHODS OF RETURNING BALLOTS.—

“(1) IN GENERAL.—In addition to permitting an individual to whom a ballot in an election was provided under this section to return the ballot to an election official by mail, the State shall permit the individual to cast the ballot by delivering the ballot at such times and to such locations as the State may establish, including—

“(A) permitting the individual to deliver the ballot to a polling place on any date on which voting in the election is held at the polling place; and

“(2) PERMITTING VOTERS TO DESIGNATE OTHER PERSON TO RETURN BALLOT.—The State—

Subtitle A—Findings Reaffirming Commitment of Congress to Restore the Voting Rights Act

SEC. 2001. FINDINGS REAFFIRMING COMMITMENT OF CONGRESS TO RESTORE THE VOTING RIGHTS ACT.

(a) FINDINGS.—Congress finds the following:

(1) The right to vote for all Americans is a fundamental right guaranteed by the United States Constitution.

(2) Federal, State, and local governments should protect the right to vote and promote voter participation across all demographics.

(3) The Voting Rights Act has empowered the Department of Justice and Federal courts for nearly a half a century to block discriminatory voting practices before their implementation in States and local-
ities with the most troubling histories, ongoing records of racial discrimination, and demonstrations of lower participation rates for protected classes.

(4) There continues to be an alarming movement to erect barriers to make it more difficult for Americans to participate in our Nation’s democratic process. The Nation has witnessed unprecedented efforts to turn back the clock and enact suppressive laws that block access to the franchise for communities of color which have faced historic and continuing discrimination, as well as disabled, young, elderly, and low-income Americans.

(5) The Supreme Court’s decision in *Shelby County v. Holder* (570 U.S. 529 (2013)), gutted decades-long Federal protections for communities of color and language-minority populations facing ongoing discrimination, emboldening States and local jurisdictions to pass voter suppression laws and implement procedures, like those requiring photo identification, limiting early voting hours, eliminating same-day registration, purging voters from the rolls, and reducing the number of polling places.

(6) Racial discrimination in voting is a clear and persistent problem. The actions of States and localities around the country post-Shelby County, in-
including at least 10 findings by Federal courts of intentional discrimination, underscored the need for Congress to conduct investigatory and evidentiary hearings to determine the legislation necessary to restore the Voting Rights Act and combat continuing efforts in America that suppress the free exercise of the franchise in Black and other communities of color.

(7) Evidence of discriminatory voting practice spans from decades ago through to the past several election cycles. The 2018 midterm elections, for example, demonstrated ongoing discrimination in voting.

(8) During the 116th Congress, congressional committees in the House of Representatives held numerous hearings, collecting substantial testimony and other evidence which underscored the need to pass a restoration of the Voting Rights Act.

(9) On December 6, 2019, the House of Representatives passed the John R. Lewis Voting Rights Advancement Act, which would restore and modernize the Voting Rights Act, in accordance with language from the Shelby County decision. Congress reaffirms that the barriers faced by too many voters across this Nation when trying to cast their ballot
necessitate reintroduction of many of the protections once afforded by the Voting Rights Act.

(10) The 2020 primary and general elections provide further evidence that systemic voter discrimination and intimidation continues to occur in communities of color across the country, making it clear that full access to the franchise will not be achieved until Congress restores key provisions of the Voting Rights Act.

(11) As of late-February 2021, 43 States had introduced, prefilled, or carried over 253 bills to restrict voting access that, primarily, limit mail voting access, impose stricter voter ID requirements, slash voter registration opportunities, and/or enable more aggressive voter roll purges.

(b) PURPOSES.—The purposes of this Act are as follows:

(1) To improve access to the ballot for all citizens.

(2) To establish procedures by which States and localities, in accordance with past actions, submit voting practice changes for preclearance by the Federal Government.

(3) To enhance the integrity and security of our voting systems.
(4) To ensure greater accountability for the administration of elections by States and localities.

(5) To restore protections for voters against practices in States and localities plagued by the persistence of voter disenfranchisement.

(6) To ensure that Federal civil rights laws protect the rights of voters against discriminatory and deceptive practices.

Subtitle B—Findings Relating to Native American Voting Rights

SEC. 2101. FINDINGS RELATING TO NATIVE AMERICAN VOTING RIGHTS.

Congress finds the following:

(1) The right to vote for all Americans is sacred. Congress must fulfill the Federal Government’s trust responsibility to protect and promote Native Americans’ exercise of their fundamental right to vote, including equal access to voter registration voting mechanisms and locations, and the ability to serve as election officials.

(2) The Native American Voting Rights Coalition’s four-State survey of voter discrimination (2016) and nine field hearings in Indian Country (2017–2018) revealed obstacles that Native Americans must overcome, including a lack of accessible
and proximate registration and polling sites, non-
traditional addresses for residents on Indian reserva-
tions, inadequate language assistance for Tribal
members, and voter identification laws that discrimi-
nate against Native Americans. The Department of
Justice and courts have recognized that some juris-
dictions have been unresponsive to reasonable re-
quests from federally recognized Indian Tribes for
more accessible and proximate voter registration
sites and in-person voting locations.

(3) The 2018 midterm and 2020 general elec-
tions provide further evidence that systemic voter
discrimination and intimidation continues to occur in
communities of color and Tribal lands across the
country, making it clear that democracy reform can-
not be achieved until Congress restores key provi-
sions of the Voting Rights Act and passes additional
protections.

(4) Congress has broad, plenary authority to
enact legislation to safeguard the voting rights of
Native American voters.

(5) Congress must conduct investigatory and
evidentiary hearings to determine the necessary leg-
islation to restore the Voting Rights Act and combat
continuous efforts that suppress the voter franchise
within Tribal lands, to include, but not to be limited to, the Native American Voting Rights Act (NAVRA) and the Voting Rights Advancement Act (VRAA).

**Subtitle C—Findings Relating to District of Columbia Statehood**

**SEC. 2201. FINDINGS RELATING TO DISTRICT OF COLUMBIA STATEHOOD.**

Congress finds the following:

(1) The 705,000 District of Columbia residents deserve voting representation in Congress and local self-government, which only statehood can provide.

(2) The United States is the only democratic country that denies both voting representation in the national legislature and local self-government to the residents of its Nation’s capital.

(3) There are no constitutional, historical, fiscal, or economic reasons why the Americans who live in the District of Columbia should not be granted statehood.

(4) Since the founding of the United States, the residents of the District of Columbia have always carried all of the obligations of citizenship, including serving in all of the Nation’s wars and paying Federal taxes, but have been denied voting representa-
tion in Congress and freedom from congressional in-
terference in purely local matters.

(5) The District of Columbia pays more Federal
taxes per capita than any State and more Federal
taxes than 22 States.

(6) The District of Columbia has a larger popu-
lation than 2 States (Wyoming and Vermont), and
6 States have a population under one million.

(7) The District of Columbia has a larger budg-
et than 12 States.

(8) The Constitution of the United States gives
Congress the authority to admit new States (clause
1, section 3, article IV) and reduce the size of the
seat of the Government of the United States (clause
17, section 8, article I). All 37 new States have been
admitted by an Act of Congress, and Congress has
previously reduced the size of the seat of the Gov-
ernment of the United States.

(9) On June 26, 2020, by a vote of 232–180,
the House of Representatives passed H.R. 51, the
Washington, D.C. Admission Act, which would have
admitted the State of Washington, Douglass Com-
monwealth from the residential portions of the Dis-
tric of Columbia and reduced the size of the seat
of the Government of the United States to the
United States Capitol, the White House, the United States Supreme Court, the National Mall, and the principal Federal monuments and buildings.

Subtitle D—Territorial Voting Rights

SEC. 2301. FINDINGS RELATING TO TERRITORIAL VOTING RIGHTS.

Congress finds the following:

(1) The right to vote is one of the most powerful instruments residents of the territories of the United States have to ensure that their voices are heard.

(2) These Americans have played an important part in the American democracy for more than 120 years.

(3) Political participation and the right to vote are among the highest concerns of territorial residents in part because they were not always afforded these rights.

(4) Voter participation in the territories consistently ranks higher than many communities on the mainland.

(5) Territorial residents serve and die, on a per capita basis, at a higher rate in every United States war and conflict since WWI, as an expression of
their commitment to American democratic principles and patriotism.

SEC. 2302. CONGRESSIONAL TASK FORCE ON VOTING RIGHTS OF UNITED STATES CITIZEN RESIDENTS OF TERRITORIES OF THE UNITED STATES.

(a) Establishment.—There is established within the legislative branch a Congressional Task Force on Voting Rights of United States Citizen Residents of Territories of the United States (in this section referred to as the “Task Force”).

(1) information the Task Force has collected;

and

(2) a discussion on matters that the chairman of the Task Force deems urgent for consideration by Congress.

(1) the economic and societal consequences (through statistical data and other metrics) that come with political disenfranchisement of United States citizens in territories of the United States;

(2) impediments to full and equal voting rights for United States citizens who are residents of territories of the United States in Federal elections, in-
including the election of the President and Vice President of the United States;

(3) impediments to full and equal voting representation in the House of Representatives for United States citizens who are residents of territories of the United States;

(4) recommended changes that, if adopted, would allow for full and equal voting rights for United States citizens who are residents of territories of the United States in Federal elections, including the election of the President and Vice President of the United States;

Subtitle E—Redistricting Reform

SEC. 2400. SHORT TITLE; FINDING OF CONSTITUTIONAL AUTHORITY.

(a) Short Title.—This subtitle may be cited as the “Redistricting Reform Act of 2021”.

(b) Finding of Constitutional Authority.—Congress finds that it has the authority to establish the terms and conditions States must follow in carrying out congressional redistricting after an apportionment of Members of the House of Representatives because—

(1) the authority granted to Congress under article I, section 4 of the Constitution of the United States gives Congress the power to enact laws gov-
erning the time, place, and manner of elections for
Members of the House of Representatives; and
(2) the authority granted to Congress under
section 5 of the fourteenth amendment to the Con-
stitution gives Congress the power to enact laws to
enforce section 2 of such amendment, which requires
Representatives to be apportioned among the several
States according to their number.

PART 1—REQUIREMENTS FOR CONGRESSIONAL
REDISTRICTING

SEC. 2401. REQUIRING CONGRESSIONAL REDISTRICTING
TO BE CONDUCTED THROUGH PLAN OF INDE-
PENDENT STATE COMMISSION.

(a) USE OF PLAN REQUIRED.—Notwithstanding any
other provision of law, and except as provided in sub-
section (c) and subsection (d), any congressional redis-
tricting conducted by a State shall be conducted in accord-
ance with—

(1) the redistricting plan developed and enacted
into law by the independent redistricting commission
established in the State, in accordance with part 2;
or

(2) if a plan developed by such commission is
not enacted into law, the redistricting plan developed
and enacted into law by a 3-judge court, in accord-
ance with section 2421.

(b) CONFORMING AMENDMENT.—Section 22(c) of
the Act entitled “An Act to provide for the fifteenth and
subsequent decennial censuses and to provide for an ap-
portionment of Representatives in Congress”, approved
June 18, 1929 (2 U.S.C. 2a(c)), is amended by striking
“in the manner provided by the law thereof” and insert-
ing: “in the manner provided by the Redistricting Reform
Act of 2021”.

(c) SPECIAL RULE FOR EXISTING COMMISSIONS.—
Subsection (a) does not apply to any State in which, under
law in effect continuously on and after the date of the
enactment of this Act, congressional redistricting is car-
rried out in accordance with a plan developed and approved
by an independent redistricting commission which is in
compliance with each of the following requirements:

(1) PUBLICLY AVAILABLE APPLICATION PROC-
ESS.—Membership on the commission is open to citi-
zens of the State through a publicly available appli-
cation process.

(2) DISQUALIFICATIONS FOR GOVERNMENT
SERVICE AND POLITICAL APPOINTMENT.—Individ-
uals who, for a covered period of time as established
by the State, hold or have held public office, individ-
uals who, for a covered period of time as established
by the State, hold or have held public office, individ-
uals who are or have been candidates for elected public office, and individuals who serve or have served as an officer, employee, or paid consultant of a campaign committee of a candidate for public office are disqualified from serving on the commission.

(3) **SCREENING FOR CONFLICTS.**—Individuals who apply to serve on the commission are screened through a process that excludes persons with conflicts of interest from the pool of potential commissioners.

(4) **MULTI-PARTISAN COMPOSITION.**—Membership on the commission represents those who are affiliated with the two political parties whose candidates received the most votes in the most recent statewide election for Federal office held in the State, as well as those who are unaffiliated with any party or who are affiliated with political parties other than the two political parties whose candidates received the most votes in the most recent statewide election for Federal office held in the State.

(5) **CRITERIA FOR REDISTRICTING.**—Members of the commission are required to meet certain criteria in the map drawing process, including minimizing the division of communities of interest and a ban on drawing maps to favor a political party.
(6) Public input.—Public hearings are held and comments from the public are accepted before a final map is approved.

(7) Broad-based support for approval of final plan.—The approval of the final redistricting plan requires a majority vote of the members of the commission, including the support of at least one member of each of the following:

(A) Members who are affiliated with the political party whose candidate received the most votes in the most recent statewide election for Federal office held in the State.

(B) Members who are affiliated with the political party whose candidate received the second most votes in the most recent statewide election for Federal office held in the State.

(C) Members who are not affiliated with any political party or who are affiliated with political parties other than the political parties described in subparagraphs (A) and (B).

(d) Treatment of State of Iowa.—Subsection (a) does not apply to the State of Iowa, so long as congressional redistricting in such State is carried out in accordance with a plan developed by the Iowa Legislative Services Agency with the assistance of a Temporary Redis-
HR 1 RDS

tricting Advisory Commission, under law which was in ef-
fect for the most recent congressional redistricting carried
out in the State prior to the date of the enactment of this
Act and which remains in effect continuously on and after
the date of the enactment of this Act.

SEC. 2402. BAN ON MID-DECADE REDISTRICTING.

A State that has been redistricted in accordance with
this subtitle and a State described in section 2401(c) or
section 2401(d) may not be redistricted again until after
the next apportionment of Representatives under section
22(a) of the Act entitled “An Act to provide for the fif-
teenth and subsequent decennial censuses and to provide
for an apportionment of Representatives in Congress”, ap-
proved June 18, 1929 (2 U.S.C. 2a), unless a court re-
quires the State to conduct such subsequent redistricting
to comply with the Constitution of the United States, the
Voting Rights Act of 1965 (52 U.S.C. 10301 et seq.), the
Constitution of the State, or the terms or conditions of
this subtitle.

SEC. 2403. CRITERIA FOR REDISTRICTING.

(a) CRITERIA.—Under the redistricting plan of a
State, there shall be established single-member congres-
sional districts using the following criteria as set forth in
the following order of priority:
(1) Districts shall comply with the United States Constitution, including the requirement that they equalize total population.

(2) Districts shall comply with the Voting Rights Act of 1965 (52 U.S.C. 10301 et seq.), including by creating any districts where two or more politically cohesive groups protected by such Act are able to elect representatives of choice in coalition with one another, and all applicable Federal laws.

(3) Districts shall be drawn, to the extent that the totality of the circumstances warrant, to ensure the practical ability of a group protected under the Voting Rights Act of 1965 (52 U.S.C. 10301 et seq.) to participate in the political process and to nominate candidates and to elect representatives of choice is not diluted or diminished, regardless of whether or not such protected group constitutes a majority of a district’s citizen voting age population.

(4) Districts shall respect communities of interest, neighborhoods, and political subdivisions to the extent practicable and after compliance with the requirements of paragraphs (1) through (3). A community of interest is defined as an area with recognized similarities of interests, including but not limited to ethnic, racial, economic, tribal, social, cul-
tural, geographic or historic identities. The term communities of interest may, in certain circumstances, include political subdivisions such as counties, municipalities, tribal lands and reservations, or school districts, but shall not include common relationships with political parties or political candidates.

(b) No FAVORING or DISFAVORING of Political Parties.—

(1) Prohibition.—The redistricting plan enacted by a State shall not, when considered on a Statewide basis, be drawn with the intent or the effect of unduly favoring or disfavoring any political party.

(2) Determination of effect.—

(A) Totality of circumstances.—For purposes of paragraph (1), the determination of whether a redistricting plan has the effect of unduly favoring or disfavoring a political party shall be based on the totality of circumstances, including evidence regarding the durability and severity of a plan’s partisan bias.

(B) Plans deemed to have effect of unduly favoring or disfavoring a political party.—Without limiting other ways in
which a redistricting plan may be determined to have the effect of unduly favoring or disfavoring a political party under the totality of circumstances under subparagraph (A), a redistricting plan shall be deemed to have the effect of unduly favoring or disfavoring a political party if—

(i) modeling based on relevant historical voting patterns shows that the plan is statistically likely to result in a partisan bias of more than one seat in States with 20 or fewer congressional districts or a partisan bias of more than 2 seats in States with more than 20 congressional districts, as determined using quantitative measures of partisan fairness, which may include, but are not limited to, the seats-to-votes curve for an enacted plan, the efficiency gap, the declination, partisan asymmetry, and the mean-median difference, and

(ii) alternative plans, which may include, but are not limited to, those generated by redistricting algorithms, exist that could have complied with the require-
ments of law and not been in violation of paragraph (1).

(3) Determination of Intent.—For purposes of paragraph (A), a rebuttable presumption shall exist that a redistricting plan enacted by the legislature of a State was not enacted with the intent of unduly favoring or disfavoring a political party if the plan was enacted with the support of at least a third of the members of the second largest political party in each house of the legislature.

(4) No Violation Based on Certain Criteria.—No redistricting plan shall be found to be in violation of paragraph (1) because of partisan bias attributable to the application of the criteria set forth in paragraphs (1), (2), or (3) of subsection (a), unless one or more alternative plans could have complied with such paragraphs without having the effect of unduly favoring or disfavoring a political party.

(c) Factors Prohibited From Consideration.—In developing the redistricting plan for the State, the independent redistricting commission may not take into consideration any of the following factors, except to the extent necessary to comply with the criteria described in paragraphs (1) through (3) of subsection (a), subsection (b),
and to enable the redistricting plan to be measured against the external metrics described in section 2413(d):

(1) The residence of any Member of the House of Representatives or candidate.

(2) The political party affiliation or voting history of the population of a district.

(d) Applicability.—This section applies to any authority, whether appointed, elected, judicial, or otherwise, that designs or enacts a congressional redistricting plan of a State.

e) Severability of Criteria.—If any of the criteria set forth in this section, or the application of such criteria to any person or circumstance, is held to be unconstitutional, the remaining criteria set forth in this section, and the application of such criteria to any person or circumstance, shall not be affected by the holding.

PART 2—INDEPENDENT REDISTRICTING COMMISSIONS

SEC. 2411. INDEPENDENT REDISTRICTING COMMISSION.

(a) Appointment of Members.—

(1) In general.—The nonpartisan agency established or designated by a State under section 2414(a) shall establish an independent redistricting commission for the State, which shall consist of 15 members appointed by the agency as follows:
(A) Not later than October 1 of a year ending in the numeral zero, the agency shall, at a public meeting held not earlier than 15 days after notice of the meeting has been given to the public, first appoint 6 members as follows:

   (i) The agency shall appoint 2 members on a random basis from the majority category of the approved selection pool (as described in section 2412(b)(1)(A)).

   (ii) The agency shall appoint 2 members on a random basis from the minority category of the approved selection pool (as described in section 2412(b)(1)(B)).

   (iii) The agency shall appoint 2 members on a random basis from the independent category of the approved selection pool (as described in section 2412(b)(1)(C)).

(B) Not later than November 15 of a year ending in the numeral zero, the members appointed by the agency under subparagraph (A) shall, at a public meeting held not earlier than 15 days after notice of the meeting has been given to the public, then appoint 9 members as follows:
(i) The members shall appoint 3 members from the majority category of the approved selection pool (as described in section 2412(b)(1)(A)).

Subtitle F—Saving Eligible Voters
From Voter Purging

SEC. 2501. SHORT TITLE.

This subtitle may be cited as the “Stop Automatically
Voiding Eligible Voters Off Their Enlisted Rolls in States
Act” or the “SAVE VOTERS Act”.

SEC. 2502. CONDITIONS FOR REMOVAL OF VOTERS FROM
LIST OF REGISTERED VOTERS.

(a) Conditions Described.—The National Voter
Registration Act of 1993 (52 U.S.C. 20501 et seq.) is
amended by inserting after section 8 the following new
section:
“SEC. 8A. CONDITIONS FOR REMOVAL OF VOTERS FROM
OFFICIAL LIST OF REGISTERED VOTERS.

“(a) VERIFICATION ON BASIS OF OBJECTIVE AND
RELIABLE EVIDENCE OF INELIGIBILITY.—

“(1) REQUIRING VERIFICATION.—Notwith-
standing any other provision of this Act, a State
may not remove the name of any registrant from the
official list of voters eligible to vote in elections for
Federal office in the State unless the State verifies,
on the basis of objective and reliable evidence, that
the registrant is ineligible to vote in such elections.

“(2) FACTORS NOT CONSIDERED AS OBJECTIVE
AND RELIABLE EVIDENCE OF INELIGIBILITY.—For
purposes of paragraph (1), the following factors, or
any combination thereof, shall not be treated as ob-

bility to vote:

“(A) The failure of the registrant to vote
in any election.

“(B) The failure of the registrant to re-
spond to any notice sent under section 8(d), un-

“(ii) who is removed from the official list of eligible voters by reason of the death of the registrant.
“(2) PUBLIC NOTICE.—Not later than 48 hours after conducting any general program to remove the names of ineligible voters from the official list of eligible voters (as described in section 8(a)(4)), the State shall disseminate a public notice through such methods as may be reasonable to reach the general public (including by publishing the notice in a newspaper of wide circulation or posting the notice on the websites of the appropriate election officials) that list maintenance is taking place and that registrants should check their registration status to ensure no errors or mistakes have been made. The State shall ensure that the public notice disseminated under this paragraph is in a format that is reasonably convenient and accessible to voters with disabilities, including voters who have low vision or are blind.”.

last place of residence before incarceration.

“(2) In carrying out this subsection, the Secretary 
shall consult with each State department of corrections to 
collect the information necessary to make the determina-
tion required under paragraph (1).”.

Subtitle I—Findings Relating to 
Youth Voting

SEC. 2801. FINDINGS RELATING TO YOUTH VOTING.

Congress finds the following:

(1) The right to vote is a fundamental right of 
citizens of the United States.

(2) The twenty-sixth amendment of the United 
States Constitution guarantees that “The right of 
citizens of the United States, who are eighteen years 
of age or older, to vote shall not be denied or 
abridged by the United States or by any State on 
account of age.”.

(3) The twenty-sixth amendment of the United 
States Constitution grants Congress the power to 
enforce the amendment by appropriate legislation.
(4) The language of the twenty-sixth amendment closely mirrors that of the fifteenth amendment and the nineteenth amendment. Like those amendments, the twenty-sixth amendment not only prohibits denial of the right to vote but also prohibits any actions that abridge the right to vote.

(5) Youth voter suppression undercuts participation in our democracy by introducing arduous obstacles to new voters and discouraging a culture of democratic engagement.

(6) Voting is habit forming, and allowing youth voters unobstructed access to voting ensures that more Americans will start a life-long habit of voting as soon as possible.

(7) Youth voter suppression is a clear, persistent, and growing problem. The actions of States and political subdivisions resulting in at least four findings of twenty-sixth amendment violations as well as pending litigation demonstrate the need for Congress to take action to enforce the twenty-sixth amendment.

(8) In League of Women Voters of Florida, Inc. v. Detzner (2018), the United States District Court in the Northern District of Florida found that the Secretary of State’s actions that prevented in-person
early voting sites from being located on university
property revealed a stark pattern of discrimination
that was unexplainable on grounds other than age
and thus violated university students’ twenty-sixth
Amendment rights.

(9) In 2019, Michigan agreed to a settlement to
enhance college-age voters’ access after a twenty-
sixth amendment challenge was filed in federal
court. The challenge prompted the removal of a
Michigan voting law which required first time voters
who registered by mail or through a third-party
voter registration drive to vote in person for the first
time, as well as the removal of another law which re-
quired the address listed on a voter’s driver license
to match the address listed on their voter registra-
tion card.

(10) Youth voter suppression tactics are often
linked to other tactics aimed at minority voters. For
example, students at Prairie View A&M University
(PVAMU), a historically black university in Texas,
have been the targets of voter suppression tactics for
decades. Before the 2018 election, PVAMU students
sued Waller County on the basis of both racial and
age discrimination over the County’s failure to en-
sure equal early voting opportunities for students,
spurring the County to reverse course and expand early voting access for students.

(11) The more than 25 million United States citizens ages 18-24 deserve equal opportunity to participate in the electoral process as guaranteed by the twenty-sixth amendment.

**Subtitle J—Severability**

**SEC. 2901. SEVERABILITY.**

If any provision of this title or amendment made by this title, or the application of a provision or amendment to any person or circumstance, is held to be unconstitutional, the remainder of this title and amendments made by this title, and the application of the provisions and amendment to any person or circumstance, shall not be affected by the holding.

Subtitle A—Establishing Duty To Report Foreign Election Interference

SEC. 4001. FINDINGS RELATING TO ILLICIT MONEY UNDERMINING OUR DEMOCRACY.

Congress finds the following:

(1) Criminals, terrorists, and corrupt government officials frequently abuse anonymously held Limited Liability Companies (LLCs), also known as “shell companies,” to hide, move, and launder the dirty money derived from illicit activities such as trafficking, bribery, exploitation, and embezzlement. Ownership and control of the finances that run through shell companies are obscured to regulators and law enforcement because little information is required and collected when establishing these entities.

(2) The public release of the “Panama Papers” in 2016 and the “Paradise Papers” in 2017 revealed that these shell companies often purchase and sell United States real estate. United States anti-money laundering laws do not apply to cash transactions involving real estate effectively concealing the beneficiaries and transactions from regulators and law enforcement.
(3) Since the Supreme Court’s decisions in Citizens United v. Federal Election Commission, 558 U.S. 310 (2010), millions of dollars have flowed into super PACs through LLCs whose funders are anonymous or intentionally obscured. Criminal investigations have uncovered LLCs that were used to hide illegal campaign contributions from foreign criminal fugitives, to advance international influence-buying schemes, and to conceal contributions from donors who were already under investigation for bribery and racketeering. Voters have no way to know the true sources of the money being routed through these LLCs to influence elections, including whether any of the funds come from foreign or other illicit sources.

(4) Congress should curb the use of anonymous shell companies for illicit purposes by requiring United States companies to disclose their beneficial owners, strengthening anti-money laundering and counter-terrorism finance laws.

(5) Congress should examine the money laundering and terrorist financing risks in the real estate market, including the role of anonymous parties, and review legislation to address any vulnerabilities identified in this sector.
(6) Congress should examine the methods by which corruption flourishes and the means to detect and deter the financial misconduct that fuels this driver of global instability. Congress should monitor government efforts to enforce United States anti-corruption laws and regulations.

Subtitle C—Strengthening Oversight of Online Political Advertising

SEC. 4201. SHORT TITLE.

This subtitle may be cited as the “Honest Ads Act”.
SEC. 4202. PURPOSE.

The purpose of this subtitle is to enhance the integrity of American democracy and national security by improving disclosure requirements for online political advertisements in order to uphold the Supreme Court’s well-established standard that the electorate bears the right to be fully informed.

SEC. 4203. FINDINGS.

Congress makes the following findings:

(1) On January 6, 2017, the Office of the Director of National Intelligence published a report titled “Assessing Russian Activities and Intentions in Recent U.S. Elections”, noting that “Russian President Vladimir Putin ordered an influence campaign in 2016 aimed at the US presidential election * * *”. Moscow’s influence campaign followed a Russian messaging strategy that blends covert intelligence operation—such as cyber activity—with overt efforts by Russian Government agencies, state-funded media, third-party intermediaries, and paid social media users or “trolls”.

(2) On November 24, 2016, The Washington Post reported findings from 2 teams of independent researchers that concluded Russians “exploited American-made technology platforms to attack U.S. democracy at a particularly vulnerable moment * * *
* as part of a broadly effective strategy of sowing
distrust in U.S. democracy and its leaders.”.

(3) Findings from a 2017 study on the manipu-
lation of public opinion through social media con-
ducted by the Computational Propaganda Research
Project at the Oxford Internet Institute found that
the Kremlin is using pro-Russian bots to manipulate
public discourse to a highly targeted audience. With
a sample of nearly 1,300,000 tweets, researchers
found that in the 2016 election’s 3 decisive States,
propaganda constituted 40 percent of the sampled
election-related tweets that went to Pennsylvanians,
34 percent to Michigan voters, and 30 percent to
those in Wisconsin. In other swing States, the figure
reached 42 percent in Missouri, 41 percent in Flor-
da, 40 percent in North Carolina, 38 percent in
Colorado, and 35 percent in Ohio.

(4) On September 6, 2017, the Nation’s largest
social media platform disclosed that between June
2015 and May 2017, Russian entities purchased
$100,000 in political advertisements, publishing
roughly 3,000 ads linked to fake accounts associated
with the Internet Research Agency, a pro-Kremlin
organization. According to the company, the ads
purchased focused “on amplifying divisive social and political messages * * *”.

(5) In 2002, the Bipartisan Campaign Reform Act became law, establishing disclosure requirements for political advertisements distributed from a television or radio broadcast station or provider of cable or satellite television. In 2003, the Supreme Court upheld regulations on electioneering communications established under the Act, noting that such requirements “provide the electorate with information and insure that the voters are fully informed about the person or group who is speaking.”.

(6) According to a study from Borrell Associates, in 2016, $1,415,000,000 was spent on online advertising, more than quadruple the amount in 2012.

(7) The reach of a few large internet platforms—larger than any broadcast, satellite, or cable provider—has greatly facilitated the scope and effectiveness of disinformation campaigns. For instance, the largest platform has over 210,000,000 Americans users—over 160,000,000 of them on a daily basis. By contrast, the largest cable television provider has 22,430,000 subscribers, while the largest satellite television provider has 21,000,000 sub-
scribers. And the most-watched television broadcast in United States history had 118,000,000 viewers.

(8) The public nature of broadcast television, radio, and satellite ensures a level of publicity for any political advertisement. These communications are accessible to the press, fact-checkers, and political opponents; this creates strong disincentives for a candidate to disseminate materially false, inflammatory, or contradictory messages to the public. Social media platforms, in contrast, can target portions of the electorate with direct, ephemeral advertisements often on the basis of private information the platform has on individuals, enabling political advertisements that are contradictory, racially or socially inflammatory, or materially false.

(9) According to comScore, 2 companies own 8 of the 10 most popular smart phone applications as of June 2017, including the most popular social media and email services—which deliver information and news to users without requiring proactivity by the user. Those same 2 companies accounted for 99 percent of revenue growth from digital advertising in 2016, including 77 percent of gross spending. 79 percent of online Americans—representing 68 percent of all Americans—use the single largest social
network, while 66 percent of these users are most likely to get their news from that site.

(10) In its 2006 rulemaking, the Federal Election Commission noted that only 18 percent of all Americans cited the internet as their leading source of news about the 2004 Presidential election; by contrast, the Pew Research Center found that 65 percent of Americans identified an internet-based source as their leading source of information for the 2016 election.

(11) The Federal Election Commission, the independent Federal agency charged with protecting the integrity of the Federal campaign finance process by providing transparency and administering campaign finance laws, has failed to take action to address online political advertisements.

(12) In testimony before the Senate Select Committee on Intelligence titled, “Disinformation: A Primer in Russian Active Measures and Influence Campaigns”, multiple expert witnesses testified that while the disinformation tactics of foreign adversaries have not necessarily changed, social media services now provide “platform[s] practically purpose-built for active measures[.]” Similarly, as Gen. Keith B. Alexander (RET.), the former Director of
the National Security Agency, testified, during the Cold War “if the Soviet Union sought to manipulate information flow, it would have to do so principally through its own propaganda outlets or through active measures that would generate specific news: planting of leaflets, inciting of violence, creation of other false materials and narratives. But the news itself was hard to manipulate because it would have required actual control of the organs of media, which took long-term efforts to penetrate. Today, however, because the clear majority of the information on social media sites is uncurated and there is a rapid proliferation of information sources and other sites that can reinforce information, there is an increasing likelihood that the information available to average consumers may be inaccurate (whether intentionally or otherwise) and may be more easily manipulable than in prior eras.”

(13) Current regulations on political advertisements do not provide sufficient transparency to uphold the public’s right to be fully informed about political advertisements made online.

SEC. 4204. SENSE OF CONGRESS.

It is the sense of Congress that—
(1) the dramatic increase in digital political advertisements, and the growing centrality of online platforms in the lives of Americans, requires the Congress and the Federal Election Commission to take meaningful action to ensure that laws and regulations provide the accountability and transparency that is fundamental to our democracy;

(2) free and fair elections require both transparency and accountability which give the public a right to know the true sources of funding for political advertisements in order to make informed political choices and hold elected officials accountable; and

(3) transparency of funding for political advertisements is essential to enforce other campaign finance laws, including the prohibition on campaign spending by foreign nationals.

SEC. 4205. EXPANSION OF DEFINITION OF PUBLIC COMMUNICATION.

(2) in paragraph (9)(B)—

(A) by amending clause (i) to read as follows:

SEC. 4411. NOTIFYING STATES OF DISINFORMATION CAMPAIGNS BY FOREIGN NATIONALS.

(a) REQUIRING DISCLOSURE.—If the Federal Election Commission makes a determination that a foreign national has initiated or has attempted to initiate a
disinformation campaign targeted at an election for public
office held in a State, the Commission shall notify the
State involved of the determination not later than 30 days
after making the determination.

(b) DEFINITIONS.—In this section the term “foreign
national” has the meaning given such term in section
319(b) of the Federal Election Campaign Act of 1971 (52
U.S.C. 30121(b)).

PART 3—PROHIBITING USE OF DEEPFAKES IN
ELECTION CAMPAIGNS

SEC. 4421. PROHIBITION ON DISTRIBUTION OF MATERIALLY DECEPTIVE AUDIO OR VISUAL MEDIA PRIOR TO ELECTION.

(a) IN GENERAL.—Title III of the Federal Election
Campaign Act of 1971 (52 U.S.C. 30101 et seq.) is
amended by adding at the end the following new section:

“SEC. 325. PROHIBITION ON DISTRIBUTION OF MATERIALLY DECEPTIVE MEDIA PRIOR TO ELECTION.

“(a) IN GENERAL.—Except as provided in sub-
sections (b) and (c), a person, political committee, or other
entity shall not, within 60 days of an election for Federal
office at which a candidate for elective office will appear
on the ballot, distribute, with actual malice, materially de-
ceptive audio or visual media of the candidate with the
intent to injure the candidate’s reputation or to deceive
a voter into voting for or against the candidate.

“(b) EXCEPTION.—

“(1) REQUIRED LANGUAGE.—The prohibition
in subsection (a) does not apply if the audio or vis-
ual media includes—

“(A) a disclosure stating: “This
________ has been manipulated.”; and

“(B) filled in the blank in the disclosure
under subparagraph (A), the term ‘image’,
‘video’, or ‘audio’, as most accurately describes
the media.

“(2) VISUAL MEDIA.—For visual media, the
text of the disclosure shall appear in a size that is
easily readable by the average viewer and no smaller
than the largest font size of other text appearing in
the visual media. If the visual media does not in-
clude any other text, the disclosure shall appear in
a size that is easily readable by the average viewer.
For visual media that is video, the disclosure shall
appear for the duration of the video.

“(3) AUDIO-ONLY MEDIA.—If the media con-
ists of audio only, the disclosure shall be read in a
clearly spoken manner and in a pitch that can be
easily heard by the average listener, at the beginning
of the audio, at the end of the audio, and, if the audio is greater than 2 minutes in length, interspersed within the audio at intervals of not greater than 2 minutes each.

“(c) INAPPLICABILITY TO CERTAIN ENTITIES.—This section does not apply to the following:

“(1) A radio or television broadcasting station, including a cable or satellite television operator, programmer, or producer, that broadcasts materially deceptive audio or visual media prohibited by this section as part of a bona fide newscast, news interview, news documentary, or on-the-spot coverage of bona fide news events, if the broadcast clearly acknowledges through content or a disclosure, in a manner that can be easily heard or read by the average listener or viewer, that there are questions about the authenticity of the materially deceptive audio or visual media.

“(2) A radio or television broadcasting station, including a cable or satellite television operator, programmer, or producer, when it is paid to broadcast materially deceptive audio or visual media.

“(3) An internet website, or a regularly published newspaper, magazine, or other periodical of general circulation, including an internet or elec-

“(4) Materially deceptive audio or visual media that constitutes satire or parody.

“(d) Civil Action.—

“(1) Injunctive or other equitable relief.—A candidate for elective office whose voice or likeness appears in a materially deceptive audio or visual media distributed in violation of this section may seek injunctive or other equitable relief prohibiting the distribution of audio or visual media in violation of this section. An action under this paragraph shall be entitled to precedence in accordance with the Federal Rules of Civil Procedure.

“(2) Damages.—A candidate for elective office whose voice or likeness appears in a materially deceptive audio or visual media distributed in violation of this section may bring an action for general or special damages against the person, committee, or other entity that distributed the materially deceptive
audio or visual media. The court may also award a prevailing party reasonable attorney’s fees and costs. This paragraph shall not be construed to limit or preclude a plaintiff from securing or recovering any other available remedy.

“(3) BURDEN OF PROOF.—In any civil action alleging a violation of this section, the plaintiff shall bear the burden of establishing the violation through clear and convincing evidence.

“(e) RULE OF CONSTRUCTION.—This section shall not be construed to alter or negate any rights, obligations, or immunities of an interactive service provider under section 230 of title 47, United States Code.

“(f) MATERIALLY DECEPTIVE AUDIO OR VISUAL MEDIA DEFINED.—In this section, the term ‘materially deceptive audio or visual media’ means an image or an audio or video recording of a candidate’s appearance, speech, or conduct that has been intentionally manipulated in a manner such that both of the following conditions are met:

“(1) The image or audio or video recording would falsely appear to a reasonable person to be authentic.

“(2) The image or audio or video recording would cause a reasonable person to have a fun-
damentally different understanding or impression of
the expressive content of the image or audio or video
recording than that person would have if the person
were hearing or seeing the unaltered, original
version of the image or audio or video recording.”.

(b) CRIMINAL PENALTIES.—Section 309(d)(1) of the
Federal Election Campaign Act of 1971 (52 U.S.C.

Subtitle A—Findings Relating to Citizens United Decision

SEC. 5001. FINDINGS RELATING TO CITIZENS UNITED DECISION.

Congress finds the following:

(1) The American Republic was founded on the principle that all people are created equal, with rights and responsibilities as citizens to vote, be represented, speak, debate, and participate in self-government on equal terms regardless of wealth. To secure these rights and responsibilities, our Constitution not only protects the equal rights of all Americans but also provides checks and balances to prevent corruption and prevent concentrated power and wealth from undermining effective self-government.

(2) The Founders designed the First Amendment to help prevent tyranny by ensuring that the people have the tools they need to ensure self-government and to keep their elected leaders responsive to the public. The Amendment thus guarantees the right of everyone to speak, to petition the government for redress, to assemble together, and for a
free press. If only the wealthiest individuals can par-
ticipate meaningfully in our democracy, then these
First Amendment principles become an illusion.

(3) Campaign finance laws promote these First
Amendment interests. They increase robust debate
from diverse voices, enhance the responsiveness of
elected officeholders, and help prevent corruption.
They do not censor anyone’s speech but simply en-
sure that no one’s speech is drowned out. The Su-
preme Court has failed to recognize that these laws
are essential, proactive rules that help guarantee
true democratic self-government.

(4) The Supreme Court’s decisions in Citizens
United v. Federal Election Commission, 558 U.S.
310 (2010) and McCutcheon v. FEC, 572 U.S. 185
(2014), as well as other court decisions, erroneously
invalidated even-handed rules about the spending of
money in local, State, and Federal elections. These
rules do not prevent anyone from speaking their
mind, much less pick winners and losers of political
debates. Although the Court has upheld other con-
tent-neutral laws like these, it has failed to apply to
same logic to campaign finance laws. These flawed
decisions have empowered large corporations, ex-
tremely wealthy individuals, and special interests to
dominate election spending, corrupt our politics, and
degrade our democracy through tidal waves of un-
limited and anonymous spending. These decisions
also stand in contrast to a long history of efforts by
Congress and the States to regulate money in poli-
tics to protect democracy, and they illustrate a trou-
bling deregulatory trend in campaign finance-related
court decisions. Additionally, an unknown amount of
foreign money continues to be spent in our political
system as subsidiaries of foreign-based corporations
and hostile foreign actors sometimes connected to
nation-states work to influence our elections.

(5) The Supreme Court’s misinterpretation of
the Constitution to empower monied interests at the
expense of the American people in elections has seri-
ously eroded over 100 years of congressional action
to promote fairness and protect elections from the
toxic influence of money.

(6) In 1907, Congress passed the Tillman Act
in response to the concentration of corporate power
in the post-Civil War Gilded Age. The Act prohibited
corporations from making contributions in connec-
tion with Federal elections, aiming “not merely to
prevent the subversion of the integrity of the elec-
toral process [but] * * * to sustain the active, alert
responsibility of the individual citizen in a democracy for the wise conduct of government’.

(7) By 1910, Congress began passing disclosure requirements and campaign expenditure limits, and dozens of States passed corrupt practices Acts to prohibit corporate spending in elections. States also enacted campaign spending limits, and some States limited the amount that people could contribute to campaigns.

(8) In 1947, the Taft-Hartley Act prohibited corporations and unions from making campaign contributions or other expenditures to influence elections. In 1962, a Presidential commission on election spending recommended spending limits and incentives to increase small contributions from more people.

(9) The Federal Election Campaign Act of 1971 (FECA), as amended in 1974, required disclosure of contributions and expenditures, imposed contribution and expenditure limits for individuals and groups, set spending limits for campaigns, candidates, and groups, implemented a public funding system for Presidential campaigns, and created the Federal Election Commission to oversee and enforce the new rules.
(10) In the wake of Citizens United and other damaging Federal court decisions, Americans have witnessed an explosion of outside spending in elections. Outside spending increased more than 700 percent between the 2008 and 2020 Presidential election years. Spending by outside groups nearly doubled again from 2016 to 2020 with super PACs, tax-exempt groups, and others spending more than $3,000,000,000. And as political entities adapt to a post-Citizens United, post-McCutcheon landscape, these trends are getting worse, as evidenced by the record-setting 2020 elections which cost more than $14,000,000,000 in total.

(11) Since the landmark Citizens United decision, 21 States and more than 800 municipalities, including large cities like New York, Los Angeles, Chicago, and Philadelphia, have gone on record supporting a constitutional amendment. Transcending political leanings and geographic location, voters in States and municipalities across the country that have placed amendment questions on the ballot have routinely supported these initiatives by considerably large margins.

(12) The Court has tied the hands of Congress and the States, severely restricting them from set-
ting reasonable limits on campaign spending. For example, the Court has held that only the Government’s interest in preventing quid pro quo corruption, like bribery, or the appearance of such corruption, can justify limits on campaign contributions. More broadly, the Court has severely curtailed attempts to reduce the ability of the Nation’s wealthiest and most powerful to skew our democracy in their favor by buying outsized influence in our elections. Because this distortion of the Constitution has prevented other critical regulation or reform of the way we finance elections in America, a constitutional amendment is needed to achieve a democracy for all the people.

(13) The torrent of money flowing into our political system has a profound effect on the democratic process for everyday Americans, whose voices and policy preferences are increasingly being drowned out by those of wealthy special interests. The more campaign cash from wealthy special interests can flood our elections, the more policies that favor those interests are reflected in the national political agenda. When it comes to policy preferences, our Nation’s wealthiest tend to have fundamentally different views than do average Americans when it
comes to issues ranging from unemployment benefits to the minimum wage to health care coverage.

(14) At the same time millions of Americans have signed petitions, marched, called their Members of Congress, written letters to the editor, and otherwise demonstrated their public support for a constitutional amendment to overturn Citizens United that will allow Congress to reign in the outsized influence of unchecked money in politics. Dozens of organizations, representing tens of millions of individuals, have come together in a shared strategy of supporting such an amendment.

(15) In order to protect the integrity of democracy and the electoral process and to ensure political equality for all, the Constitution should be amended so that Congress and the States may regulate and set limits on the raising and spending of money to influence elections and may distinguish between natural persons and artificial entities, like corporations, that are created by law, including by prohibiting such artificial entities from spending money to influence elections.
Subtitle B—Congressional Elections

SEC. 5100. SHORT TITLE.

This subtitle may be cited as the “Government By the People Act of 2021”.

PART 1—MY VOICE VOUCHER PILOT PROGRAM

SEC. 5101. ESTABLISHMENT OF PILOT PROGRAM.

(a) Establishment.—The Federal Election Commission (hereafter in this part referred to as the “Commission”) shall establish a pilot program under which the Commission shall select 3 eligible States to operate a voucher pilot program which is described in section 5102 during the program operation period.

(b) Eligibility of States.—A State is eligible to be selected to operate a voucher pilot program under this part if, not later than 180 days after the beginning of the program application period, the State submits to the Commission an application containing—

(1) information and assurances that the State will operate a voucher program which contains the elements described in section 5102(a);

(2) information and assurances that the State will establish fraud prevention mechanisms described in section 5102(b);
(3) information and assurances that the State will establish a commission to oversee and implement the program as described in section 5102(c);

(4) information and assurances that the State will carry out a public information campaign as described in section 5102(d);

(5) information and assurances that the State will submit reports as required under section 5103; and

(6) such other information and assurances as the Commission may require.

(c) SELECTION OF PARTICIPATING STATES.—

(1) IN GENERAL.—Not later than 1 year after the beginning of the program application period, the Commission shall select the 3 States which will operate voucher pilot programs under this part.

(2) CRITERIA.—In selecting States for the operation of the voucher pilot programs under this part, the Commission shall apply such criteria and metrics as the Commission considers appropriate to determine the ability of a State to operate the program successfully, and shall attempt to select States in a variety of geographic regions and with a variety of political party preferences.
(3) No supermajority required for selection.—The selection of States by the Commission under this subsection shall require the approval of only half of the Members of the Commission.

(d) Duties of States during Program Preparation Period.—During the program preparation period, each State selected to operate a voucher pilot program under this part shall take such actions as may be necessary to ensure that the State will be ready to operate the program during the program operation period, and shall complete such actions not later than 90 days before the beginning of the program operation period.

(e) Termination.—Each voucher pilot program under this part shall terminate as of the first day after the program operation period.

(f) Reimbursement of Costs.—

(1) Reimbursement.—Upon receiving the report submitted by a State under section 5103(a) with respect to an election cycle, the Commission shall transmit a payment to the State in an amount equal to the reasonable costs incurred by the State in operating the voucher pilot program under this part during the cycle.

(2) Source of funds.—Payments to States under the program shall be made using amounts in
the Freedom From Influence Fund under section 541 of the Federal Election Campaign Act of 1971 (as added by section 5111), hereafter referred to as the “Fund”.

(3) MANDATORY REDUCTION OF PAYMENTS IN CASE OF INSUFFICIENT AMOUNTS IN FREEDOM FROM INFLUENCE FUND.—

(A) ADVANCE AUDITS BY COMMISSION.—

Not later than 90 days before the first day of each program operation period, the Commission shall—

(i) audit the Fund to determine whether, after first making payments to participating candidates under title V of the Federal Election Campaign Act of 1971 (as added by section 5111), the amounts remaining in the Fund will be sufficient to make payments to States under this part in the amounts provided under this subsection; and

(ii) submit a report to Congress describing the results of the audit.

(B) REDUCTIONS IN AMOUNT OF PAYMENTS.—
(i) **Automatic Reduction on Pro Rata Basis.**—If, on the basis of the audit described in subparagraph (A), the Commission determines that the amount anticipated to be available in the Fund with respect to an election cycle involved is not, or may not be, sufficient to make payments to States under this part in the full amount provided under this subsection, the Commission shall reduce each amount which would otherwise be paid to a State under this subsection by such pro rata amount as may be necessary to ensure that the aggregate amount of payments anticipated to be made with respect to the cycle will not exceed the amount anticipated to be available for such payments in the Fund with respect to such cycle.

(ii) **Restoration of Reductions in Case of Availability of Sufficient Funds During Election Cycle.**—If, after reducing the amounts paid to States with respect to an election cycle under clause (i), the Commission determines that there are sufficient amounts in the Fund
to restore the amount by which such pay-
ments were reduced (or any portion there-
of), to the extent that such amounts are
available, the Commission may make a
payment on a pro rata basis to each such
State with respect to the cycle in the
amount by which such State’s payments
were reduced under clause (i) (or any por-
tion thereof, as the case may be).

(iii) No use of amounts from
other sources.—In any case in which
the Commission determines that there are
insufficient moneys in the Fund to make
payments to States under this part, mon-
eys shall not be made available from any
other source for the purpose of making
such payments.

(4) Cap on amount of payment.—The aggre-
gate amount of payments made to any State with re-
spect to any program operation period may not ex-
ceed $10,000,000. If the State determines that the
maximum payment amount under this paragraph
with respect to the program operation period in-
volved is not, or may not be, sufficient to cover the
reasonable costs incurred by the State in operating

HR 1 RDS
the program under this part for such period, the
State shall reduce the amount of the voucher pro-
vided to each qualified individual by such pro rata
amount as may be necessary to ensure that the rea-
sonable costs incurred by the State in operating the
program will not exceed the amount paid to the
State with respect to such period.

for election for Federal office.

Voice Voucher to a candidate by an individual shall be treated as a contribution to the candidate by the individual in the amount of the portion of the value of the Voucher that the individual allocated to the candidate.

(b) Fraud Prevention Mechanism.—In addition to the elements described in subsection (a), a State operating a voucher pilot program under this part shall permit an individual to revoke a My Voice Voucher not later than 2 days after submitting the My Voice Voucher to a candidate.

(c) Oversight Commission.—In addition to the elements described in subsection (a), a State operating a voucher pilot program under this part shall establish a commission or designate an existing entity to oversee and implement the program in the State, except that no such commission or entity may be comprised of elected officials.

gram during the cycle and including such other informa-
tion as the Commission may require.

(b) Final Report.—Not later than 6 months after
the end of the program operation period, the State shall
submit a final report to the Commission analyzing the op-

sion of this Act, the candidate is not eligible to be
certified as a participating candidate under this title
with respect to any subsequent election.

“(2) Candidates subject to criminal penalty.—A candidate is not eligible to be certified as

“(2) REDUCTIONS IN AMOUNT OF PAYMENTS.—

“(A) AUTOMATIC REDUCTION ON PRO RATA BASIS.—If, on the basis of the audit described in paragraph (1), the Commission determines that the amount anticipated to be available in the Fund with respect to the Presidential election cycle involved is not, or may not be, sufficient to satisfy the full entitlements of candidates to payments under this chapter for such cycle, the Commission shall reduce each amount which would otherwise be paid to a candidate under this chapter by such pro rata amount as may be necessary to ensure that the aggregate amount of payments anticipated to be made with respect to the cycle will not exceed the amount anticipated to be available for such payments in the Fund with respect to such cycle.

“(B) RESTORATION OF REDUCTIONS IN CASE OF AVAILABILITY OF SUFFICIENT FUNDS DURING ELECTION CYCLE.—If, after reducing
the amounts paid to candidates with respect to an election cycle under subparagraph (A), the Commission determines that there are sufficient amounts in the Fund to restore the amount by which such payments were reduced (or any portion thereof), to the extent that such amounts are available, the Commission may make a payment on a pro rata basis to each such candidate with respect to the election cycle in the amount by which such candidate’s payments were reduced under subparagraph (A) (or any portion thereof, as the case may be).

“(C) No use of amounts from other sources.—In any case in which the Commission determines that there are insufficient monies in the Fund to make payments to candidates under this chapter, monies shall not be made available from any other source for the purpose of making such payments.

“(3) No effect on amounts transferred for pediatric research initiative.—This section does not apply to the transfer of funds under section 9008(i).

“(4) Presidential election cycle defined.—In this section, the term ‘Presidential elec-

Subtitle D—Personal Use Services as Authorized Campaign Expenditures

SEC. 5301. SHORT TITLE; FINDINGS; PURPOSE.

(a) SHORT TITLE.—This subtitle may be cited as the “Help America Run Act”.

(b) FINDINGS.—Congress finds the following:

(1) Everyday Americans experience barriers to entry before they can consider running for office to serve their communities.

(2) Current law states that campaign funds cannot be spent on everyday expenses that would exist whether or not a candidate were running for office, like childcare and food. While the law seems neutral, its actual effect is to privilege the independently wealthy who want to run, because given the demands of running for office, candidates who must work to pay for childcare or to afford health insurance are effectively being left out of the process, even if they have sufficient support to mount a viable campaign.

(3) Thus current practice favors those prospective candidates who do not need to rely on a regular paycheck to make ends meet. The consequence is that everyday Americans who have firsthand knowl-
edge of the importance of stable childcare, a safety
net, or great public schools are less likely to get a
seat at the table. This governance by the few is anti-
thesetical to the democratic experiment, but most im-
portantly, when lawmakers do not share the con-
cerns of everyday Americans, their policies reflect
that.

(4) These circumstances have contributed to a
Congress that does not always reflect everyday
Americans. The New York Times reported in 2019
that fewer than 5 percent of representatives cite
blue-collar or service jobs in their biographies. A
2015 survey by the Center for Responsive Polities
showed that the median net worth of lawmakers was
just over $1 million in 2013, or 18 times the wealth
of the typical American household.

(5) These circumstances have also contributed
to a governing body that does not reflect the nation
it serves. For instance, women are 51 percent of the
American population. Yet even with a record number
of women serving in the One Hundred Sixteenth
Congress, the Pew Research Center notes that more
than three out of four Members of this Congress are
male. The Center for American Women And Politics
found that one third of women legislators surveyed
had been actively discouraged from running for office, often by political professionals. This type of discouragement, combined with the prohibitions on using campaign funds for domestic needs like childcare, burdens that still fall disproportionately on American women, particularly disadvantages working mothers. These barriers may explain why only 10 women in history have given birth while serving in Congress, in spite of the prevalence of working parents in other professions. Yet working mothers and fathers are best positioned to create policy that reflects the lived experience of most Americans.

(6) Working mothers, those caring for their elderly parents, and young professionals who rely on their jobs for health insurance should have the freedom to run to serve the people of the United States. Their networks and net worth are simply not the best indicators of their strength as prospective public servants. In fact, helping ordinary Americans to run may create better policy for all Americans.

(c) PURPOSE.—It is the purpose of this subtitle to ensure that all Americans who are otherwise qualified to serve this Nation are able to run for office, regardless of their economic status. By expanding permissible uses of
campaign funds and providing modest assurance that testing a run for office will not cost one’s livelihood, the Help America Run Act will facilitate the candidacy of representatives who more accurately reflect the experiences, challenges, and ideals of everyday Americans.

“(B) Corresponding Reduction in Amount of Salary Paid to Candidate.—To the extent that an authorized committee of a candidate makes payments for the salary of the candidate, any limit on the amount of such payments which is applicable under any law, rule, or regulation shall be reduced by the amount of any payments made to or on behalf of the candidate for personal use services described in paragraph (3), other than personal use services described in subparagraph (D) of such paragraph.

“(C) Exclusion of Candidates Who Are Officeholders.—Paragraph (1) does not
apply with respect to an authorized committee
of a candidate who is a holder of Federal office.

“(3) Personal use services described.—

graph are as follows:

mitted, or is about to commit, a violation of this Act or chapter 95 or chapter 96 of the Internal Revenue Code of 1986, and as to whether or not the Commission should either initiate an investigation of the matter or that the complaint should be dismissed. The general counsel shall promptly provide notification to the Commission of such determination and the reasons therefore, together with any written response submitted under paragraph (1) by the person alleged to have committed the violation. Upon the expiration of the 30-day period which begins on the date the general counsel provides such notification, the general counsel’s determination shall take effect, unless during such 30-day period the Commission, by vote of a majority of the members of the Commission who are serving at the time, overrules the general counsel’s determination. If the determination by the general counsel that the Commission should investigate the matter takes effect, or if the determination by the general counsel that the complaint should be dismissed is overruled as provided under the previous sentence, the general counsel shall initiate an investigation of the matter on behalf of the Commission.

“(B) If the Commission initiates an investigation pursuant to subparagraph (A), the Commission, through the Chair, shall notify the subject of the investigation of the alleged violation. Such notification shall set forth the

the subpoena or conduct the discovery, unless during such
15-day period the Commission, by vote of a majority of
the members of the Commission who are serving at the
time, prohibits the general counsel from issuing the sub-
poena or conducting the discovery.

“(3)(A) Upon completion of an investigation under
paragraph (2), the general counsel shall promptly submit
to the Commission the general counsel’s recommendation
that the Commission find either that there is probable
cause or that there is not probable cause to believe that
a person has committed, or is about to commit, a violation
of this Act or chapter 95 or chapter 96 of the Internal
Revenue Code of 1986, and shall include with the rec-

Any petition under this subparagraph shall be filed within 60 days after the date on which the party received notice of the dismissal of the complaint.

“(ii) In any proceeding under this subparagraph, the court shall determine by de novo review whether the agency’s dismissal of the complaint is contrary to law. In any
matter in which the penalty for the alleged violation is greater than $50,000, the court should disregard any claim or defense by the Commission of prosecutorial discretion as a basis for dismissing the complaint.

“(B)(i) Any party who has filed a complaint with the Commission and who is aggrieved by a failure of the Commission, within one year after the filing of the complaint, to either dismiss the complaint or to find reason to believe a violation has occurred or is about to occur, may file a petition with the United States District Court for the District of Columbia.

“(ii) In any proceeding under this subparagraph, the court shall treat the failure to act on the complaint as a dismissal of the complaint, and shall determine by de novo review whether the agency’s failure to act on the complaint is contrary to law.

“(C) In any proceeding under this paragraph the court may declare that the dismissal of the complaint or the failure to act is contrary to law, and may direct the Commission to conform with such declaration within 30 days, failing which the complainant may bring, in the name of such complainant, a civil action to remedy the violation involved in the original complaint.”

(2) EFFECTIVE DATE.—The amendments made by paragraph (1) shall apply—
(A) in the case of complaints which are
dismissed by the Federal Election Commission,
with respect to complaints which are dismissed

Act; and

(b) Definitions.—Title III of such Act (52 U.S.C. 30101 et seq.), as amended by section 4421 and section
HR 1 RDS

4802(a), is amended by adding at the end the following new section:

“SEC. 327. PAYMENTS FOR COORDINATED EXPENDITURES.

“(a) COORDINATED EXPENDITURES.—

“(1) IN GENERAL.—For purposes of section 301(8)(A)(iii), the term ‘coordinated expenditure’ means—

“(A) any expenditure, or any payment for a covered communication described in subsection (d), which is made in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate, an authorized committee of a candidate, a political committee of a political party, or agents of the candidate or committee, as defined in subsection (b); or

“(B) any payment for any communication which republishes, disseminates, or distributes, in whole or in part, any video or broadcast or any written, graphic, or other form of campaign material prepared by the candidate or committee or by agents of the candidate or committee (including any excerpt or use of any video from any such broadcast or written, graphic, or other form of campaign material).
“(2) Exception for payments for certain communications.—A payment for a communication (including a covered communication described in subsection (d)) shall not be treated as a coordinated expenditure under this subsection if—

“(A) the communication appears in a news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication, unless such facilities are owned or controlled by any political party, political committee, or candidate; or

“(B) the communication constitutes a candidate debate or forum conducted pursuant to regulations adopted by the Commission pursuant to section 304(f)(3)(B)(iii), or which solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum.

“(b) Coordination Described.—

“(1) In general.—For purposes of this section, a payment is made ‘in cooperation, consultation, or concert with, or at the request or suggestion of,’ a candidate, an authorized committee of a candidate, a political committee of a political party, or
agents of the candidate or committee, if the payment, or any communication for which the payment is made, is not made entirely independently of the candidate, committee, or agents. For purposes of the previous sentence, a payment or communication not made entirely independently of the candidate or committee includes any payment or communication made pursuant to any general or particular understanding with, or pursuant to any communication with, the candidate, committee, or agents about the payment or communication.

“(2) NO FINDING OF COORDINATION BASED SOLELY ON SHARING OF INFORMATION REGARDING LEGISLATIVE OR POLICY POSITION.—For purposes of this section, a payment shall not be considered to be made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate or committee, solely on the grounds that the person or the person’s agent engaged in discussions with the candidate or committee, or with any agent of the candidate or committee, regarding that person’s position on a legislative or policy matter (including urging the candidate or committee to adopt that person’s position), so long as there is no communication between the person and the can-
didate or committee, or any agent of the candidate
or committee, regarding the candidate’s or commit-
tee’s campaign advertising, message, strategy, pol-
icy, polling, allocation of resources, fundraising, or
other campaign activities.

“(3) No effect on party coordination
standard.—Nothing in this section shall be con-
strued to affect the determination of coordination
between a candidate and a political committee of a
political party for purposes of section 315(d).

“(4) No safe harbor for use of fire-
wall.—A person shall be determined to have made
a payment in cooperation, consultation, or concert
with, or at the request or suggestion of, a candidate
or committee, in accordance with this section with-
out regard to whether or not the person established
and used a firewall or similar procedures to restrict
the sharing of information between individuals who
are employed by or who are serving as agents for the
person making the payment.

“(c) Payments by coordinated spenders for
covered communications.—

“(1) Payments made in cooperation, con-
sultation, or concert with candidates.—For
purposes of subsection (a)(1)(A), if the person who
makes a payment for a covered communication, as defined in subsection (d), is a coordinated spender under paragraph (2) with respect to the candidate as described in subsection (d)(1), the payment for the covered communication is made in cooperation, consultation, or concert with the candidate.

“(2) COORDINATED SPENDER DEFINED.—For purposes of this subsection, the term ‘coordinated spender’ means, with respect to a candidate or an authorized committee of a candidate, a person (other than a political committee of a political party) for which any of the following applies:

“(A) During the 4-year period ending on the date on which the person makes the payment, the person was directly or indirectly formed or established by or at the request or suggestion of, or with the encouragement of, the candidate (including an individual who later becomes a candidate) or committee or agents of the candidate or committee, including with the approval of the candidate or committee or agents of the candidate or committee.

“(B) The candidate or committee or any agent of the candidate or committee solicits funds, appears at a fundraising event, or en-
gages in other fundraising activity on the person’s behalf during the election cycle involved, including by providing the person with names of potential donors or other lists to be used by the person in engaging in fundraising activity, regardless of whether the person pays fair market value for the names or lists provided. For purposes of this subparagraph, the term ‘election cycle’ means, with respect to an election for Federal office, the period beginning on the day after the date of the most recent general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election) and ending on the date of the next general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election).

“(C) The person is established, directed, or managed by the candidate or committee or by any person who, during the 4-year period ending on the date on which the person makes the payment, has been employed or retained as a political, campaign media, or fundraising adviser or consultant for the candidate or committee or for any other entity directly or indi-
rectly controlled by the candidate or committee,
or has held a formal position with the candidate
or committee (including a position as an em-
ployee of the office of the candidate at any time
the candidate held any Federal, State, or local
public office during the 4-year period).

“(D) The person has retained the profes-
sional services of any person who, during the 2-
year period ending on the date on which the
person makes the payment, has provided or is
providing professional services relating to the
campaign to the candidate or committee, with-
out regard to whether the person providing the
professional services used a firewall. For pur-
poses of this subparagraph, the term ‘profes-
sional services’ includes any services in support
of the candidate’s or committee’s campaign ac-
tivities, including advertising, message, strat-
egy, policy, polling, allocation of resources,
fundraising, and campaign operations, but does
not include accounting or legal services.

“(E) The person is established, directed, or
managed by a member of the immediate family
of the candidate, or the person or any officer or
agent of the person has had more than inci-
dental discussions about the candidate’s campaign with a member of the immediate family of the candidate. For purposes of this subparagraph, the term ‘immediate family’ has the meaning given such term in section 9004(e) of the Internal Revenue Code of 1986.

“(d) COVERED COMMUNICATION DEFINED.—

“(1) IN GENERAL.—For purposes of this section, the term ‘covered communication’ means, with respect to a candidate or an authorized committee of a candidate, a public communication (as defined in section 301(22)) which—

“(A) expressly advocates the election of the candidate or the defeat of an opponent of the candidate (or contains the functional equivalent of express advocacy);

“(B) promotes or supports the election of the candidate, or attacks or opposes the election of an opponent of the candidate (regardless of whether the communication expressly advocates the election or defeat of a candidate or contains the functional equivalent of express advocacy); or

“(C) refers to the candidate or an opponent of the candidate but is not described in
subparagraph (A) or subparagraph (B), but only if the communication is disseminated during the applicable election period.

“(2) APPLICABLE ELECTION PERIOD.—In paragraph (1)(C), the ‘applicable election period’ with respect to a communication means—

“(A) in the case of a communication which refers to a candidate in a general, special, or runoff election, the 120-day period which ends on the date of the election; or

“(B) in the case of a communication which refers to a candidate in a primary or preference election, or convention or caucus of a political party that has authority to nominate a candidate, the 60-day period which ends on the date of the election or convention or caucus.

“(3) SPECIAL RULES FOR COMMUNICATIONS INVOLVING CONGRESSIONAL CANDIDATES.—For purposes of this subsection, a public communication shall not be considered to be a covered communication with respect to a candidate for election for an office other than the office of President or Vice President unless it is publicly disseminated or distributed in the jurisdiction of the office the candidate is seeking.
“(e) Penalty.—

“(1) Determination of Amount.—Any person who knowingly and willfully commits a violation of this Act by making a contribution which consists of a payment for a coordinated expenditure shall be fined an amount equal to the greater of—

“(A) in the case of a person who makes a contribution which consists of a payment for a coordinated expenditure in an amount exceeding the applicable contribution limit under this Act, 300 percent of the amount by which the amount of the payment made by the person exceeds such applicable contribution limit; or

“(B) in the case of a person who is prohibited under this Act from making a contribution in any amount, 300 percent of the amount of the payment made by the person for the coordinated expenditure.

“(2) Joint and Several Liability.—Any director, manager, or officer of a person who is subject to a penalty under paragraph (1) shall be jointly and severally liable for any amount of such penalty that is not paid by the person prior to the expiration of the 1-year period which begins on the date the Commission imposes the penalty or the 1-year period
