To direct the Secretary of Defense to provide medical providers of the Department of Defense mandatory training with respect to the potential health effects of perfluoroalkyl or polyfluoroalkyl substances.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. MANDATORY TRAINING ON HEALTH EFFECTS OF PERFLUOROALKYL OR POLYFLUOROALKYL SUBSTANCES.

The Secretary of Defense shall provide to each medical provider of the Department of Defense mandatory
training with respect to the potential health effects of perfluoroalkyl or polyfluoroalkyl substances.
