To establish a minimum temperature for thermostats at the headquarters of the Department of Energy and the Environmental Protection Agency, and for other purposes.

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 12, 2022

Ms. Ernst introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

A BILL

To establish a minimum temperature for thermostats at the headquarters of the Department of Energy and the Environmental Protection Agency, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Lead by Example Act of 2022”.

SEC. 2. THERMOSTATS AT DOE AND EPA HEADQUARTERS.

(a) IN GENERAL.—The Secretary of Energy and the Administrator of the Environmental Protection Agency shall set all thermostats in the 1 or more buildings com-
prising the headquarters of the Department of Energy and
the Environmental Protection Agency, respectively, to not
lower than 78 degrees Fahrenheit when the air condi-
tioning system is in operation.

(b) REPORTS.—Not later than 90 days after the date
of enactment of this Act, the Secretary of Energy and the
Administrator of the Environmental Protection Agency
shall each submit to Congress a report describing the tem-
perature at which thermostats have been set in the 1 or
more buildings comprising the headquarters of the De-
partment of Energy and the Environmental Protection
Agency, respectively, during the period beginning on Janu-
ary 20, 2021, and ending on the date of enactment of this
Act.
