H. R. 7626

To prohibit the Secretary of Energy from prescribing or enforcing energy conservation standards for room air conditioners that are not cost-effective or technologically feasible, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MARCH 12, 2024

Mr. CRENSHAW introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To prohibit the Secretary of Energy from prescribing or enforcing energy conservation standards for room air conditioners that are not cost-effective or technologically feasible, and for other purposes.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Affordable Air Condi-
5 tioning Act”.

SEC. 2. PRESCRIBING AND ENFORCING ENERGY CONSERVATION STANDARDS FOR ROOM AIR CONDITIONERS.

(a) **Technologically Feasible and Economically Justified.**—Notwithstanding subsections (m), (n), and (o) of section 325 of the Energy Policy and Conservation Act (42 U.S.C. 6295), the Secretary of Energy may not—

(1) prescribe a new or an amended energy conservation standard for a covered product that is a room air conditioner under such section unless the Secretary of Energy determines that the prescription and imposition of such energy conservation standard is technologically feasible and economically justified; or

(2) enforce an energy conservation standard prescribed under such section for a covered product that is a room air conditioner if the Secretary of Energy determines that enforcement of or compliance with such energy conservation standard is not technologically feasible or economically justified.

(b) **Prohibition on Increased Costs to Consumers.**—Notwithstanding subsections (m), (n), and (o) of section 325 of the Energy Policy and Conservation Act (42 U.S.C. 6295), the Secretary of Energy may not—
(1) prescribe a new or an amended energy conservation standard for a covered product that is a room air conditioner under such section unless the Secretary of Energy determines that the prescription and imposition of such energy conservation standard is not likely to result in additional net costs to the consumer, including any increase in net costs associated with the purchase, installation, maintenance, disposal, and replacement of the covered product; or

(2) enforce an energy conservation standard prescribed under such section for a covered product that is a room air conditioner if the Secretary of Energy determines that enforcement of or compliance with such energy conservation standard is likely to result in additional net costs to the consumer, including any increase in net costs associated with the purchase, installation, maintenance, disposal, and replacement of the covered product.

(c) Significant Energy Savings Requirement.—Notwithstanding subsections (m), (n), and (o) of section 325 of the Energy Policy and Conservation Act (42 U.S.C. 6295), the Secretary of Energy may not—

(1) prescribe a new or an amended energy conservation standard for a covered product that is a room air conditioner under such section if the Sec-
retary of Energy determines that the prescription
and imposition of such energy conservation standard
will not result in significant conservation of energy;
or
(2) enforce an energy conservation standard
prescribed under such section for a covered product
that is a room air conditioner if the Secretary of En-
ergy determines that enforcement of or compliance
with such energy conservation standard will not re-
sult in significant conservation of energy.

(d) COVERED PRODUCT; ENERGY CONSERVATION
STANDARD.—In this section, the terms “covered product”
and “energy conservation standard” have the meanings
given such terms in section 321 of the Energy Policy and
