RESOLUTION

Impeaching Joseph R. Biden, Jr., President of the United States, for high crimes and misdemeanors.

1 *Resolved*, That Joseph Robinette Biden, Jr., is im-
2 peached for high crimes and misdemeanors and that the
3 following articles of impeachment be exhibited to the
4 United States Senate:

5 Articles of impeachment exhibited by the House of
6 Representatives of the United States of America in the
7 name of itself and of the people of the United States of

1 America, against Joseph R. Biden, Jr., President of the
2 United States, in maintenance and support of its impeach-
3 ment against him for high crimes and misdemeanors.

4 ARTICLE I: ABUSE OF POWER

5
6 The Constitution provides that the House of Rep-
7 resentatives “shall have the sole Power of Impeachment”
8 and that the President of the United States “shall be re-
9 moved from Office on Impeachment for, and Conviction
10 of, Treason, Bribery, or other high Crimes and Mis-
11 demeanors”. In his conduct as President of the United
12 States—and in violation of his constitutional oath faith-
13 fully to execute the office of the President of the United
14 States and, to the best of his ability, preserve, protect,
15 and defend the Constitution of the United States, and in
16 violation of his constitutional duty to take care that the
17 laws be faithfully executed—Joseph R. Biden, Jr., has
18 abused the powers of the office of the President of the
19 United States, in that:

20 Using the powers of his high office, President Biden
21 has knowingly presided over an executive branch that has
22 continuously, overtly, and consistently violated Federal
23 immigration law by pursuing an aggressive, open-borders
24 agenda by purposefully and knowingly releasing more than
25 2,000,000 illegal aliens into the interior of the United
26 States without the intention or ability to ensure that they

1 appear in immigration court to face asylum or deportation
2 proceedings.

3 President Biden has intentionally facilitated a com-
4 plete and total invasion at the southern border. President
5 Biden ended the Migrant Protection Protocols to require
6 aliens seeking asylum to remain in Mexico while being
7 processed by the Department of Homeland Security.
8 President Biden has closed Department of Homeland Se-
9 curity detention facilities and refused to cooperate with
10 State and local law enforcement officials in securing the
11 border. He has allowed illegal aliens to enter the United
12 States as asylum seekers despite knowing they did not
13 qualify for asylum. President Biden has pursued this
14 open-border agenda purposefully and willfully, circum-
15 venting every safeguard, check, and balance required by
16 law, resulting in mass illegal immigration into the United
17 States, to the detriment of the American people.

18 President Biden, with such conduct, has dem-
19 onstrated a failure to uphold Federal immigration law,
20 violating his oath to the Constitution if allowed to remain
21 in office, and has acted in a manner grossly incompatible
22 with the rule of law and to the manifest injury of the peo-
23 ple of the United States.

24 Wherefore, President Biden, by such conduct, war-
25 rants impeachment and trial, removal from office, and dis-

1 qualification to hold and enjoy any office of honor, trust,
2 or profit under the United States.

3 ARTICLE II: DERELICTION OF DUTY

4
5 The Constitution provides that the House of Rep-
6 resentatives “shall have the sole Power of Impeachment”
7 and that the President of the United States “shall be re-
8 moved from Office on Impeachment for, and Conviction
9 of, Treason, Bribery, or other high Crimes and Mis-
10 demeanors”. In his conduct as President of the United
11 States—and in violation of his constitutional oath faith-
12 fully to execute the office of the President of the United
13 States and, to the best of his ability, preserve, protect,
14 and defend the Constitution of the United States, and in
15 violation of his constitutional duty to take care that the
16 laws be faithfully executed—Joseph R. Biden, Jr., has ne-
17 glected the constitutional duty of the office of the Presi-
18 dent of the United States, in that:

19 Neglecting the powers of his high office, President
20 Biden has abandoned his duties to ensure that the laws
21 are faithfully executed and upheld, by presiding over an
22 executive branch that has continually, overtly, and consist-
23 ently refused to enforce the Nation’s immigration laws and
24 secure the southern border. President Biden has endan-
25 gered the security of the United States and the health and
26 safety of the American people. President Biden has caused

1 a national security crisis and is endangering the lives of
2 the American people.

3 President Biden has presided over the largest influx
4 of illegal immigrants in American history, and as evidence
5 of his dereliction, the deportation cases pursued by his ad-
6 ministration are at historic lows. President Biden’s neg-
7 ligence of duty has resulted in the surrender of operational
8 control of the border to the complete and total control of
9 foreign, criminal cartels—putting the lives of American
10 citizens in jeopardy. On President Biden’s watch, illegal
11 aliens have been processed and released into the interior
12 of the country under a mass system of parole, contrary
13 to the clear terms of Federal immigration law. Utilizing
14 the “CBP ONE” program, the executive branch will re-
15 lease nearly 40,000 illegal aliens per month into the
16 United States. He has failed to uphold the mandatory de-
17 tention and deportation provisions of immigration laws,
18 resulting in the mass entry of inadmissible aliens and the
19 continued presence of deportable aliens. Through this
20 complete and total dereliction of duty and extreme absence
21 in oversight of his own administration’s policies, President
22 Biden has allowed more than 1,500,000 illegal immigrants
23 to invade the southern border. On Joe Biden’s watch, il-
24 licit fentanyl has killed more than 100,000 American citi-
25 zens. In fiscal year 2023, U.S. Customs and Border Patrol

1 seized more than 9,000 pounds of fentanyl at the southern
2 border.

3 In his failure to uphold the rule of law, President
4 Biden has demonstrated that he will neglect his duty to
5 execute the office to which he has been entrusted, violating
6 his oath to the Constitution if allowed to remain in office,
7 and has acted in a manner grossly incompatible with his
8 constitutional duty to take care that the laws of the
9 United States be faithfully executed.

10 Wherefore, President Biden, by such conduct, war-
11 rants impeachment and trial, removal from office, and dis-
12 qualification to hold and enjoy any office of honor, trust,
13 or profit under the United States.
