

119TH CONGRESS
1ST SESSION

H. R. 2385

To establish the National Artificial Intelligence Research Resource, and for
other purposes.

IN THE HOUSE OF REPRESENTATIVES

MARCH 26, 2025

Mr. OBERNOLTE (for himself and Mr. BEYER) introduced the following bill;
which was referred to the Committee on Science, Space, and Technology

A BILL

To establish the National Artificial Intelligence Research
Resource, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Creating Resources
5 for Every American To Experiment with Artificial Intel-
6 ligence Act of 2025” or the “CREATE AI Act of 2025”.

7 **SEC. 2. FINDINGS.**

8 Congress finds the following:

1 (1) Cutting-edge artificial intelligence research
2 relies on access to computational resources and large
3 datasets.

4 (2) Access to the computational resources and
5 datasets necessary for artificial intelligence research
6 and development is often limited to very large tech-
7 nology companies.

8 (3) The lack of access to computational and
9 data resources has resulted in insufficient diversity
10 in the artificial intelligence research and develop-
11 ment community.

12 (4) Engaging the full and diverse talent of the
13 United States is critical for maintaining United
14 States leadership in artificial intelligence and ensur-
15 ing that artificial intelligence is developed in a man-
16 ner that benefits all people of the United States.

17 (5) The National Artificial Intelligence Re-
18 search Resource Task Force, authorized under sec-
19 tion 5106 of the National Artificial Intelligence Ini-
20 tiative Act of 2020 (15 U.S.C. 9401 et seq.), rec-
21 ommended the establishment of a National Artificial
22 Intelligence Research Resource in a report entitled
23 “Strengthening and Democratizing the U.S. Artifi-
24 cial Intelligence Innovation Ecosystem: An Imple-

1 mentation Plan for a National Artificial Intelligence
2 Research Resource”, issued on January 24, 2023.

3 **SEC. 3. NATIONAL ARTIFICIAL INTELLIGENCE RESEARCH**
4 **RESOURCE.**

5 (a) NAIRR STEERING SUBCOMMITTEE.—Section
6 5103 of the William M. (Mac) Thornberry National De-
7 fense Authorization Act for Fiscal Year 2021 (15 U.S.C.
8 9413) is amended—

9 (1) by redesignating subsection (e) as sub-
10 section (f); and

11 (2) by inserting after subsection (d) the fol-
12 lowing:

13 “(e) NAIRR STEERING SUBCOMMITTEE.—

14 “(1) DEFINITION.—In this subsection, the
15 terms ‘NAIRR’, ‘National Artificial Intelligence Re-
16 search Resource’, ‘Operating Entity’, ‘Program
17 Management Office’, and ‘resources of the NAIRR’
18 have the meanings given the terms in section 5601.

19 “(2) ESTABLISHMENT.—There is established
20 within the Interagency Committee a Steering Sub-
21 committee for the National Artificial Intelligence Re-
22 search Resource (referred to in this section as the
23 ‘NAIRR Steering Subcommittee’).

24 “(3) CHAIR AND ASSISTANT CHAIRS.—The
25 NAIRR Steering Subcommittee shall be chaired by

1 the Director of the Office of Science and Technology
2 Policy. The Director of the Office of Science and
3 Technology Policy may establish assistant chairs of
4 the NAIRR Steering Subcommittee based on mem-
5 bers of the NAIRR Steering Subcommittee rotating
6 into the assistant chair positions on a predetermined
7 schedule.

8 “(4) MEMBERSHIP.—The Director of the Office
9 of Science and Technology Policy shall select mem-
10 bers of the Interagency Committee to serve on the
11 NAIRR Steering Subcommittee that the Director de-
12 termines—

13 “(A) have substantial expertise;

14 “(B) have substantially funded or con-
15 ducted artificial intelligence research and devel-
16 opment; or

17 “(C) have some other significant relation-
18 ship with the NAIRR.

19 “(5) CHANGES TO NAIRR STEERING SUB-
20 COMMITTEE COMPOSITION.—Not less frequently
21 than once a year, the Director of the Office of
22 Science and Technology Policy shall review the com-
23 position of the NAIRR Steering Subcommittee and
24 update such composition, which may include adding

1 or removing members from the NAIRR Steering
2 Subcommittee, if necessary.

3 “(6) SUBCOMMITTEES AND WORKING
4 GROUPS.—The NAIRR Steering Subcommittee may
5 establish subcommittees, working groups, or other
6 permanent or temporary bodies of certain members
7 of the NAIRR Steering Subcommittee.

8 “(7) DUTIES.—The NAIRR Steering Sub-
9 committee shall—

10 “(A) coordinate with the National Science
11 Foundation and the Program Management Of-
12 fice to—

13 “(i) oversee and approve the operating
14 plan for the NAIRR;

15 “(ii) review the budget for the
16 NAIRR;

17 “(iii) develop and release a request for
18 proposals to solicit bids for the Operating
19 Entity, including establishing the terms
20 and conditions and functions of the Oper-
21 ating Entity; and

22 “(iv) develop and release funding op-
23 portunities for resources of the NAIRR;

24 “(B) work with the Program Management
25 Office to establish criteria for the Operating

1 Entity, review candidates, and select an entity
2 to act as the Operating Entity;

3 “(C) identify resources that could be fed-
4 erated, participate in resource provider selection
5 and funding, and provide direction to the Oper-
6 ating Entity about resource allocation and how
7 those resources should be made accessible via
8 the NAIRR;

9 “(D) define key performance indicators for
10 the NAIRR, in conjunction with the Program
11 Management Office and any relevant Advisory
12 Committees established under section 5602(c);

13 “(E) evaluate NAIRR performance against
14 the key performance indicators defined under
15 subparagraph (D) on a periodic basis and not
16 less frequently than once every year;

17 “(F) develop an annual report, transmitted
18 to the Director of the Office of Science and
19 Technology Policy and publicly released, on the
20 progress of the National Artificial Intelligence
21 Research Resource that includes—

22 “(i) a summary of the results of the
23 evaluation conducted under subparagraph
24 (E); and

1 “(ii) any recommendations for
2 changes to the NAIRR; and

3 “(G) oversee a periodic independent assess-
4 ment of the NAIRR.

5 “(8) PROVISION OF RESOURCES OF THE
6 NAIRR.—Each agency comprising the NAIRR Steer-
7 ing Subcommittee is authorized to provide the Oper-
8 ating Entity with resources of the NAIRR or fund-
9 ing for resources of the NAIRR.”.

10 (b) IN GENERAL.—The National Artificial Intel-
11 ligence Initiative Act of 2020 (15 U.S.C. 9401 et seq.)
12 is amended by adding at the end the following:

13 **“TITLE LVI—NATIONAL ARTIFI-**
14 **CIAL INTELLIGENCE RE-**
15 **SEARCH RESOURCE**

“Sec. 5601. Definitions.

“Sec. 5602. Establishment; governance.

“Sec. 5603. Resources of the NAIRR.

“Sec. 5604. NAIRR processes and procedures.

“Sec. 5605. NAIRR funding.

16 **“SEC. 5601. DEFINITIONS.**

17 “In this title:

18 “(1) ADVISORY COMMITTEE.—The term ‘Advi-
19 sory Committee’ means any Advisory Committee es-
20 tablished under section 5602(c).

21 “(2) AI TESTBED.—The term ‘AI testbed’
22 means a testbed described in section 22A(g) of the

1 National Institute of Standards and Technology Act
2 (15 U.S.C. 278h–1(g)).

3 “(3) EXECUTIVE AGENCY.—The term ‘Execu-
4 tive agency’ has the meaning given such term in sec-
5 tion 105 of title 5, United States Code.

6 “(4) NATIONAL ARTIFICIAL INTELLIGENCE RE-
7 SEARCH RESOURCE; NAIRR.—The terms ‘National
8 Artificial Intelligence Research Resource’ and
9 ‘NAIRR’ have the meaning given the term ‘National
10 Artificial Intelligence Research Resource’ in section
11 5601(g).

12 “(5) OPERATING ENTITY.—The term ‘Oper-
13 ating Entity’ means the Operating Entity selected
14 by the Program Management Office as described in
15 section 5602(b)(3)(A).

16 “(6) PROGRAM MANAGEMENT OFFICE.—The
17 term ‘Program Management Office’ means the Pro-
18 gram Management Office established under section
19 5602(b).

20 “(7) RESOURCE OF THE NAIRR.—The term ‘re-
21 source of the NAIRR’ means a resource described in
22 section 5603(b).

23 “(8) NAIRR STEERING SUBCOMMITTEE.—The
24 term ‘NAIRR Steering Subcommittee’ means the

1 NAIRR Steering Subcommittee established under
2 section 5103(e).

3 “(9) STEM.—The term ‘STEM’ means science,
4 technology, engineering, and mathematics, including
5 computer science.

6 **“SEC. 5602. ESTABLISHMENT; GOVERNANCE.**

7 “(a) ESTABLISHMENT.—Not later than one year
8 after the date of the enactment of the Creating Resources
9 for Every American To Experiment with Artificial Intel-
10 ligence Act of 2025, the Director of the National Science
11 Foundation, in coordination with the NAIRR Steering
12 Subcommittee, shall establish the National Artificial Intel-
13 ligence Research Resource to—

14 “(1) spur innovation and advance the develop-
15 ment of artificial intelligence to stimulate cutting-
16 edge research and propel the strategic development
17 of artificial intelligence capabilities;

18 “(2) improve access to artificial intelligence re-
19 sources for researchers and students of artificial in-
20 telligence;

21 “(3) improve capacity for artificial intelligence
22 research in the United States; and

23 “(4) support the testing, benchmarking, and
24 evaluation of artificial intelligence systems developed
25 and deployed in the United States.

1 “(b) PROGRAM MANAGEMENT OFFICE.—

2 “(1) ESTABLISHMENT.—The Director of the
3 National Science Foundation shall establish within
4 the National Science Foundation a Program Man-
5 agement Office to oversee the day-to-day functions
6 of the NAIRR and shall appoint an individual to
7 head the Program Management Office.

8 “(2) STAFF.—

9 “(A) IN GENERAL.—The head of the Pro-
10 gram Management Office may identify staff
11 and direct all employees of the Program Man-
12 agement Office, in accordance with the applica-
13 ble provisions of title 5, United States Code.

14 “(B) REPRESENTATION AND REQUIRE-
15 MENTS.—The staff of the Program Manage-
16 ment Office—

17 “(i) may include representation from
18 other Federal agencies providing support
19 for NAIRR resources; and

20 “(ii) shall include not fewer than
21 three full-time employees.

22 “(3) DUTIES.—The duties of the Program
23 Management Office shall include—

1 “(A) in coordination with the NAIRR
2 Steering Subcommittee and any relevant Advi-
3 sory Committee as appropriate—

4 “(i) developing the funding oppor-
5 tunity and soliciting bids for the Operating
6 Entity, which will be responsible for oper-
7 ation of the National Artificial Intelligence
8 Research Resource;

9 “(ii) selecting, through a competitive
10 and transparent process, a nongovern-
11 mental organization, which may be an
12 independent legal entity or a consortium of
13 1 or more partners (which may include
14 federally funded research and development
15 centers), to be designated the Operating
16 Entity;

17 “(iii) overseeing compliance with the
18 contractual obligations of the Operating
19 Entity;

20 “(iv) establishing evaluation criteria
21 for the NAIRR;

22 “(v) overseeing asset allocation and
23 utilization;

24 “(vi) identifying an external inde-
25 pendent evaluation entity;

1 “(vii) assessing the performance of
2 the Operating Entity on not less than an
3 annual basis and, if such performance is
4 unsatisfactory, ending the agreement with
5 such Operating Entity and selecting a new
6 Operating Entity in accordance with clause
7 (ii);

8 “(viii) developing multi-agency fund-
9 ing opportunities for the selection of
10 NAIRR resources; and

11 “(ix) coordinating resource contribu-
12 tions from participating Federal agencies;
13 and

14 “(B) delegating, with appropriate over-
15 sight, operational tasks to the Operating Enti-
16 ty, including—

17 “(i) coordinating the provisioning of
18 resources of the NAIRR;

19 “(ii) maintaining a portal and associ-
20 ated services for users to access resources
21 of the NAIRR;

22 “(iii) developing policies and proce-
23 dures for the NAIRR;

24 “(iv) hiring and managing a staff (in-
25 cluding experts in cyber infrastructure

1 management, data science, research de-
2 sign, privacy, ethics, and legal and policy
3 matters) to support the operations of the
4 NAIRR;

5 “(v) continually modernizing NAIRR
6 infrastructure;

7 “(vi) recommending key performance
8 indicators for the NAIRR, in coordination
9 with the NAIRR Steering Subcommittee
10 and any relevant Advisory Committee;

11 “(vii) publishing publicly available an-
12 nual reports reviewing the performance of
13 the NAIRR, the resources of the NAIRR,
14 and the NAIRR governance structures;

15 “(viii) establishing and administering
16 training to new users on accessing a re-
17 source of the NAIRR, research design, and
18 issues related to privacy, ethics, safety, and
19 trustworthiness of artificial intelligence
20 systems;

21 “(ix) facilitating connections to AI
22 testbeds; and

23 “(x) making educational resources of
24 the NAIRR available to other Federal
25 agencies, and to Congress, for the purpose

1 of educating Federal Government officials
2 and employees about artificial intelligence.

3 “(c) ADVISORY COMMITTEES.—The head of the Pro-
4 gram Management Office, acting through the Director of
5 the Operating Entity, shall establish Advisory Committees
6 to provide advice to the Operating Entity and the Program
7 Management Office. Any such Advisory Committees shall
8 be comprised of members from government agencies, the
9 private sector, academia, and public interest groups.
10 Chapter 10 of title 5, United States Code, shall not apply
11 to any such Advisory Committee.

12 **“SEC. 5603. RESOURCES OF THE NAIRR.**

13 “(a) IN GENERAL.—The head of the Program Man-
14 agement Office, acting through the Director of the Oper-
15 ating Entity and in coordination with the NAIRR Steering
16 Subcommittee and any relevant Advisory Committee,
17 shall—

18 “(1) coordinate and provision resources of the
19 NAIRR;

20 “(2) establish processes to manage the procure-
21 ment of new resources of the NAIRR, and intake of
22 in-kind contribution of resources of the NAIRR,
23 from Federal agencies or other entities;

1 “(3) establish policies on and review resources
2 of the NAIRR for concerns related to ethics and pri-
3 vacy;

4 “(4) retire resources of the NAIRR no longer
5 available or needed; and

6 “(5) publicly report a summary of categories of
7 available resources of the NAIRR, categories of
8 sources of such resources of the NAIRR, and issues
9 related to resources of the NAIRR.

10 “(b) RESOURCES OF THE NAIRR.—The NAIRR
11 shall offer resources that include, at a minimum, all of
12 the following, subject to the availability of appropriations:

13 “(1) A mix of computational resources, includ-
14 ing—

15 “(A) on-premises, cloud-based, hybrid, and
16 emergent resources;

17 “(B) public cloud providers providing ac-
18 cess to popular computational and storage serv-
19 ices for NAIRR users;

20 “(C) an open source software environment
21 for the NAIRR;

22 “(D) an application programming interface
23 providing structured access to artificial intel-
24 ligence models; and

1 “(E) other types of computational re-
2 sources.

3 “(2) Data, including by—

4 “(A)(i) in coordination with the National
5 Institute of Standards and Technology and con-
6 sistent with the guidance of the National
7 Science and Technology Council titled ‘Desir-
8 able Characteristics of Data Repositories for
9 Federally Funded Data,’ dated May 2022, or
10 any successor document, publishing interoper-
11 ability standards for data repositories based on
12 the data sharing and documentation standards
13 and guidelines produced under section 22A of
14 the National Institute of Standards and Tech-
15 nology Act (15 U.S.C. 278h–1); and

16 “(ii) selecting and developing, through a
17 competitive bidding process, data repositories to
18 be available to NAIRR users;

19 “(B) establishing acceptable criteria for
20 datasets used as resources of the NAIRR;

21 “(C) identifying and providing access to
22 existing curated datasets of value and interest
23 to the NAIRR user community;

1 “(D) establishing an artificial intelligence
2 open data commons to facilitate community
3 sharing and curation of data, code, and models;

4 “(E) coordinating with the Interagency
5 Council on Statistical Policy to explore options
6 to make Federal statistical data available to
7 NAIRR users, including through the standard
8 application process established under section
9 3583(a) of title 44, United States Code; and

10 “(F) other types of computational re-
11 sources.

12 “(3) Educational tools and services, including
13 by—

14 “(A) facilitating and curating educational
15 and training materials;

16 “(B) providing technical training and user
17 support; and

18 “(C) providing targeted outreach and pro-
19 gramming strategies to increase participation in
20 STEM fields.

21 “(4) AI testbeds, including by—

22 “(A) in coordination with the National In-
23 stitute of Standards and Technology, facili-
24 tating access to artificial intelligence testbeds
25 through which researchers can measure, bench-

mark, test, or evaluate engineering or algorithmic developments; and

“(B) developing a comprehensive catalog of open AI testbeds.

“SEC. 5604. NAIRR PROCESSES AND PROCEDURES.

“(a) USER ELIGIBILITY.—

“(1) ELIGIBLE USERS.—Subject to paragraph (3), the following users shall be eligible for access to the NAIRR:

“(A) A researcher, educator, or student based in the United States that is affiliated with an entity described in paragraph (2).

“(B) An employee of an entity described in clause (iii) or (iv) of paragraph (2)(B) with a demonstrable mission-need.

“(2) ENTITIES DESCRIBED.—An entity described in this paragraph is an entity that satisfies the following:

“(A) Is based in the United States.

“(B) Is one of the following:

“(i) An institution of higher education.

“(ii) A nonprofit institution (as such term is defined in section 4 of the Steven-

son-Wydler Technology Innovation Act of
1980 (15 U.S.C. 3703)).

“(iii) An Executive agency.

“(iv) A federally funded research and
development center.

“(v) A small business concern (as
such term is defined in section 3 of the
Small Business Act (15 U.S.C. 632), not-
withstanding section 121.103 of title 13,
Code of Federal Regulations) that has re-
ceived funding from an Executive agency,
including through the Small Business In-
novation Research Program or the Small
Business Technology Transfer Program
(as described in section 9 of the Small
Business Act (15 U.S.C. 638)).

“(vi) A category of entity that the Di-
rector of the National Science Foundation
and the Director of the Office of Science
and Technology Policy, after consultation
with the NAIRR Steering Subcommittee
and any relevant Advisory Committee, de-
termine shall be eligible.

“(vii) A consortium composed of enti-
ties described in clauses (i) through (vi).

1 “(3) EXCLUDED ENTITIES.—

2 “(A) IN GENERAL.—No individual is au-
3 thorized to be an eligible user under paragraph
4 (1) if the individual is employed by a foreign
5 country that is listed in section 4872(d)(2) of
6 title 10, United States Code, or is otherwise au-
7 thorized by such country to act for or on its be-
8 half.

9 “(B) ENFORCEMENT.—The Director of the
10 National Science Foundation shall ensure that
11 individuals authorized as eligible users meet the
12 requirements of subparagraph (A).

13 “(b) PRIVACY, ETHICS, CIVIL RIGHTS AND CIVIL
14 LIBERTIES, SAFETY, AND TRUSTWORTHINESS.—

15 “(1) IN GENERAL.—

16 “(A) REQUIREMENTS.—The head of the
17 Program Management Office, acting through
18 the Director of the Operating Entity and in
19 consultation with any relevant Advisory Com-
20 mittee, shall establish requirements, a review
21 process for applications, and a process for au-
22 diting resources of the NAIRR and research
23 conducted using resources of the NAIRR on
24 matters related to privacy, ethics, safety, secu-
25 rity, and trustworthiness of artificial intel-

1 ligence systems developed using resources of the
2 NAIRR.

3 “(B) FEDERAL STATISTICAL DATA.—Any
4 auditing process required under subparagraph
5 (A) for Federal statistical data included in a re-
6 source of the NAIRR shall be completed by the
7 head of a designated statistical agency (as de-
8 fined in section 3576(e) of title 44, United
9 States Code), in coordination with the Chief
10 Statistician of the United States, consistent
11 with relevant law.

12 “(2) CONSISTENCY.—The head of the Program
13 Management Office shall ensure the requirements
14 and processes described in paragraph (1) are con-
15 sistent with the policies of the Office of Management
16 and Budget policy and relevant policies of other Ex-
17 ecutive agencies. The head of the Program Manage-
18 ment Office shall coordinate with the Senior Agency
19 Official for Privacy and the General Counsel of the
20 National Science Foundation in ensuring compliance
21 with applicable privacy law and policy and Federal
22 laws and regulations.

23 “(3) AVAILABILITY.—The head of the Program
24 Management Office, acting through the Director of
25 the Operating Entity, shall—

1 “(A) when determining access to computa-
2 tional resources of the NAIRR, take into con-
3 sideration the extent to which the access relates
4 to privacy, ethics, safety, security, risk mitiga-
5 tion, and trustworthiness of artificial intel-
6 ligence systems, or other topics that dem-
7 onstrate that a project is in the public interest;

8 “(B) ensure that a significant percentage
9 of the annual allotment of computational re-
10 sources of the NAIRR is provided to projects
11 the primary focus of which is related to any of
12 the topics described in subparagraph (A); and

13 “(C) to the extent that demand for access
14 to computational resources of the NAIRR ex-
15 ceeds availability, consider, on a priority basis,
16 projects focusing on any of the topics described
17 in subparagraph (A) when ranking applications
18 for such access.

19 “(c) SCIENTIFIC INTEGRITY.—

20 “(1) IN GENERAL.—The head of the Program
21 Management Office, acting through the Director of
22 the Operating Entity and in consultation with any
23 relevant Advisory Committee, shall develop guidance
24 for—

1 “(A) addressing concerns related to mat-
2 ters of scientific integrity, including matters re-
3 lated to the effects or impacts of research and
4 potential research enabled by the NAIRR; and

5 “(B) mechanisms for an employee of the
6 Operating Entity, an employee of the Program
7 Management Office, a member of the NAIRR
8 Steering Subcommittee or an Advisory Com-
9 mittee, a researcher or student affiliated with a
10 NAIRR user described in subsection (a)(1), an
11 employee of a provider of a resource of the
12 NAIRR, an employee of a NAIRR funding
13 agency, or a member of the public to report vio-
14 lations of the guidance developed under this
15 paragraph, including by confidential and anony-
16 mous means.

17 “(2) CONSISTENCY WITH GOVERNMENT POLI-
18 CIES ON SCIENTIFIC INTEGRITY.—The guidance de-
19 veloped under paragraph (1)(A) shall be published in
20 a publicly accessible location on the website of the
21 NAIRR. Such policies shall, to the degree prac-
22 ticable, be consistent with—

23 “(A) the Presidential memorandum enti-
24 tled ‘Restoring Trust in Government Through
25 Scientific Integrity and Evidence-Based Policy-

1 making’, dated January 27, 2021, or successor
2 document; and

3 “(B) reports produced pursuant to such
4 Presidential memorandum (including the re-
5 ports entitled ‘Protecting the Integrity of Gov-
6 ernment Science’, dated January 2022, and ‘A
7 Framework for Federal Scientific Integrity Pol-
8 icy and Practice’, dated January 2023, pub-
9 lished by the National Science and Technology
10 Council, or successor documents).

11 “(d) SYSTEM SECURITY AND USER ACCESS CON-
12 TROLS.—The head of the Program Management Office,
13 acting through the Director of the Operating Entity and
14 in consultation with the NAIRR Steering Subcommittee,
15 the Director of the Office of Management and Budget, the
16 Director of the National Institute of Standards and Tech-
17 nology, and the Director of the Cybersecurity and Infra-
18 structure Security Agency—

19 “(1) shall establish minimum security require-
20 ments for all persons interacting with the NAIRR,
21 consistent with the most recent version of the Cyber-
22 security Framework, or successor document, main-
23 tained by the National Institute of Standards and
24 Technology; and

1 “(2) may establish tiers of security require-
2 ments and user access controls beyond the minimum
3 requirements relative to security risks.

4 “(e) FEE SCHEDULE.—The head of the Program
5 Management Office, acting through the Director of the
6 Operating Entity, may establish a fee schedule for access
7 to the NAIRR. Fees charged under this subsection may
8 be retained and used for the purposes of this title. The
9 Operating Entity may only charge fees in such fee sched-
10 ule. Such fee schedule—

11 “(1) may differ by type of eligible user and type
12 of affiliated entity described in subsection (a);

13 “(2) shall include a free tier of access based on
14 appropriated funds and anticipated costs and de-
15 mand;

16 “(3) may include cost-based charges for eligible
17 users to purchase resources of the NAIRR beyond
18 the resources included in a free or subsidized tier;
19 and

20 “(4) shall ensure that the primary purpose of
21 the NAIRR is to support research.

22 “(f) RESEARCH SECURITY.—The head of the Pro-
23 gram Management Office, acting through the Director of
24 the Operating Entity and in consultation with the NAIRR

1 Steering Subcommittee and the Director of the Office of
2 Science and Technology Policy, shall—

3 “(1) ensure conformance with the requirements
4 of National Security Presidential Memorandum–33
5 (relating to supported research and development na-
6 tional policy), issued January 2021, and its imple-
7 mentation guidance on research security and re-
8 search integrity, or any successor policy document or
9 guidance, by establishing NAIRR operating prin-
10 ciples that emphasize the research integrity prin-
11 ciples of openness, reciprocity, and transparency;
12 and

13 “(2) designate a member of the leadership team
14 for the Operating Entity as a research security point
15 of contact with responsibility for overseeing conform-
16 ance with the National Security Presidential Memo-
17 randum–33 and its implementation guidance, or any
18 successor policy document or guidance.

19 **“SEC. 5605. NAIRR FUNDING.**

20 “To carry out this title, to the maximum extent prac-
21 ticable, the NAIRR is authorized to accept and use dona-
22 tions of cash, services, and personal property from the pri-
23 vate sector.”.

24 (c) CONFORMING AMENDMENTS.—The table of con-
25 tents in section 2(b) of the William M. (Mac) Thornberry
