IN THE HOUSE OF REPRESENTATIVES

APRIL 8, 2025

Ms. KAMLAGER-DOVE (for herself, Mr. MOORE of Alabama, Mr. RUTHERFORD, Mr. IVEY, Ms. NORTON, and Mrs. MCIVER) introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To establish Federal policies and procedures to notify the next-of-kin or other emergency contact upon the death, or serious illness or serious injury, of an individual in Federal custody, to provide model policies for States, units of local government, and Indian Tribes to implement and enforce similar policies and procedures, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Family Notification
3 of Death, Injury, or Illness in Custody Act of 2025”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) In the event an individual dies or becomes
7 seriously ill or injured while being detained, ar-
8 rested, or while in law enforcement custody, their
9 family members deserve to be notified in a timely
10 and compassionate manner. Such notification is nec-
11 essary to uphold the basic human dignity of incar-
12 cerated people, a concept rooted in the Eighteenth
13 Amendment and Due Process Clause of the Four-
14 teenth Amendment.

15 (2) The lack of a national standard governing
16 notification of death, illness, and injury that occur
17 in prisons, jails and police custody can lead to inhu-
18 mane treatment of incarcerated people and their
19 loved ones. Poor communication regarding the death
20 of a loved one may exacerbate the grief and other
21 physical and psychological reactions of surviving rel-
22 atives.

23 (3) On Easter Sunday of 2016, Wakiesha Wil-
24 son was found dead in her cell in the Los Angeles
25 Police Department’s Metropolitan Detention Center.
26 Her mother called the police to determine Ms. Wil-

1 son's whereabouts but was not initially given any in-
2 formation. It was not until March 30, 3 days later,
3 when Ms. Wilson's mother was told to call the cor-
4 oner that she learned her daughter had died.

5 (4) In Georgia, Jennifer Bradley testified before
6 the General Assembly in September 2021 that she is
7 still waiting for answers about the stabbing death of
8 her 23-year-old son at Macon State Prison in March
9 2020. She told the committee that it was an incar-
10 cerated person, not a prison official, who first noti-
11 fied her of her son's death. As of the hearing, she
12 had not yet received his belongings.

13 (5) Jordan Fisher found out about the death of
14 her father, Thomas Willis, at Valdosta State Prison
15 in Georgia when a letter she had sent her father was
16 returned back to her stamped: "Return to sender:
17 inmate dead". She was unable to obtain further in-
18 formation about her father's death from prison offi-
19 cials. What information she uncovered came from
20 letters from her father's cellmate.

21 (6) Sara Roth did not receive notice from the
22 Clayton County Jail in Georgia that her mother, Re-
23 gina Salman, had fallen and suffered serious inju-
24 ries, including a collapsed lung that required hos-
25 pitalization. When her mother's longtime boyfriend

1 went to visit the jail, he was told Ms. Salman was
2 no longer there but was not provided additional in-
3 formation. More than a month later, the hospital
4 called Ms. Roth and informed her that her mother
5 was on a ventilator and dying of a severe brain
6 tumor. Her mother was taken off the ventilator 3
7 days later without ever regaining consciousness.

8 (7) The failure to release autopsy results can
9 prevent families and loved ones from seeking justice
10 for wrongful deaths. After Harvey Hill was arrested
11 for trespassing and booked into jail in Canton, Mis-
12 sissippi, guards beat him severely and kicked him re-
13 peatedly in the head. Mr. Hill died in an isolation
14 cell. The State medical examiner's report recorded
15 his death as a homicide, but it was not released until
16 25 months after his death and 13 months after the
17 statute of limitations expired for assault.

18 (8) In recent years, deaths in custody have
19 reached the highest levels on record. In 2018, two
20 years prior to the rapid spread of COVID-19 behind
21 bars, at least 1,120 people died while detained in
22 local jails and 4,513 people died in the custody of
23 State and Federal prisons. This represented an all-
24 time high in the number of deaths in both local jails

1 and State prisons since the Bureau of Justice Sta-
2 tistics (BJS) started collecting mortality data.

3 (9) The spread of COVID–19 behind bars sig-
4 nificantly increased the death toll of people in cus-
5 tody. At least 2,700 people are estimated to have
6 died of COVID–19 in prisons, jails and detention
7 centers, and the COVID–19 death rate in State and
8 Federal prisons between April 2020 and April 2021
9 was more than double that of the general population.
10 This is likely a significant undercount, given uneven
11 and inconsistent reporting. In some instances, people
12 are released from local jails to die in hospitals,
13 whether of COVID–19 or other causes, and their
14 deaths are not recorded as a death in custody.

15 **SEC. 3. DEFINITIONS.**

16 as a holdover.

17 **SEC. 4. EMERGENCY CONTACT NOTIFICATION POLICIES**
18 **AND PROCEDURES.**

19 (a) EMERGENCY CONTACT NOTIFICATION POLICIES

25 time of taking custody, ask the individual—

1 (i) for the name, last known address,
2 telephone number, and email of any person
3 or persons who shall be notified in the
4 event of the individual in custody's death
5 or serious illness or serious injury, and

25 gency contact information and to fill out a med-

1 ical power of attorney, health care proxy, ad-

13 FORM.—The policies and procedures described

25 SERIOUS ILLNESS, AND SERIOUS INJURY WHILE IN

1 CUSTODY.—The policies and procedures described in

3 ments in the event an individual dies, is seriously in-

8 event an individual dies while in the cus-
9 tody of the detention agency, the detention
10 agency shall notify the individual’s emer-

13 other incident constitutes a serious illness or serious
14 injury. In defining such term, the Attorney General shall require notification at least in
15 cases in which—

16 (i) without immediate treatment for
17 the condition, death is imminent;

18 (ii) admission to a hospital is required;

19 (iii) an individual is unconscious or incapacitated such that they are incapable of

2 tions are provided in a private setting
3 and, when practicable, in person and
4 by a mental health professional, des-
5 ignated case worker, or chaplain
6 trained in notification best practices.

7 (3) NOTIFICATION OPT OUT.—Standards to en-
8 sure that notifications should not occur where the
9 individual is advised of their right to notification and
10 instructs the agency not to do so, or where they re-
11 quest the opportunity to provide such notification
12 personally, in which case the detention agency shall
13 provide an opportunity for the individual to deliver
14 such notification within the time period identified
15 above.

16 (4) BELONGINGS AND REMAINS.—Standards
17 for handling the belongings and remains of an indi-
18 vidual who died in custody, including—

20 notification;

21 (B) the date and time of each successful
22 and unsuccessful contact; and

23 (C) the name and contact information to
24 which each attempt was made, and any reason
25 for failed or unsuccessful contact.

1 (6) ADDITIONAL PROCEDURES IN THE EVENT
2 OF SERIOUS ILLNESS OR INJURY.—Standards to en-

15 tion when practicable; and

16 (D) provide information about an individ-

2 shall be performed and given the option to re-
3 ceive the results of the autopsy described in
4 subparagraph (B). Such notification shall in-
5 clude the reason that the autopsy is being per-
6 formed and the procedures by which the next-
7 of-kin or other emergency contact can obtain
8 the autopsy report; and

9 (B) pursuant to subparagraph (A), a copy
10 of the autopsy report and results shall be made
11 available to the next-of-kin or emergency con-
12 tact upon completion.

13 (c) WRITTEN NOTIFICATION PLAN.—The policies
14 and procedures described in subsection (a) shall instruct
15 detention agencies to develop a written notification plan,
16 or revise an existing written notification plan, that pro-
17 vides for notification of a death, serious illness, or serious
18 injury of an individual in custody that conforms with the
19 policies described in subsection (b). Such written notifica-

22 custody to provide the emergency contact informa-
23 tion described in subsection (a).

24 (2) NO COERCION.—The detention agency may
25 not—

1 (A) attempt to coerce or persuade the indi-
2 vidual in custody to provide the information de-
3 scribed in subsection (a); or

4 (B) impose a penalty, fine, or fee on the
5 individual for the individual's failure or refusal
6 to provide the information requested or for pro-
7 viding information that is later determined to
8 be inaccurate.

9 (g) INADMISSIBILITY.—No information disclosed or
10 used in violation of this Act may be admitted into any
11 State, Federal, or other court as evidence or for any other
12 purpose, except in the case of information that has been
13 discovered through any independent means.

14 **SEC. 5. RULE OF CONSTRUCTION.**

15 Nothing in this Act may be construed to create any
16 legal or financial obligation on the part of any individual
17 designated as a next-of-kin or other emergency contact
18 under this Act.
