## A BILL

To prohibit the transportation, sale, and purchase of donkeys or donkey hides for the purpose of producing ejiao, to prohibit the transportation, sale, and purchase of products containing ejiao, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Ejiao Act of 2025”.

5       **SEC. 2. FINDINGS.**

6       Congress finds the following:

1           (1) Ejiao is a gelatin created from the skins of  
2           donkeys which is used in traditional Chinese medi-  
3           cine, beauty, cosmetic, and other luxury products.

4           (2) The donkey skin trade for the production of  
5           ejiao is decimating global donkey populations and  
6           harming impoverished global communities.

7           (3) Studies have shown that the use of ejiao is  
8           unnecessary in the production of these products  
9           since the gelatins from other sources, including  
10          plants, may be used instead.

11          (4) Millions of donkeys are slaughtered annu-  
12          ally for their skins to make ejiao.

13          (5) The domestic Chinese and international de-  
14          mand for donkey skins is approximately 8,000,000  
15          to 10,000,000 skins per year but the annual supply  
16          in China is less than 1,800,000.

17          (6) Such demand has led to the slaughter of  
18          massive numbers of donkeys across the globe, deci-  
19          mating donkey populations, most notably in Africa  
20          and Latin America.

21          (7) Such demand has had devastating effects on  
22          the families who depend on donkeys for survival,  
23          such as for farming and construction; transporting  
24          water to drink, cook, and clean; taking products to  
25          market for sale; and transporting children to school.

1           (8) A report by the Kenya Agricultural and  
2       Livestock Research Organization said that 159,631  
3       donkeys were slaughtered for their skins, 8.1 percent  
4       of the population, in 2018. Today, up to 1,000 don-  
5       keys a day can be slaughtered in Kenya alone, more  
6       than 300,000 a year.

7           (9) Donkeys are regularly stolen and killed ille-  
8       gally solely for their skins. Moreover, donkeys are  
9       often stolen from families who depend on them for  
10      their livelihoods, and who are already struggling and  
11      living below the regional poverty line.

12          (10) Where owners willingly sell their donkeys,  
13      they find that within months they are worse off fi-  
14      nancially than they would have been had they kept  
15      their donkeys. As prices constantly rise, it becomes  
16      impossible for these owners to go back into the mar-  
17      ket for a new donkey.

18          (11) Although ejiao products are expensive, as  
19      the Chinese middle class has expanded, demand for  
20      ejiao products has exploded over the course of the  
21      last decade. As a result, the donkey population in  
22      China has collapsed by 76 percent since 1992.

23          (12) Ejiao companies have set up donkey breed-  
24      ing schemes in China in an attempt to breed the  
25      species on a scale sufficient to meet local demand.

1 But due to the long gestation period of donkeys, and  
2 the fact that they often only give birth once a year,  
3 breeders have not been able to satisfy demand from  
4 within China, which is why ejiao companies have  
5 turned to Africa and Latin America to satisfy de-  
6 mand for ejiao.

7 (13) A crisis in donkey populations has been  
8 met with varied responses from affected countries.  
9 Bans in the trade of donkey skins in seven African  
10 countries have been poorly enforced or overturned.

11 (14) As demand for ejiao continues unabated,  
12 donkey populations in lower-income countries con-  
13 tinue to nosedive, despite governmental efforts to  
14 outlaw the trade.

15 (15) In February 2024, the African Union  
16 adopted a moratorium on the donkey skin trade, sig-  
17 naling a potential end to the legal slaughter of hun-  
18 dreds of thousands of donkeys within the continent.  
19 The moratorium now needs to be implemented at the  
20 national level by the members of the African Union.  
21 This implies potential growth in the illegal trade and  
22 expansion into other markets in Asia and Latin  
23 America.

24 (16) The leading importers in the world for  
25 ejiao are Hong Kong and Japan. However, the

1 United States is the third largest importer of ejiao,  
2 with \$12,000,000 in annual imports of ejiao each  
3 year.

4 **SEC. 3. PROHIBITIONS.**

5 (a) DONKEYS AND DONKEY HIDES.—No person shall  
6 knowingly import, export, transport, sell, receive, acquire,  
7 or purchase, in interstate or foreign commerce, in the  
8 United States, any donkey or donkey hide for the purpose  
9 of producing—

10 (1) ejiao; or

11 (2) any product containing ejiao.

12 (b) PRODUCTS WITH EJIAO.—No person shall know-  
13 ingly import, export, transport, sell, receive, acquire, or  
14 purchase, in interstate or foreign commerce (including by  
15 means of the internet), in the United States, any product  
16 containing ejiao.

17 (c) RULE OF CONSTRUCTION.—The prohibitions  
18 under this section may not be construed to alter or other-  
19 wise affect any prohibition or other protection with respect  
20 to a species of donkey listed as a threatened species or  
21 an endangered species under the Endangered Species Act  
22 of 1973 (16 U.S.C. 1531 et seq.).

23 **SEC. 4. PENALTIES AND SANCTIONS.**

24 (a) CIVIL PENALTIES.—

1           (1) IN GENERAL.—Any person who engages in  
2           conduct prohibited by section 3 may be assessed a  
3           civil penalty by the Commissioner of U.S. Customs  
4           and Border Protection of not more than \$10,000 for  
5           each such violation. Each violation shall be a sepa-  
6           rate offense and the offense shall be deemed to have  
7           been committed not only in the district where the  
8           violation first occurred, but also in any district in  
9           which a person may have taken or been in posses-  
10          sion of—

11                   (A) in the case of a violation of section  
12                   3(a), the donkey or donkey hide; or

13                   (B) in the case of a violation of section  
14                   3(b), the product containing ejiao.

15          (2) DETERMINATION OF AMOUNT.—In deter-  
16          mining the amount of any penalty assessed under  
17          this subsection, the Commissioner shall take into ac-  
18          count the nature, circumstances, extent, and gravity  
19          of the prohibited act committed, and with respect to  
20          the violator, the degree of culpability, ability to pay,  
21          and such other matters as justice may require, and  
22          shall apply existing procedures relating to the as-  
23          sessment and mitigation of penalties of violations of  
24          section 596 of the Tariff Act of 1930 (19 U.S.C.  
25          1595a) as the Commissioner determines appropriate.

1       (b) REVIEW OF CIVIL PENALTY.—Any person  
2 against whom a civil penalty is assessed under this section  
3 may obtain review thereof in the Court of International  
4 Trade by filing a complaint in such court within 30 days  
5 after the date of such order and by simultaneously serving  
6 a copy of the complaint by certified mail on the Commis-  
7 sioner, the Attorney General, and the appropriate United  
8 States attorney. The Commissioner shall promptly file in  
9 such court a certified copy of the record upon which such  
10 violation was found or such penalty imposed, as provided  
11 in section 2112 of title 28, United States Code. If any  
12 person fails to pay an assessment of a civil penalty after  
13 it has become a final and unappealable order or after the  
14 appropriate court has entered final judgment in favor of  
15 the Commissioner, the Commissioner may request the At-  
16 torney General of the United States to institute a civil ac-  
17 tion in an appropriate district court of the United States  
18 to collect the penalty, and such court shall have jurisdic-  
19 tion to hear and decide any such action. In hearing such  
20 action, the court shall have authority to review the viola-  
21 tion and the assessment of the civil penalty de novo.

22       (c) CRIMINAL PENALTIES.—

23               (1) IMPORT OR EXPORT; VALUE IN EXCESS OF  
24       \$350.—Any person who—

1 (A) in violation of section 3, knowingly im-  
2 ports or exports—

3 (i) any donkey or donkey hide; or

4 (ii) any product containing ejiao; or

5 (B) violates section 3 by knowingly engag-  
6 ing in conduct that involves the sale or pur-  
7 chase of, the offer of sale or purchase of, or the  
8 intent to sell or purchase—

9 (i) any donkey or donkey hide with a  
10 market value in excess of \$350; or

11 (ii) any product containing ejiao with  
12 a market value in excess of \$350,

14 containing ejiao was taken, possessed, transported,  
15 or sold in violation of such section, shall be fined not  
16 more than \$20,000 (notwithstanding the maximum  
17 fine amount otherwise applicable under section 3751  
18 of title 18, United States Code), or imprisoned for  
19 not more than 5 years, or both. Each violation shall  
20 be a separate offense and the offense shall be  
21 deemed to have been committed not only in the dis-  
22 trict where the violation first occurred, but also in  
23 any district in which the defendant may have taken  
24 or been in possession of such donkey, donkey hide,  
25 or product containing ejiao.

1           (2) OTHER PROHIBITED CONDUCT.—Any per-  
2       son who knowingly engages in conduct prohibited by  
3       section 3 and in the exercise of due care should  
4       know that the donkey, donkey hide, or product con-  
5       taining ejiao was taken, possessed, transported, or  
6       sold in violation of such section shall be fined not

9       of title 18, United States Code), or imprisoned for  
10      not more than 1 year, or both. Each violation shall
