2 volved.

3 (2) PRELIMINARY DETERMINATION.—The Di-
4 rector shall begin an investigation into the complaint
5 within 1 month after the date of receipt of the com-
6 plaint. Not later than 90 days after the beginning of
7 the investigation, if the Director determines that
8 there is clear and convincing evidence that the com-
9 plaint is valid, the Director shall make a preliminary
10 determination on disciplinary or corrective action.

11 (3) NOTICE AND OPPORTUNITY TO RESPOND.—
12 If the Director makes a preliminary determination
13 under paragraph (2) of noncompliance, the Director
14 shall provide the employer with reasonable notice

25 employer of not more than the amount of funds

1 received by the employer through workforce
2 education subsidies during the past 2 years.

3 (5) APPEAL.—If the Director so determines
4 that the appropriate disciplinary or corrective action
5 includes a suspension, the employer shall have 90
6 days to appeal the validity of the disciplinary or cor-
7 rective action to the Director, with mandatory review
8 by the Secretary of Commerce.

9 (6) FINAL DETERMINATION.—After such man-
10 datory review, the Director shall make a final deter-
11 mination on the validity and on the appropriate dis-

13 from the Secretary of Commerce.

14 (e) NONCOMPLIANCE DETERMINATIONS.—

15 (1) ACCOUNTABILITY.—The Director—

20 the terms of the American workforce contracts
21 involved and meeting the requirements of the
22 American workforce program—

23 (i) demand and review relevant mate-
24 rials from the employers; and

1 (ii) conduct random, periodic compli-

3 (B) shall review information in public dis-
4 closure documents submitted under section
5 4(g), including reviewing completion rates pro-
6 vided under section 4(g)(2)(A) to make a pre-
7 liminary determination about whether there is
8 clear and convincing evidence that employers
9 are participating in a workforce project with a
10 completion rate below 25 percent over 4 years.

11 (2) NOTICE AND OPPORTUNITY TO RESPOND.—

12 If the Director makes a preliminary determination
13 under paragraph (1) of noncompliance or participa-
14 tion in a workforce project described in paragraph
15 (1)(B), the Director shall provide the employer with
16 reasonable notice and opportunity to respond to the
17 preliminary determination.

18 (3) WARNING OR CIVIL PENALTY.—

19 (A) IN GENERAL.—The Director may, at
20 the discretion of the Director, issue a warning
21 to or assess a civil penalty against an employer
22 if, after carrying out paragraph (2), the Direc-
23 tor makes a final determination that there is
24 clear and convincing evidence that—

1 (i) the employer is participating in a
2 workforce project described in paragraph
3 (l)(B); or

4 (ii) the employer is violating the terms
5 of an American workforce contract or the
6 requirements of the American workforce
7 program.

8 (B) CALCULATION OF CIVIL PENALTY.—A
9 civil penalty assessed under subparagraph (A)
10 shall be in an amount that is not more than the
11 amount of funds received by the employer
12 through workforce education subsidies during
13 the past 2 years.

14 (4) SUSPENSION.—The Director may, at the
15 discretion of the Director, temporarily suspend an
16 employer from the American workforce program for
17 not more than 5 years if, after carrying out para-
18 graph (2), the Director makes a final determination
19 that there is clear and convincing evidence that—

20 (A) the employer is participating in a
21 workforce project described in paragraph
22 (1)(B); or

23 (B) the employer is consistently or egre-
24 giously violating the terms of an American

1 workforce contract or the requirements of the
2 American workforce program.

3 (f) INTERFERENCE WITH PROCEEDINGS OR INQUIR-

10 tion in connection with any inquiry or proceeding
11 under this Act (including any inquiry or proceeding

14 such inquiry or proceeding under this Act.

15 **SEC. 4. AMERICAN WORKFORCE PROGRAM.**

16 (a) IN GENERAL.—The Director shall establish, sub-
17 ject to the availability of appropriations, an American
18 workforce program, and carry out the program by sup-

22 tive support.

23 (b) CONTRACTS.—

24 (1) IN GENERAL.—To be eligible to receive a

1 technical support under this Act for a workforce
2 project, an employer and prospective trainee shall
3 prepare a proposed American workforce contract
4 under this subsection, based on the standardized
5 template created by the Director, and submit the
6 proposed contract to the Director for approval. The
7 page limitation placed on the Director’s template
8 under subsection (c)(2)(B) shall not apply to the
9 proposed American workforce contract prepared by
10 the trainee and employer or the final American
11 workforce contract.

12 (2) PROVISIONS.—The proposed contract be-
13 tween an individual who is a prospective trainee and
14 the employer shall include each of the following:

15 (A) PARTIES INVOLVED.—The name of the
16 individual, the employer participating in the
17 workforce project, and any third-party entity

21 a “third party training entity”).

22 (B) TERM.—The term, which shall not be
23 shorter than 6 weeks, of the workforce project
24 (including specifying total time to completion)
25 and the amount of time the individual will

1 spend in structured on-the-job work and in edu-
2 cational workforce training (including specifying
3 hours per week, month, and year).

4 (C) WORK AND TRAINING PLAN.—A de-
5 tailed overview of the curriculum for the edu-
6 cational workforce training, a description of the
7 structured on-the-job work, and a description of
8 skills and competencies to be attained through
9 the workforce project.

10 (D) WRITTEN WORKFORCE AGREEMENT.—
11 A proposed written workforce agreement for the
12 individual that outlines each of the following:

13 (i) The terms and conditions of the
14 individual's work and training.

15 (ii) The wage or salary an individual
16 will receive as a trainee and the estimated
17 starting wage or salary, in accordance with
18 the requirements of subsection (e), for
19 each position, described in subsection (e),
20 that the individual is receiving training for
21 and being considered for.

22 (iii) The technical and professional
23 standards that will be met by the indi-
24 vidual for successful completion of the
25 workforce project.

1 (iv)(I) Expected long-term and short-
2 term outcomes for the individual, including
3 qualifying positions of the type the indi-
4 vidual is being trained for at the employer
5 and third-party training entities (if appli-
6 cable), and the estimated wage or salary
7 range for the occupation the individual is
8 being trained for.

9 (II) The projected growth of the rel-

11 tion on that growth is available to the em-
12 ployer or obtainable with such technical as-
13 sistance as the Director may provide.

14 (v) The circumstances under which
15 the individual's wage or salary will increase
16 during the workforce project.

17 (vi) A description of voluntary
18 mentorship opportunities that may be

23 ment period from the Director and any
24 costs or expenses that will be charged to

1 the trainee or could reasonably be expected
2 to be charged to the trainee.

3 (viii) If 1 or more competency-based
4 credentials exist for the relevant industry
5 or occupation, a description of the top 1 to
6 3 such credentials that the individual
7 might earn on successful completion of the
8 workforce project.

9 (ix) If no competency-based credential
10 exists for the industry or occupation, a de-
11 scription of any other credential, such as a
12 certification or license, that the individual
13 might earn in the relevant industry or oc-
14 cupation due to experience in the work-
15 force project.

16 (3) REVIEW OF CREDENTIALS.—

17 (A) IN GENERAL.—Not later than 1 month
18 after receiving for review a proposed American
19 workforce contract, the Director shall review
20 the credentials specified in the contract under
21 clause (viii) or (ix) of paragraph (2)(D) and
22 may note any additional credentials the Direc-
23 tor determines a trainee should consider earn-
24 ing. Any such credential noted by the Director
25 shall be described in the contract.

1 (B) RULES OF CONSTRUCTION.—Nothing
2 in this section shall be construed to—

3 (i) permit the Director to reject an
4 entire proposed American workforce con-
5 tract solely because of the Director’s view
6 of a credential described in the proposed
7 contract; or

8 (ii) require a trainee to agree to earn
9 a competency based credential or another
10 credential specified in the American work-
11 force contract, as a condition of using
12 funding provided through a workforce edu-
13 cation subsidy under this section.

14 (4) REVIEW OF CONTRACT.—

15 (A) In General.—Not later than 1 month
16 after receiving a proposed American workforce
17 contract, the Director shall review, and approve
18 or disapprove, the proposed contract (including
19 conducting the review under paragraph (3) and
20 determining whether the employer has provided
21 the appropriate written disclosure document
22 under subsection (g)).

23 (B) Presumption of Approval.—There
24 shall be a presumption of approval for a pro-
25 posed American workforce contract, in that

1 such a contract that has not been disapproved
2 by the Director shall be considered to be ap-
3 proved on the 32nd day after the date of that
4 receipt. A proposed American workforce con-
5 tract may only be disapproved for failing to
6 meet the requirements of this Act. If such a
7 proposed contract is disapproved, the Director
8 shall describe the reason, with a citation to the
9 requirement not met, and a recommendation for
10 how the proposed contract shall be amended to
11 comply with this Act.

12 (5) REVIEW OF RESUBMISSION.—If an em-
13 ployer and individual submit a proposed contract
14 under paragraph (1) that is not approved under
15 paragraph (4), the employer and individual may re-
16 submit the amended proposed contract for review as
17 described in paragraph (4). For purposes of para-
18 graph (4)(B), the reference to the date of receipt
19 shall be considered to be the date of receipt of the
20 resubmitted proposed contract.

21 (6) ENTRY INTO CONTRACT.—Once a proposed
22 contract has been approved under paragraph (4) or
23 (5), the individual and employer involved may enter
24 into the contract and initiate the workforce project.

1 (7) CURRENT EMPLOYEES.—A participating
2 employer may enter into an American workforce con-
3 tract with, and enroll into their workforce project,
4 an employee who holds a position with the employer
5 if the employer agrees to—

6 (A) maintain employment for that em-
7 ployee at the employee’s wage or salary on the
8 date of enrollment, or a higher wage or salary;
9 and

10 (B) provide an increase to the employee’s
11 annual wage or salary, if the employee success-
12 fully completes the workforce project, that is
13 equal to not less than 25 percent of the value
14 of the educational workforce subsidy provided
15 for the project.

16 (c) WORKFORCE EDUCATION SUBSIDIES.—Not ear-
17 lier than the date on which an individual and employer
18 enter into an American workforce contract approved by
19 the Director, the Director shall provide an education work-
20 force subsidy to the employer operating the workforce
21 project. Each of the following rules shall apply to the
22 workforce education subsidy and the trainee involved and
23 employer:

24 (1) The workforce education subsidy may be
25 used to subsidize the cost of educational workforce

1 training (onsite or with an eligible third-party train-
2 ing entity), not the wage or salary of the trainee.

3 (2) The employer shall pay, at regular intervals,
4 the trainee a wage or salary at a rate that is not less
5 than the higher of—

6 (A) the rate in effect under section 6(a)(1)
7 of the Fair Labor Standards Act of 1938 (29
8 U.S.C. 206(a)(1)); or

9 (B) the rate in effect under a State or
10 local minimum wage law that applies to the
11 State or locality in which the trainee is engaged
12 in labor or service for the employer.

13 (3) The employer shall provide a working envi-
14 ronment for the trainee that meets all applicable
15 Federal, State, and local safety laws and regula-
16 tions.

17 (4) Neither the Director nor any other officer
18 or employee of the executive branch of the Federal
19 Government may make the workforce education sub-
20 sidy contingent on any requirement not specified in
21 this Act.

22 (5) The employer shall not currently be sus-
23 pended from participating in workforce projects sub-
24 section (d) or (e) of section 3.

1 (6) Participation in the workforce project in-
2 volved shall not make the employer subject to the ju-
3 risdiction of the Office of Federal Contract Compli-
4 ance Programs of the Department of Labor as a
5 Federal contractor, including not being subject to
6 Executive Order 11246.

7 (7) The employer shall comply with all applica-
8 ble Federal, State, and local statutory laws per-
9 taining to nondiscrimination in employment.

10 (8) The workforce education subsidy may not
11 be used for—

12 (A) diversity, equity, and inclusion train-
13 ing, or culturally responsive training; or

14 (B) any other training that may violate—

15 (i) title VII of the Civil Rights Act of
16 1964 (42 U.S.C. 2000e et seq.), by con-
17 tributing to a hostile work environment; or

18 (ii) title VI of the Civil Rights Act of
19 1964 (42 U.S.C. 2000d et seq.), including
20 its prohibition, on the grounds of race,
21 color, or national origin, of discrimination
22 under any program or activity receiving
23 Federal financial assistance.

24 (9) The workforce education subsidy may not
25 be used for political spending, electioneering, or any

1 other purpose that is not directly related to edu-
2 cational workforce training.

3 (10) The Director shall make payments from
4 the workforce education subsidy to the employer—

5 (A) in even installments, following the end
6 of each financial quarter in which the training
7 and on-the-job work specified in the American
8 workforce contract have been completed by the
9 trainee;

10 (B) in sums of not more than \$1,500 per
11 month; and

12 (C) for a total amount of not more than
13 \$9,000, as determined on the basis of the
14 American workforce contract.

15 (11) A State government or locality may sup-
16 plement the workforce education subsidy with addi-
17 tional funds, if the State government or locality does
18 not make accepting such funds or any conditions at-
19 tached to the funds a requirement of accepting Fed-
20 eral funding.

21 (12) If the trainee chooses to leave a workforce
22 project after the halfway point of the term of the
23 workforce project, the trainee will be considered to
24 have used the entirety of one of the workforce edu-

1 cation subsidies through which the trainee is eligible
2 to receive educational workforce training.

3 (13) If the employer ceases operations, the
4 trainee shall not be held at fault, meaning that the
5 trainee may receive educational workforce training,
6 funded with the full value of the workforce education
7 subsidy, for a workforce project with a subsequent
8 eligible employer, notwithstanding the time require-
9 ment of paragraph (15).

10 (14) The maximum period of time for which an
11 employer (including a subsequent employer described
12 in paragraph (13)) may receive payments, provided
13 through the workforce education subsidy for edu-
14 cation workforce training of a trainee, shall be 3
15 years.

16 (15)(A) In order for a trainee to enroll in a
17 workforce project with a subsequent eligible em-
18 ployer through a second or third such subsidy, the
19 trainee shall receive the related educational work-
20 force training not less than 1 year after the conclu-
21 sion of the trainee's most recent training through a
22 workforce education subsidy.

23 (B) The time limit described in subparagraph
24 (A) shall not apply to a trainee who—

1 (i) completed a workforce project with, but
2 was not hired by, an employer; and

3 (ii) seeks to receive such training through
4 a workforce project with the trainee's next em-
5 ployer.

6 (16) The employer shall meet the applicable
7 minimum ratios specified under section 5(d).

8 (17) The employer shall use E-Verify for each
9 trainee enrolled and individual hired or employed
