12 each recipient of the communication or by  
13 the default design of such function); or

14 (ii) standard data volatility in transit  
15 or temporary caching not designed to make

11 **MINORS.**

14 saging feature of such social media platform to any cov-  
15 ered user of the social media platform shall provide easily  
16 accessible and usable parental direct messaging controls

21 (a) shall meet the following requirements:

12 (c) FUNCTIONALITY OF CONTROLS.—As a default  
13 setting on a social media platform, the parental direct  
14 messaging controls described in subsection (a) shall allow  
15 a parent of a covered user of the social media platform

17 default setting with respect to any of the following by pro-  
18 viding verifiable parental consent):

19 (1) Receive a timely notification that—

3 (2) View and manage a list of any contacts ap-  
4 proved for engaging in direct messaging with the  
5 covered user.

10 (4) Disable any direct messaging feature of a  
11 profile of the covered user.

12 (d) DEFAULT SETTINGS FOR COVERED USERS  
13 UNDER 13.—

21 messaging feature of a profile of a covered user de-  
22 scribed in paragraph (1).

23 (e) NO DEGRADATION OF OTHER FEATURES OR  
24 SERVICES.—A provider of a social media platform may  
25 not degrade the functionality or availability of any other

1 feature or service of the social media platform for a cov-  
2 ered user of the social media platform based on the activa-  
3 tion or management of parental direct messaging controls  
4 by a parent of the covered user under this section (except  
5 as necessary to implement the parental direct messaging  
6 controls).

7 (f) NO CIRCUMVENTION.—A provider of a social  
8 media platform shall take reasonable measures to prevent  
9 a covered user of the social media platform from easily

19 direct messaging feature if the parent has required the  
20 provision of verifiable parental consent from the parent  
21 through a setting provided by such app store for any such  
22 download or purchase by the covered user.

23 **SEC. 6. ENFORCEMENT.**

24 (a) ENFORCEMENT BY COMMISSION.—

1           (1) UNFAIR OR DECEPTIVE ACTS OR PRAC-  
2           TICES.—A violation of this Act shall be treated as  
3           a violation of a regulation under 18(a)(1)(B) of the  
4           Federal Trade Commission Act (15 U.S.C.  
5           57a(a)(1)(B)) regarding unfair or deceptive acts or  
6           practices.

7           (2) POWERS OF COMMISSION.—The Commis-  
8           sion shall enforce this Act in the same manner, by  
9           the same means, and with the same jurisdiction,  
10          powers, and duties as though all applicable terms  
11          and provisions of the Federal Trade Commission Act  
12          (15 U.S.C. 41 et seq.) were incorporated into and  
13          made a part of this Act, and any person who violates  
14          this Act shall be subject to the penalties and entitled  
15          to the privileges and immunities provided in the  
16          Federal Trade Commission Act.

17          (b) ACTIONS BY STATES.—

18               (1) IN GENERAL.—In any case in which the at-  
19               torney general of a State, or an official or agency of  
20               a State, has reason to believe that an interest of the  
21               residents of such State has been or is threatened or  
22               adversely affected by an act or practice in violation  
23               of this Act, the State, as *parens patriae*, may bring  
24               a civil action on behalf of the residents of the State

1 in an appropriate State court or an appropriate dis-  
2 trict court of the United States to—

3 (A) enjoin such act or practice;

5 (C) obtain damages, restitution, or other  
6 compensation on behalf of residents of the  
7 State; or

8 (D) obtain such other legal and equitable  
9 relief as the court may consider to be appro-  
10 priate.

11 (2) NOTICE.—Before filing an action under this  
12 subsection, the attorney general, official, or agency  
13 of the State involved shall provide to the Commis-  
14 sion a written notice of such action and a copy of  
15 the complaint for such action. If the attorney gen-  
16 eral, official, or agency determines that it is not fea-  
17 sible to provide the notice described in this para-  
18 graph before the filing of the action, the attorney  
19 general, official, or agency shall provide written no-  
20 tice of the action and a copy of the complaint to the  
21 Commission immediately upon the filing of the ac-  
22 tion.

23 (3) AUTHORITY OF COMMISSION.—

24 (A) IN GENERAL.—On receiving notice  
25 under paragraph (2) of an action under this

subsection, the Commission shall have the right—

(i) to intervene in the action;

(ii) upon so intervening, to be heard on all matters arising therein; and

(iii) to file petitions for appeal.

(B) LIMITATION ON STATE ACTION WHILE FEDERAL ACTION IS PENDING.—If the Commission or the Attorney General of the United States has instituted a civil action for violation of this Act (referred to in this subparagraph as the “Federal action”), no State attorney general, official, or agency may bring an action under this subsection during the pendency of the Federal action against any defendant named in the complaint in the Federal action for any violation of this Act alleged in such complaint.

(4) RULE OF CONSTRUCTION.—For purposes of bringing a civil action under this subsection, nothing in this Act shall be construed to prevent an attorney general, official, or agency of a State from exercising the powers conferred on the attorney general, official, or agency by the laws of such State to conduct investigations, administer oaths and affirmations, or

1       compel the attendance of witnesses or the production  
2       of documentary and other evidence.

3   **SEC. 7. RULES OF CONSTRUCTION ON ENCRYPTION.**

4       (a) NO REQUIREMENT TO WEAKEN OR IMPAIR  
5   ENCRYPTION.—Nothing in this Act may be construed to  
6   require a provider of a social media platform or of any  
7   other interactive computer service or electronic commu-  
8   nication service to—

9           (1) decrypt or ensure an ability to decrypt an  
10       encrypted communication of a user;

11          (2) preclude the use of any form of encryption,  
12       including end-to-end encryption, for any communica-  
13       tion of a user; or

14          (3) design, build, or implement any feature,  
15       function, software, hardware, or other capability for  
16       the purpose of weakening, undermining, circum-  
17       venting, or overcoming any security control, includ-  
18       ing encryption, that is used to protect the privacy or  
19       security of any communication or data of a user.

20       (b) PRESERVATION OF PRIVACY AND SECURITY.—

21   This Act shall be implemented in a manner that—

22          (1) respects and protects the privacy of a user  
23       and the security of any communication of a user;  
24       and

1           (2) does not require or encourage the systemic  
2           surveillance or monitoring of any encrypted commu-  
3           nication of a user or the creation of any capability  
4           that would allow for such systemic surveillance or  
5           monitoring.

6           (c) IMPLEMENTATION OF ACT.—No requirement  
7           under this Act to restrict any feature for a covered user  
8           or to provide parental direct messaging controls for a di-  
9           rect messaging feature of a social media platform may be  
10          construed to override any protection for an encrypted com-  
11          munication described in this section and a provider of a  
12          social media platform shall adhere to any such require-  
13          ment, to the maximum extent technically feasible, through  
14          means that do not compromise the integrity of strong  
15          encryption offered to any user of the social media plat-  
16          form.

17   **SEC. 8. PREEMPTION.**

18          No State, or political subdivision of a State, may  
19          maintain, enforce, prescribe, or continue in effect any law,  
20          rule, regulation, requirement, standard, or other provision  
21          having the force and effect of law that relates to the provi-  
22          sions of this Act.

23   **SEC. 9. SEVERABILITY.**

24          If any provision of this Act or the application of this  
25          Act to any person or circumstance is held to be unconstitu-

1 tional, the remaining provisions of this Act and the appli-  
2 cation of this Act to other persons or circumstances shall  
3 not be affected.

4 **SEC. 10. EFFECTIVE DATE.**

5 (a) IN GENERAL.—Except as provided in subsection

7 after the date of the enactment of this Act.

8 (b) COMPLIANCE DEADLINES.—Notwithstanding  
9 subsection (a)—

10 (1) a provider of a social media platform shall  
11 have 1 year after the date of the enactment of this  
12 Act to comply with the provisions of section 4; and

13 (2) a provider of a social media platform shall  
14 have 18 months after the date of the enactment of  
15 this Act to comply with the provisions of section 5.
