

119TH CONGRESS
1ST SESSION

H. R. 6806

To direct the Attorney General to establish within the Department of Justice the Office of the National Coordinator to Counter Antisemitism, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

DECEMBER 17, 2025

Mr. NADLER (for himself, Ms. DELAURO, Ms. BALINT, and Mr. FROST) introduced the following bill; which was referred to the Committee on the Judiciary, and in addition to the Committees on Education and Workforce, Homeland Security, and Transportation and Infrastructure, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To direct the Attorney General to establish within the Department of Justice the Office of the National Coordinator to Counter Antisemitism, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Antisemitism Response
5 and Prevention Act of 2025”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Antisemitic incidents in the United States
2 have reached historic levels, with the Federal Bu-
3 reau of Investigation (FBI) documenting 1,938
4 antisemitic incidents in 2024, representing a 73 per-
5 cent increase from 2022 and the highest number re-
6 corded since the FBI began tracking hate crimes in
7 1991, with Jews—comprising only 2 percent of the
8 United States population—accounting for 69 percent
9 of all religion-based hate crimes.

10 (2) Following the October 7, 2023, Hamas at-
11 tacks on Israel, multiple tracking organizations doc-
12 umented a 360 to 388 percent increase in
13 antisemitic incidents during the 3-month period
14 from October 7, 2023, to January 7, 2024, with
15 FBI Director Christopher Wray testifying that anti-
16 semitism has reached “historic levels” in the United
17 States.

18 (3) Academic research has documented severe
19 deterioration of campus climates for Jewish stu-
20 dents, with Brandeis University finding hostility
21 rates approximately twice as high as 2016 baseline
22 measurements.

23 (4) The May 2023 United States National
24 Strategy to Counter Antisemitism represented a
25 landmark, gold-standard, and comprehensive ap-

1 proach to addressing antisemitism, developed with
2 extensive input from Jewish institutions and individ-
3 uals across the political spectrum, emphasizing that
4 combating antisemitism requires protecting demo-
5 cratic institutions, civil liberties, and coalition-build-
6 ing across diverse communities, and establishing co-
7 ordination mechanisms across over 30 Federal agen-
8 cies.

9 (5) Despite the real and documented crisis of
10 antisemitism, there has been a systematic pattern of
11 weaponizing antisemitism accusations by the Trump
12 Administration to pursue ideological and partisan
13 political objectives unrelated to protecting Jewish
14 communities from discrimination and hatred, includ-
15 ing attacks on educational institutions for political
16 disagreements, suppression of constitutionally pro-
17 tected speech, and enforcement of ideological con-
18 formity.

19 (6) The Department of Education has launched
20 investigations into approximately 60 institutions of
21 higher education, not primarily to protect Jewish
22 students from discrimination, but to use the false
23 premise of antisemitism accusations as pretext for
24 forcing the elimination of academic programs related
25 to diversity and Middle Eastern studies, threatening

1 to withdraw Federal funding to compel ideological
2 conformity, and undermining the autonomy and aca-
3 demic freedom of such institutions, with common
4 patterns including lack of due process, conflation of
5 criticism of Israeli government policies with anti-
6 semitism, and targeting of protected speech and aca-
7 demic inquiry.

8 (7) The Trump administration has inappropri-
9 ately appropriated the International Holocaust Re-
10 membrance Alliance (IHRA) definition of anti-
11 semitism as a tool for immigration enforcement and
12 deportation proceedings, applying a non-legally bind-
13 ing educational tool in punitive legal contexts for
14 which it was never intended, with the Department of
15 Homeland Security announcing in April 2025 that it
16 would screen social media activity for antisemitism
17 using the IHRA definition to guide determinations.

18 (8) Multiple documented cases demonstrate the
19 systematic targeting of students and legal residents
20 for deportation based solely on their pro-Palestinian
21 activism, including peaceful protests, academic in-
22 quiry, and political organizing, with every case that
23 has reached Federal court resulting in release orders
24 and findings of likely constitutional violations, in-
25 cluding Federal judges ruling that the Trump ad-

1 ministration is in continued violation of the First
2 Amendment to the Constitution by detaining individ-
3 uals for protected speech.

4 (9) The Trump administration has sought to tie
5 nonprofit security grants, which fund critical houses
6 of worship and religious community center security
7 measures (including synagogues and Jewish Commu-
8 nity Centers), to compliance with administration po-
9 sitions on immigration enforcement and diversity
10 policies, with the Department of Homeland Security
11 imposing conditions in April 2025 mandating that
12 recipients cooperate with U.S. Immigration and Cus-
13 toms Enforcement officials and prohibiting any pro-
14 grams that “advance or promote DEI”, effectively
15 holding Jewish community safety hostage to unre-
16 lated political objectives.

17 (10) Federal judges have blocked enforcement
18 of these conditions through permanent injunctions in
19 multiple jurisdictions, ruling that conditions were
20 “arbitrary and capricious” and “unconstitutional”,
21 with nearly 70 religious organizations and over 120
22 faith leaders signing a letter rejecting these condi-
23 tions and stating they are “unified in refusing to ca-
24 pitulate to conditions that would require us to sac-

1 rifice the safety and dignity of our community mem-
2 bers”.

3 (11) The Heritage Foundation’s “Project Es-
4 ther: A National Strategy to Combat Antisemitism”,
5 released on October 7, 2024, has served as a blue-
6 print for the administration’s antisemitism policies,
7 but rather than genuinely combating antisemitism, it
8 weaponizes accusations of antisemitism to pursue
9 partisan political objectives, including dismantling
10 diversity programs, suppressing pro-Palestinian ad-
11 vocacy, defunding educational institutions, attacking
12 nonprofit organizations, and undermining academic
13 freedom.

14 (12) The New York Times investigation pub-
15 lished in May 2025 found that “the second Trump
16 administration had called for or acted upon more
17 than half of Project Esther’s proposals”, with Herit-
18 age Foundation officials stating there are “clear
19 parallels” between their recommendations and ad-
20 ministration actions.

21 (13) Project Esther’s development was led by
22 predominantly Christian nationalist individuals with
23 minimal Jewish organizational support, is tied to
24 Christian Zionism theology and beliefs that Jewish
25 presence in the Holy Land will precipitate End

1 Times, and focuses exclusively on left-wing critics of
2 Israel while ignoring antisemitism from white su-
3 premacists and other far-right groups, making no
4 mention of Proud Boys, white supremacist militias,
5 neo-Nazi groups, the Charlottesville violence, the
6 Pittsburgh synagogue shooting, or other far-right
7 antisemitic violence.

8 (14) Effective antisemitism prevention and re-
9 sponse requires comprehensive, evidence-based ap-
10 proaches that strengthen rather than undermine
11 democratic institutions, with research and experience
12 demonstrating that approaches are most effective
13 when they address antisemitism as connected to
14 other forms of hatred and extremism, strengthen
15 democratic institutions and civil liberties, build
16 broad coalitions across diverse communities, focus
17 enforcement on clear cases of discrimination while
18 protecting political expression, and invest in edu-
19 cation and prevention rather than relying solely on
20 punitive measures.

21 (15) History demonstrates that Jewish commu-
22 nities are safest in robust democracies with strong
23 civil liberties, equal protection under the law, and in-
24 clusive pluralistic cultures, and most vulnerable
25 when these democratic foundations are eroded, and

1 that weaponizing antisemitism for partisan political
2 purposes not only fails to protect Jewish commu-
3 nities but actively breeds more antisemitism by asso-
4 ciating Jewish safety with the suppression of civil
5 liberties and the targeting of political dissent.

6 (16) Congress has a responsibility to ensure
7 that Federal efforts to combat antisemitism are ef-
8 fective, evidence-based, and consistent with demo-
9 cratic values, and to prevent the weaponization of
10 antisemitism concerns for ulterior political objec-
11 tives, requiring substantial Federal investment in
12 education initiatives, civil rights enforcement, com-
13 munity security programs, and other evidence-based
14 approaches to combating antisemitism and related
15 forms of extremism and hate.

16 **SEC. 3. STATEMENT OF POLICY AND SENSE OF CONGRESS.**

17 (a) STATEMENT OF POLICY.—It is the policy of the
18 United States—

19 (1) to raise awareness and educate the United
20 States public about the history of Jewish Americans
21 and antisemitism in all of its forms and various
22 manifestations;

23 (2) to use all available authorities to oppose
24 antisemitism;

1 (3) not to use the fight against antisemitism as
2 grounds or motive to pursue ulterior political agen-
3 das, including attacks on educational institutions for
4 alleged political disagreements, suppression of con-
5 stitutionally protected speech, or enforcement of ide-
6 ological conformity;

7 (4) to ensure that all Federal antisemitism poli-
8 cies and programs are developed with meaningful
9 input from diverse Jewish communities and are con-
10 sistent with democratic values;

11 (5) to address antisemitism as connected to
12 other forms of hatred and extremism through coaliti-
13 on-building and comprehensive prevention efforts;
14 and

15 (6) to protect the autonomy and academic free-
16 dom of educational institutions while ensuring vig-
17 orous enforcement of civil rights protections against
18 actual discrimination and harassment.

19 (b) SENSE OF CONGRESS.—It is the sense of Con-
20 gress that—

21 (1) as articulated in the Biden Administration’s
22 May 2023 United States National Strategy to
23 Counter Antisemitism there are several definitions of
24 antisemitism which serve as valuable tools to raise
25 awareness and increase understanding of anti-

1 semitism, including the non-legally binding defini-
2 tions of antisemitism adopted in 2016 by the 31
3 member states of the International Holocaust Re-
4 membrance Alliance, the Nexus Document, and
5 other such efforts; and all of the definitions are valu-
6 able tools to raise awareness and increase under-
7 standing of antisemitism, and should be utilized by
8 Federal, State, and local agencies;

9 (2) the definitions are non-legally binding edu-
10 cational tools and should not be applied in punitive
11 legal contexts, including immigration enforcement,
12 deportation proceedings, or criminal prosecutions,
13 for which they were never intended;

14 (3) criticism of Israeli government policies,
15 when not motivated by or expressed through
16 antisemitic tropes or discrimination against Jews, is
17 a form of political speech protected by the First
18 Amendment and does not constitute antisemitism;

19 (4) combating antisemitism requires protecting
20 rather than undermining democratic institutions,
21 civil liberties, academic freedom, and the rights of all
22 communities; and

23 (5) the weaponization of antisemitism accusa-
24 tions to pursue partisan political agendas under-

1 mines genuine efforts to protect Jewish communities
2 and breeds additional antisemitism.

3 **SEC. 4. DESIGNATION OF A TITLE VI COORDINATOR AND**
4 **DUTIES.**

5 (a) AMENDMENT.—Section 487(a) of the Higher
6 Education Act of 1965 (20 U.S.C. 1094(a)) is amended
7 by adding at the end the following:

8 “(30) The institution will—

9 “(A) designate at least 1 employee to co-
10 ordinate institutional compliance with title VI
11 of the Civil Rights Act of 1964 (42 U.S.C.
12 2000d et seq.), including investigation of any
13 complaint alleging—

14 “(i) noncompliance with such title; or

15 “(ii) any actions prohibited by such
16 title; and

17 “(B) conduct a public awareness cam-
18 paign, directly or through a contract with a
19 nonprofit organization that specializes in public
20 awareness communications, that—

21 “(i) is updated annually and is pro-
22 vided to students, faculty, and staff of the
23 institution, including physical posting in
24 one or more high traffic public places at
25 the institution, such as a student center,

1 and digital posting on one or more high
2 traffic web pages of the institution, such as
3 a student services web page;

7 necessary to maximize student accessibility
8 to the campaign;

9 “(C) annually submit a report to the Sec-
10 retary, and make such report publicly available
11 on the website of the institution (subject to
12 clause (ii)), that—

14 in subparagraph (A) and all public aware-
15 ness campaign efforts made under sub-
16 paragraph (B);

17 “(ii) with respect to the version of the
18 report made available to the public, may
19 include redacted information with respect
20 to the names, contact information, or iden-
21 tifying information of victims or minors in-
22 volved in complaints described in subpara-
23 graph (A); and

1 “(iii) with respect to the version of
2 the report submitted to the Secretary, may
3 not included any redacted information;

4 “(D) provide annual notice to students,
5 faculty, and staff of—

6 “(i) the name, email address, office
7 address, and telephone number of the em-
8 ployee designated under subparagraph (A)
9 to coordinate compliance with title VI of
10 the Civil Rights Act of 1964 (42 U.S.C.
11 2000d et seq.);

12 “(ii) the publically available report
13 under subparagraph (C);

14 “(iii) the enforcement policies of the
15 institution with respect to such title VI;
16 and

17 “(iv) the institutional procedures for
18 reporting and investigating complaints
19 under such title VI; and

20 “(E) in carrying out this paragraph, take
21 such steps as may be necessary to distinguish
22 between discrimination and harassment prohib-
23 ited by title VI of the Civil Rights Act of 1964
24 (42 U.S.C. 2000d et seq.) and political expres-

1 sion protected by the First Amendment to the
2 Constitution.”.

3 (b) **RULE OF CONSTRUCTION.**—Nothing in the
4 amendment made by this section shall be construed to re-
5 quire an institution of higher education to restrict con-
6 stitutionally protected speech or academic inquiry, or to
7 enforce ideological conformity.
