Notwithstanding any other provision of law, in fiscal year 2026, in managing and disposing of any multifamily property that is owned or has a mortgage held by the Secretary of Housing and Urban Development, and during the process of foreclosure on any property with a contract for rental assistance payments under section 8 of the United States Housing Act of 1937 (42

U.S.C. 1437f) or any other Federal programs, the Secretary shall maintain any rental assistance payments under section 8 of the United States Housing Act of 1937 and other programs that are attached to any dwelling units in the property. To the extent the Secretary determines, in consultation with the tenants and the local government that such a multifamily property owned or having a mortgage held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (in this section “MAHRAA”) (42 U.S.C. 1437f note), and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or receivership. After disposition of any multifamily property described in this section, the contract and allowable rent levels on such properties shall be subject to the requirements under section 524 of MAHRAA.

SEC. 212. Public housing agencies that own and operate 400 or fewer public housing units may elect to be exempt from any asset management requirement imposed by the Secretary in connection with the operating fund rule: *Provided*, That an agency seeking a discontinuance of a reduction of subsidy under the operating fund formula shall not be exempt from asset management requirements.

SEC. 213. With respect to the use of amounts provided in this Act and in future Acts for the operation, capital improvement, and management of public housing as authorized by sections 9(d) and 9(e) of the United States Housing Act of 1937 (42 U.S.C. 1437g(d), (e)), the Secretary shall not impose any requirement or guideline relating to asset management that restricts or limits in any way the use of capital funds for central office costs pursuant to paragraph (1) or (2) of section 9(g) of the United States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)): *Provided*, That a public housing agency may not use capital funds authorized under section 9(d) for activities that are eligible under section 9(e) for assistance with amounts from the operating fund in excess of the amounts permitted under paragraph (1) or (2) of section 9(g).

SEC. 214. No official or employee of the Department of Housing and Urban Development shall be designated as an allotment holder unless the Office of the Chief Financial Officer has determined that such allotment holder has implemented an adequate system of funds control and has received training in funds control procedures and directives. The Chief Financial Officer shall ensure that there is a trained allotment holder for each HUD appropriation under the accounts “Executive Offices”, “Administrative Support Offices”, “Program Offices”, “Government National Mortgage

Association—Guarantees of Mortgage-Backed Securities Loan Guarantee Program Account”, and “Office of Inspector General” within the Department of Housing and Urban Development.

SEC. 215. Notwithstanding any other provision of law, for fiscal year 2026, the Secretary may make a notice of funding opportunity, and a notice of any funding decision, for any program or discretionary fund administered by the Secretary that is to be competitively awarded available only on the Internet at the appropriate Government website or through other electronic media, as determined by the Secretary.

SEC. 216. Payment of attorney fees in program-related litigation shall be paid from the individual program office and Office of General Counsel salaries and expenses appropriations.

SEC. 217. The Secretary is authorized to transfer up to 10 percent or \$5,000,000, whichever is less, of funds appropriated for any office under the headings “Administrative Support Offices” or “Program Offices” to any other such office under such headings: *Provided*, That the Secretary shall provide notification to such Committees 5 business days in advance of any such transfers.

SEC. 218. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary, and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condition of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a contract under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or a contract for similar project-based assistance—

(1) receives a failing score under the Uniform Physical Condition Standards (UPCS) or successor standard; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies, or those deficiencies requiring correction within 24 hours, identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but shall not apply to such units assisted under section 8(o)(13) of such Act (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the Real Estate Assessment Center (“REAC”) inspection, the Secretary shall provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary shall provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a passing score, the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all deficiencies specified in the Notice of Default, if the owner fails to fully correct such deficiencies, the Secretary may—

(A) require immediate replacement of project management with a management agent approved by the Secretary;

(B) impose civil money penalties, which shall be used solely for the purpose of supporting safe and sanitary conditions at

applicable properties, as designated by the Secretary, with priority given to the tenants of the property affected by the penalty;

(C) abate the section 8 contract, including partial abatement, as determined by the Secretary, until all deficiencies have been corrected;

(D) pursue transfer of the project to an owner, approved by the Secretary under established procedures, who will be obligated to promptly make all required repairs and to accept renewal of the assistance contract if such renewal is offered;

(E) transfer the existing section 8 contract to another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial order of specific performance requiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other related party to stabilize the property in an attempt to preserve the property through compliance, transfer of ownership, or an infusion of capital provided by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

(e) The Secretary shall report semi-annually on all properties covered by this section that are assessed through the Real Estate Assessment Center and have failing physical inspection scores or have received an unsatisfactory management and occupancy review within the past 36 months. The report shall include—

(1) identification of the enforcement actions being taken to address such conditions, including imposition of civil money penalties and termination of subsidies, and identification of properties that have such conditions multiple times;

(2) identification of actions that the Department of Housing and Urban Development is taking to protect tenants of such identified properties; and

(3) any administrative or legislative recommendations to further improve the living conditions at properties covered under a housing assistance payment contract.

The first report shall be submitted to the Senate and House Committees on Appropriations not later than 30 days after the enactment of this Act, and the second report shall be submitted within 180 days of the transmittal of the first report.

SEC. 224. None of the funds provided in this Act or any other Act may be used for awards, including performance, special act, or spot, for any employee of the Department of Housing and Urban Development subject to administrative discipline (including suspension from work), in this fiscal year, but this prohibition shall not

be effective prior to the effective date of any such administrative discipline or after any final decision over-turning such discipline.

SEC. 225. With respect to grant amounts awarded under the heading “Homeless Assistance Grants” for fiscal years 2015 through 2026 for the continuum of care (CoC) program as authorized under subtitle C of title IV of the McKinney-Vento Homeless Assistance Act, costs paid by program income of grant recipients may count toward meeting the recipient’s matching requirements, provided the costs are eligible CoC costs that supplement the recipient’s CoC program.

cycle by (a) offsetting each such recipient's formula allocation (if eligible for a formula allocation in the next applicable formula allocation cycle) by the amount of any such funding error, and (b) reallocating any available balances that are attributable to the offset to the recipient or recipients that would have been allocated additional funds in the formula allocation cycle in which any such error occurred (if such recipient or recipients are eligible for a formula allocation in the next applicable formula allocation cycle) in an amount proportionate to such recipient's eligibility under the next applicable formula allocation cycle: *Provided*, That all offsets and reallocations from such available balances shall be recorded against funds available for the next applicable formula allocation cycle: *Provided further*, That the term "next applicable formula allocation cycle" means the first formula allocation cycle for a program that is reasonably available for correction following such a Secretarial determination: *Provided further*, That if, upon request by a recipient and giving consideration to all Federal resources available to the recipient for the same grant purposes, the Secretary determines that the offset in the next applicable formula allocation cycle would critically impair the recipient's ability to accomplish the purpose of the formula grant, the Secretary may adjust for the funding error across two or more formula allocation cycles.

No part of any appropriation provided under titles III through VI in this Act shall be used to furnish assistance to the government of any country which is in default during a period in excess of 1 calendar year in payment to the United States of principal or interest on any loan made to the government of such country by the United States pursuant to a program for which funds are appropriated under this Act unless the President determines, following consultation with the Committees on Appropriations, that assistance for such country is in the national interest of the United States.

PROHIBITION ON TAXATION OF UNITED STATES ASSISTANCE

SEC. 7013. (a) PROHIBITION ON TAXATION.—None of the funds appropriated under titles III through VI of this Act may be made available to provide assistance for a foreign country under a new bilateral agreement governing the terms and conditions under which such assistance is to be provided unless such agreement includes a provision stating that assistance provided by the United States shall be exempt from taxation, or reimbursed, by the foreign government, and the Secretary of State shall expeditiously seek to negotiate amendments to existing bilateral agreements, as necessary, to conform with this requirement.

(b) NOTIFICATION AND REIMBURSEMENT OF FOREIGN TAXES.—An amount equivalent to 200 percent of the total taxes assessed during fiscal year 2026 on funds appropriated by this Act and prior Acts making appropriations for the Department of State, foreign operations, and related programs by a foreign government or entity against United States assistance programs, either directly or through grantees, contractors, and subcontractors, shall be withheld from obligation from funds appropriated for assistance for fiscal year 2027 and for prior fiscal years and allocated for the central government of such country or for the West Bank and Gaza program, as applicable, if, not later than September 30, 2027, such taxes have not been reimbursed.

(c) DE MINIMIS EXCEPTION.—Foreign taxes of a de minimis nature shall not be subject to the provisions of subsection (b).

(d) REPROGRAMMING OF FUNDS.—Funds withheld from obligation for each foreign government or entity pursuant to subsection (b) shall be reprogrammed for assistance for countries which do not assess taxes on United States assistance or which have an effective arrangement that is providing substantial reimbursement of such taxes, and that can reasonably accommodate such assistance in a programmatically responsible manner.

(e) DETERMINATIONS.—

(1) IN GENERAL.—The provisions of this section shall not apply to any foreign government or entity that assesses such taxes if the Secretary of State reports to the Committees on Appropriations that—

(A) such foreign government or entity has an effective arrangement that is providing substantial reimbursement of such taxes; or

(B) the foreign policy interests of the United States outweigh the purpose of this section to ensure that United States assistance is not subject to taxation.

(2) CONSULTATION.—The Secretary of State shall consult with the Committees on Appropriations at least 15 days prior to exercising the authority of this subsection with regard to any foreign government or entity.

(f) IMPLEMENTATION.—The Secretary of State shall issue and update rules, regulations, or policy guidance, as appropriate, to implement the prohibition against the taxation of assistance contained in this section.

(g) DEFINITIONS.—As used in this section:

(1) BILATERAL AGREEMENT.—The term “bilateral agreement” refers to a framework bilateral agreement between the Government of the United States and the government of the country receiving assistance that describes the privileges and immunities applicable to United States foreign assistance for such country generally, or an individual agreement between the Government of the United States and such government that describes, among other things, the treatment for tax purposes that will be accorded the United States assistance provided under that agreement.

(c) EXTENSION OF AVAILABILITY.—In addition to the authority contained in subsection (b), the original period of availability of funds appropriated by this Act and administered by the Department of State that are specifically designated for particular programs or activities by this or any other Act may be extended for an additional fiscal year if the Secretary of State determines and reports promptly to the Committees on Appropriations that the termination of assistance to a country or a significant change in circumstances makes it unlikely that such designated funds can be obligated during the original period of availability: *Provided*, That such designated funds that continue to be available for an additional fiscal year shall be obligated only for the purpose of such designation.

(d) OTHER ACTS.—Ceilings and specifically designated funding levels contained in this Act shall not be applicable to funds or authorities appropriated or otherwise made available by any subsequent Act unless such Act specifically so directs: *Provided*, That
