6 “(B) DEADLINE.—Not later than 5 days  
7 after the date on which an applicant files an

16 1.115 of title 47, Code of Federal Regulations (or  
17 any successor regulation) or section 402 of this Act.  
18 If on review of such determination it is found that  
19 the Commission, or any bureau or office of the Com-

21 to be not complete, such application shall be deemed  
22 to be complete on the date that is 15 days after the  
23 date on which such application was filed with the  
24 Commission or (in the case of a review of such a de-

24 plication that the Commission refers to the Com-  
25 mittee for the Assessment of Foreign Participation

1 in the United States Telecommunications Services  
2 Sector (or any successor to such Committee), if the  
3 Committee (or any such successor) determines that  
4 a secondary assessment (or similar additional review  
5 by any such successor) of such application is war-  
6 ranted, the period during which the Commission is  
7 required to approve such application under para-  
8 graph (1)(B) may be extended by not more than 90  
9 days, in the discretion of the Commission.

10 “(3) REQUEST FOR ADDITIONAL INFORMA-

2 (1), the Commission shall designate such application  
3 for hearing in accordance with section 309(e). Not-  
4 withstanding section 309(e), the Commission shall

9           Commission may file a complaint against  
10          the applicant in the United States District  
11          Court for the District of Columbia to seek  
12          an order permitting the Commission to  
13          deny such application.

19          approval of such application is not in the  
20          public interest.

21                   “(iii) ORDER.—An order issued by the  
22          court pursuant to this subparagraph shall  
23          include the date by which the Commission

6                   obtains an order under this subparagraph  
7                   permitting the Commission to deny such  
8                   application.

15                   application, the period during which the Commission  
16                   is required to issue a final order approving such ap-  
17                   plication under subsection (b)(1), and (if applicable)  
18                   the period during which the Commission is required  
19                   to issue a final order approving or denying such ap-
