Committee on the Judiciary

## A BILL

To establish a Commission on Land Reparations, whose purpose is to study and distribute land reparations to African-American descendants of slaves promised land by the Federal Government.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Land Reparations  
5       Commission Act”.

6       **SEC. 2. FINDINGS AND PURPOSE.**

7       (a) FINDINGS.—Congress finds the following:

1           (1) Following the Civil War, former enslaved  
2       Black Americans were promised “40 acres and a  
3       mule” of confiscated Confederate land by the Gov-  
4       ernment through General Sherman’s Field Order 15,  
5       which was never truly fulfilled, as Black Americans  
6       who were provided land by the Government following  
7       the Civil War had their land stripped away by Presi-  
8       dent Andrew Johnson.

9           (2) Following the Civil War, the 39th Congress  
10      passed H.R. 613, “An Act to establish a Bureau for  
11      relief of Freedman and Refugees”. In section 5 of  
12      that bill, it is stated that the established Bureau can  
13      “...reserve from sale or settlement under the home-  
14      stead or preemption laws, and assign for the use of  
15      the freedmen and loyal refugees, male or female, un-  
16      occupied public lands in Florida, Mississippi, Ala-  
17      bama, Louisiana, and Arkansas...”.

18      (b) PURPOSE.—The purpose of this Act is to estab-  
19      lish a commission to study and develop land reparation  
20      proposals for African Americans as a result of—

21           (1) the institution of slavery, including both the  
22      Trans-Atlantic and the domestic “trade” which ex-  
23      isted from 1565 in colonial Florida and from 1619  
24      through 1865 within the other colonies that became  
25      the United States, and which included the Federal

1 and State Governments that constitutionally and  
2 statutorily supported the institution of slavery; and  
3 (2) the failure of previously proposed remedi-  
4 ations to address the unkept promise of land to pre-  
5 viously enslaved Americans upon the abolition of  
6 slavery in 1865.

7 **SEC. 3. DEFINITIONS.**
