3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Moldova Support Act
5 of 2026”.

6 **SEC. 2. SENSE OF CONGRESS.**

7 It is the sense of Congress that:

1 (1) For more than 3 decades, the Republic of
2 Moldova has demonstrated a strong commitment to
3 advancing democracy, strengthening civil society,
4 furthering accession to the European Union, and
5 deepening cooperation with the North Atlantic Trea-
6 ty Organization through the Partnership for Peace
7 Program.

8 (2) The Russian Federation's illegal invasion of
9 Ukraine has threatened the sovereignty and terri-
10 torial integrity of Moldova by destabilizing the coun-
11 try's economy as well as its energy security.

12 (3) The reelection of Moldovan President Maia
13 Sandu further cements Moldova's pro-European
14 path and Moldova's expedient accession to the Euro-
15 pean Union is in the direct interest of the United
16 States.

17 (4) Moldova represents a United States foreign
18 assistance success story with United States foreign
19 assistance to Moldova contributing to Moldova's en-
20 ergy security, economic development, and democratic
21 values as well as furthering the United States-
22 Moldova bilateral relationship, all which benefit the
23 people and businesses of the United States and
24 strengthen the transatlantic relationship.

1 (5) The United States-Moldova Strategic Dia-
2 logue is an important platform for strengthening the
3 United States-Moldova bilateral relationship.

4 (6) The Russian Federation has historically tar-
5 geted Moldova, seeking to undermine its democratic
6 institutions, weaponize energy supplies in Moldova
7 (including through Transnistria), and use Moldova
8 as a lynchpin of a wider campaign to expand its ma-
9 align influence and promote broader instability across
10 Europe and the world.

11 **SEC. 3. UNITED STATES-MOLDOVA STRATEGIC DIALOGUE.**

12 (a) IN GENERAL.—The Secretary of State shall fa-

21 process of accession to the European Union;

22 (3) strengthen economic and energy ties be-
23 tween Moldova and the United States, including ex-
24 panding United States Government support for the
25 Straseni-Gutinas transmission line project that will

1 provide opportunities for United States businesses,

3 hance Moldovan and European energy security;

4 (4) reaffirm support for Moldova’s sovereignty
5 and territorial integrity within its internationally
6 recognized borders;

7 (5) expand support for the State Partnership

25 in section 3; and

1 (B) support Moldova’s process of accession
2 to the European Union and Moldova’s goal of
3 becoming a member of the European Union by
4 the year 2030, including through United States
5 foreign assistance that avoids conflicts with
6 Moldova’s obligations related to European
7 Union accession or agreements with inter-
8 national financial institutions or other official
9 creditors;
