IN THE HOUSE OF REPRESENTATIVES

APRIL 9, 2026

Mr. MOORE of Alabama (for himself and Mr. GUEST) introduced the following bill; which was referred to the Committee on Veterans' Affairs, and in addition to the Committee on Rules, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To amend title 38, United States Code, to require the President to define veteran success and to develop and implement a National Veterans Strategy, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Veterans
5 Strategy Act of 2026”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1 (1) It is in the national interest of the United
2 States for veterans to be successful after their serv-
3 ice in the Armed Forces.

4 (2) Veterans who are successful across various
5 aspects of their lives after their service in the Armed
6 Forces provide a continued return on investment to
7 the United States for the time and resources spent
8 on their training that made them successful in the
9 Armed Forces.

10 (3) Veterans bring highly valued skills to the ci-
11 vilian workforce, including leadership, problem-solv-
12 ing, technical expertise, and teamwork that make
13 the economy of the United States stronger.

14 (4) Veterans' success after service can include
15 starting a business, working in public service, raising
16 a family, pursuing further education, competing in
17 athletics, working to serve other veterans, and im-
18 proving overall health.

19 (5) The success of veterans enhances national
20 security and military readiness. Demonstrating a
21 lifelong commitment to those who serve strengthens
22 recruitment, retention, and morale throughout the
23 Armed Forces.

24 (6) A veteran who uses military experience and
25 veteran benefits to achieve success after leaving serv-

1 ice in the Armed Forces is a positive influence on
 2 the next generation of people of the United States
 3 who will consider serving in the Armed Forces.
