

119TH CONGRESS
2D SESSION

H. R. 8264

To establish the Federal Clearinghouse on Grant Opportunities for Historically Black Colleges and Universities, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 14, 2026

Mr. HILL of Arkansas (for himself, Ms. ADAMS, Mr. McCORMICK, and Mr. FIGURES) introduced the following bill; which was referred to the Committee on Education and Workforce

A BILL

To establish the Federal Clearinghouse on Grant Opportunities for Historically Black Colleges and Universities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “HBCU Research Ca-
5 pacity Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Historically Black Colleges and Universities
9 (HBCUs) are a vital source to the Nation’s research

1 and workforce communities. While enrolling 8.5 per-
2 cent of Black undergraduate students, HBCUs
3 produce almost 18 percent of Black STEM bach-
4 elor's degree recipients, as of 2024.

5 (2) Despite these major contributions, only one
6 HBCU, Howard University, has achieved very high
7 research activity status. Furthermore, HBCUs re-
8 ceived less than 1 percent of the approximately
9 \$60,000,000,000 in Federal research and develop-
10 ment expenditures at colleges and universities in fis-
11 cal year 2023.

12 (3) Due to historical underfunding, HBCUs
13 face cyclical barriers in building research capacity,
14 further limiting grant access, resources, and exas-
15 perating issues related to smaller endowments. This
16 makes it even more difficult for scholars to secure
17 Federal research funding.

18 (4) In finding solutions to research and devel-
19 opment barriers, a May 2024 report by the National
20 Science and Technology Council recommends strate-
21 gies such as expanding flexibility in funding, encour-
22 aging interagency collaboration to share best prac-
23 tices, and reforming merit-review to reduce bias and
24 improve transparency.

1 (5) Expanding research diversity is strategically
2 important for national security, economic growth,
3 and innovation. Underrepresentation of HBCUs in
4 Federal research funding represents a missed oppor-
5 tunity.

6 (6) A Federal clearinghouse providing informa-
7 tion on grant opportunities and sharing best prac-
8 tices would help address barriers such as knowledge
9 gaps, transparency, and capacity limitations.

10 (7) Coordinated agency review, gap identifica-
11 tion, and reporting to Congress should improve ac-
12 countability and help ensure equitable access to Fed-
13 eral research funding for HBCUs.

14 (8) Establishing, maintaining, and creating ac-
15 countability measures for the Clearinghouse is there-
16 fore appropriate and necessary to notify eligible
17 HBCUs and guide Federal agencies in supporting
18 HBCU research capacity.

19 **SEC. 3. FEDERAL CLEARINGHOUSE ON GRANT OPPORTUNI-**
20 **TIES FOR HISTORICALLY BLACK COLLEGES**
21 **AND UNIVERSITIES.**

22 Part B of title III of the Higher Education Act of
23 1965 (20 U.S.C. 1060 et seq.) is amended by adding at
24 the end the following:

1 **“SEC. 328. FEDERAL CLEARINGHOUSE ON GRANT OPPOR-**
