A BILL

To strengthen Federal efforts to counter antisemitism in
the United States and protect the Jewish community.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

2 (a) SHORT TITLE.—This Act may be cited as the
3 “Jewish American Security Act”.

4 (b) TABLE OF CONTENTS.—The table of contents for
5 this Act is as follows:

- Sec. 1. Short title; table of contents.
- Sec. 2. Findings.
- Sec. 3. Statement of policy.
- Sec. 4. Protecting Jewish students.
- Sec. 5. Securing Jewish communities.
- Sec. 6. Documenting online antisemitism.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Antisemitism, which is often called “the old-
9 est hatred”, is a serious and growing danger for the
10 Jewish community in the United States and around
11 the world.

12 (2) Antisemitism has unique characteristics, in-
13 cluding the evolving use of conspiracy theories that
14 blame the various ills of society on Jewish people or
15 attribute to Jewish individuals a variety of evil and
16 harmful characteristics, as well as the portrayal of
17 Jewish people as too powerful or controlling and de-
18 serving of hatred and mistrust.

19 (3) Antisemitism also exists when Jewish indi-
20 viduals are held responsible for the policies of the
21 Israeli government, or attacked, disparaged, or de-
22 monized based on their real or perceived connection

1 to, affiliation with, or support for, the State of Israel
2 as a Jewish state.

3 (4) Holocaust denial and distortion, including
4 intentional efforts to excuse or minimize the impact
5 of the Holocaust and dishonor Holocaust victims
6 and survivors, reinforce the need for advancing accu-
7 rate and comprehensive Holocaust education glob-
8 ally.

9 (5) Protecting the history of the Holocaust and
10 recognizing and confronting Holocaust denial and
11 distortion are critical to preventing antisemitism.

12 (6) As stated in the American Jewish Commit-
13 tee's report entitled "State of Antisemitism in Amer-
14 ica 2025", the Committee found that 31 percent of
15 American Jews reported being the personal target of
16 antisemitism at least once over the preceding year.

17 (7) In 2024, the Federal Bureau of Investiga-
18 tion identified the highest number of anti-Jewish
19 hate crime incidents ever recorded by the Bureau
20 since it began collecting data in 1991, which number
21 represented an annual increase of 5.8 percent in
22 those incidents.

23 (8) Although Jews only make up around 2 per-
24 cent of the United States population, reported sin-
25 gle-bias anti-Jewish hate crimes comprised 16 per-

1 cent of all reported hate crimes and nearly 70 per-
2 cent of all reported religion-based hate crimes in
3 2024, which percentages reflect increases from prior
4 years.

5 (9) In 2024, the Anti-Defamation League (re-
6 ferred to in this paragraph as the “ADL”) reported
7 9,534 antisemitic incidents in the United States, in-
8 cluding physical assault, vandalism, and harassment,
9 which is a 344 percent increase over the average
10 number of such incidents during the prior 5 years
11 and an 893 percent increase over the average num-
12 ber of such incidents during the prior 10 years. The
13 2024 number of antisemitic incidents is the highest
14 number on record since the ADL began tracking
15 antisemitic incidents in 1979.

16 (10) Jewish Americans have faced an unprece-
17 dented rise in antisemitic incidents following the Oc-
18 tober 7, 2023, Hamas terrorist attacks on Israel.

19 (11) Increasing antisemitism in the digital uni-
20 verse marked by the amplification of antisemitic har-
21 assment, comments, tropes, and violent conspiracies
22 on online platforms, often can lead to increased se-
23 curity risks and additional offline acts of harass-
24 ment, assault, and vandalism.

1 (12) On April 13, 2025, on the second day of
2 Passover, an individual set multiple fires at the
3 Pennsylvania Governor’s residence in Harrisburg,
4 Pennsylvania, while Governor Josh Shapiro and his
5 family were inside, with the attacker stating that he
6 was upset by the Governor’s stance on the Israel-
7 Hamas war.

8 (13) On May 21, 2025, a gunman shot and
9 killed 2 Embassy of Israel staff members, Yaron
10 Lischinsky and Sarah Milgrim, as the staff members
11 were leaving an event at the Capital Jewish Mu-
12 seum, in Washington, DC.

13 (14) On June 1, 2025, a man used a makeshift
14 flamethrower and Molotov cocktails to attack a
15 group in Boulder, Colorado, as the group gathered
16 to express solidarity for hostages being held by
17 Hamas, which injured at least 13 people and re-
18 sulted in the death of 82-year-old Karen Diamond,
19 a Holocaust survivor.

20 (15) On January 10, 2026, an attacker set fire
21 to the historic Beth Israel Congregation in Jackson,
22 Mississippi, saying he was animated by its “Jewish
23 ties”.

24 (16) On March 12, 2026, an individual drove a
25 vehicle containing explosives into Temple Israel in

1 West Bloomfield, Michigan, targeting a synagogue
2 and preschool filled with more than 100 children and
3 staff.

4 (17) Antisemitic incidents have increased dra-
5 matically in many educational settings over the past
6 several years, with many Jewish students facing dis-
7 crimination or a hostile environment at schools, yet
8 antisemitic incidents in schools remain under-
9 reported.

10 (18) The Department of Education's Office for
11 Civil Rights is tasked with ensuring that all stu-
12 dents' civil rights are protected on campus, yet there
13 is a backlog of discrimination complaints that re-
14 main pending before the Office for Civil Rights.

15 (19) On December 11, 2019, President Trump
16 signed Executive Order 13899 (20 U.S.C. 2000d
17 note; relating to combating anti-Semitism) which in-
18 structed all executive departments and agencies
19 charged with enforcing title VI of the Civil Rights
20 Act of 1964 to consider the International Holocaust
21 Remembrance Alliance Working Definition of Anti-
22 semitism and its 11 contemporary examples of anti-
23 semitism.

24 (20) On May 25, 2023, the Biden Administra-
25 tion issued the first-ever U.S. National Strategy to

1 Counter Antisemitism, which outlined a whole-of-
2 government and whole-of-society approach to tackle
3 antisemitism and included more than 100 actions for
4 Federal agencies to take and calls to action for Con-
5 gress.

6 (21) On January 30, 2025, President Trump
7 signed Executive Order 14188 (90 Fed. Reg. 8847;
8 relating to additional measures to combat anti-
9 semitism), to combat the surge of antisemitism on
10 college campuses and in communities in the United
11 States.

12 (22) While antisemitism most directly and in-
13 tensely threatens those who identify or are perceived
14 as Jewish Americans, it also undermines democracy
15 and threatens the safety and rights of all Americans.

16 **SEC. 3. STATEMENT OF POLICY.**

17 It is the policy of the United States to—

18 (1) raise awareness of and educate the United
19 States public about the history of Jewish Americans,
20 the Holocaust, and antisemitism in all of its forms
21 and manifestations;

22 (2) provide resources to oppose antisemitism;
23 and

24 (3) implement whole-of-government and whole-
25 of-society efforts to combat antisemitism, including

1 through close and consistent collaboration between
2 the Federal Government, the private sector, civil so-
3 ciety, faith leaders, law enforcement, and community
4 leaders.
