2 ments; and

3 (B) which investments qualify as a quali-

7 VESTMENTS.—If a person making or receiving
8 an investment, a foreign government, the Presi-
9 dent, or the head of a Federal agency notifies
10 FIRA that an investment is a covered invest-
11 ment, FIRA shall determine—

12 (i) whether such investment is a cov-
13 ered investment; and

14 (ii) whether such investment is a
15 qualified investment.

16 (B) IDENTIFICATION OF OTHER INVEST-
17 MENTS.—

18 (i) BY FIRA.—FIRA may review any
19 investment that FIRA identifies as pos-
20 sibly being a covered investment or quali-
21 fied investment.

22 (ii) PETITION PROCESS.—FIRA shall
23 establish a petition process under which in-
24 terested parties may petition FIRA to re-
25 view a specific investment.

1 (iii) STANDARD OF REVIEW FOR
2 UNDECLARED INVESTMENTS.—With re-
3 spect to an investment for which FIRA
4 was not provided notice under section 5
5 and that FIRA has determined is a cov-
6 ered investment, the parties to the invest-
7 ment may provide evidence to FIRA that
8 the investment is not a covered investment
9 and FIRA shall revoke the determination if
10 the parties prove by clear and convincing
11 evidence that the investment is not a cov-
12 ered investment.

13 (b) QUALIFIED INVESTMENT DETERMINATION.—

14 (1) IN GENERAL.—FIRA may only determine
15 that a covered investment is a qualified investment
16 if—

17 (A) the Chief Ethics Officer determines
18 that the parties to the investment have com-
19 plied with any applicable ethics and trans-
20 parency rules issued under section 8 or other-
21 wise required under this Act;

22 (B) FIRA determines that the investment
23 provides a net economic benefit to the United
24 States; and

1 (C) the investment is not prohibited from
2 being a qualified investment under paragraph
3 (3).

4 (2) HEIGHTENED REVIEW OF CERTAIN INVEST-
5 MENTS.—FIRA shall provide heightened review for a
6 investment if the person making or receiving the in-
7 vestment is located in a covered nation, as such term
8 is defined in section 4872(f) of title 10, United
9 States Code.

10 (3) PROHIBITION ON CERTAIN INVESTMENTS.—
11 An investment is not a qualified investment if—

3 (B) the investment violates or could rea-
4 sonably lead to a violation of a Federal ethics
5 law, including section 208 of title 18, United
6 States Code;

7 (C) FIRA determines that the investment
8 more likely than not was entered into based on
9 a foreign government's or foreign government
10 official's desire to confer a personal financial
11 benefit on a government official in the United
12 States; or

13 (D) the investment allows for subsequent
14 investments using all or part of the original in-
15 vestment and delegates the decision-making au-
16 thority for such subsequent investments to an-
17 other person, unless such other person executes
18 a binding agreement to comply with the same
19 requirements of this Act with respect to such
20 subsequent investments as are applicable to a
21 qualified investment.

22 (4) EXCEPTION FOR CERTAIN INVESTMENTS.—
23 FIRA may determine that an investment is a quali-
24 fied investment under paragraph (1) without deter-
25 mining that the investment provides a net economic

2 in—

3 (A) bonds issued by the Federal Govern-
4 ment, a State, or any subdivision of a State; or

5 (B) a diversified fund of publicly-traded se-
6 curities that tracks a major market index.

7 (5) INVESTORS SUBJECT TO CERTAIN OR-
8 DERS.—

9 (A) IN GENERAL.—Notwithstanding para-

11 making an investment or the person receiving
12 an investment is subject to a Federal anti-
13 dumping duty order, countervailing duty order,
14 or court order in connection with the violation
15 of Federal intellectual property laws—

16 (i) FIRA may not determine that such
17 investment is a qualified investment unless
18 FIRA enters into a mitigation agreement
19 with the person subject to such order; and

20 (ii) FIRA shall revoke such a deter-
21 mination if FIRA determines that—

22 (I) the person has failed to com-
23 ply with the mitigation agreement; or

1 (II) the person is continuing the
2 violation with respect to which the
3 order was issued.

4 (B) MITIGATION AGREEMENT TERMS.—In
5 entering into any mitigation agreement under
6 this paragraph, FIRA shall ensure the agree-
7 ment includes an appropriate penalty clause,
8 which may require the payment of a penalty,
9 the divestment of property related to the invest-
10 ment, or the unwinding of the investment.

11 (C) REVIEW OF MITIGATION AGREE-
12 MENTS.—FIRA shall review any mitigation
13 agreement entered into under this paragraph
14 not less often than quarterly.

15 (c) TREATMENT OF CHARITABLE DONATIONS.—A
16 charitable donation to an organization described in section
17 501(c)(3) of the Internal Revenue Code of 1986 and ex-
18 empt from tax under section 501(a) of such Code is not
19 a covered investment or a qualified investment.

20 (d) RIGHT TO APPEAL DETERMINATIONS AND MITI-
21 GATION AGREEMENTS.—

22 (1) APPEAL WITH FIRA.—

23 (A) IN GENERAL.—A person receiving an
24 investment may appeal a determination under
25 this section that the investment is or is not a

1 qualified investment or the terms of a mitiga-
2 tion agreement proposed by FIRA by filing an
3 appeal with FIRA.

4 (B) LIMITATION.—Notwithstanding sub-
5 paragraph (A), a determination by FIRA that
6 an investment is not a qualified investment may
7 only be appealed based on a claim of a factual
8 error or a procedural or due process violation.

9 (C) SUPERMAJORITY DECISION RE-
10 QUIRED.—In an appeal made pursuant to sub-
11 paragraph (A), FIRA may only overturn the de-
12 termination or terms of the mitigation agree-
13 ment by a vote of at least 6 members of the
14 board of directors.

15 (2) APPEAL OF DETERMINATIONS WITH UNITED
16 STATES DISTRICT COURT.—A determination by
17 FIRA under this section that an investment is or is
18 not a qualified investment, including with respect to
19 the reasonableness of FIRA’s determination with re-
20 spect to factors such as net economic benefit or the
21 creation of quality jobs or FIRA’s compliance or
22 noncompliance with procedural safeguards under
23 this Act, may be challenged in a United States dis-
24 trict court of competent jurisdiction by—

25 (A) the person receiving the investment;

1 (B) the Chief Ethics Officer;

2 (C) a member of the Public Oversight
3 Board; and

4 (D) any person harmed by the investment
5 or who faces a tangible risk of being harmed by
6 the investment.

7 (e) PETITION FOR REDETERMINATION.—A person
8 making a covered investment that FIRA has determined
9 is not a qualified investment may, if the investor makes
10 material changes to the investment proposal, petition
11 FIRA for a redetermination of whether the covered invest-
12 ment is a qualified investment.

13 (f) REVIEW PERIOD FOR QUALIFIED INVEST-
14 MENTS.—FIRA shall continue to review a qualified invest-
15 ment for a 30-day period beginning on the date that FIRA
16 determines the investment is a qualified investment in
17 order to assess the net economic benefit to the United
18 States provided by the qualified investment, including jobs
19 created by the qualified investment.

20 (g) PUBLIC NOTICE.—FIRA shall maintain a public
21 website with a list of all investments that FIRA has re-
22 viewed and, with respect to each investment, stating
23 whether FIRA has determined it is a covered investment,
24 a qualified investment, both, or neither.

1 (h) INTERAGENCY CONSULTATIONS.—In carrying
2 out this section—

3 (1) FIRA may consult with any Federal agency;
4 and

5 (2) a Federal agency shall reasonably cooperate
6 with FIRA with any information requested by FIRA
7 to assist in FIRA’s duties prescribed under this sec-
8 tion, subject to such safeguards as may be necessary
9 to protect classified or law enforcement information.

10 **SEC. 7. MEDIATION AND PROHIBITION AUTHORITY.**

11 (a) MANDATORY MEDIATION AUTHORITY.—With re-
12 spect to each covered investment that FIRA determines
13 is not a qualified investment, FIRA may require mediation
14 between FIRA and the person making the covered invest-
15 ment in order to agree on new terms for the investment
16 that would allow FIRA to determine that the investment
17 is a qualified investment.

18 (b) PROHIBITION AUTHORITY.—FIRA may suspend
19 or prohibit any covered investment that is not a qualified
20 investment.

21 **SEC. 8. APPLICATION OF FEDERAL ETHICS AND TRANS-**

23 (a) APPLICATION TO PARTIES TO COVERED INVEST-

25 ics and transparency laws to any person (including a Fed-

1 eral agency or foreign government) making, receiving, or
 2 negotiating a covered investment or an investment that
 3 the person believes is a covered investment, but only to
 4 the extent such person is taking actions in connection with
 5 such investment.

6 (b) SPECIFIC LAWS.—The Federal ethics and trans-

 25 VESTMENT COMMITMENTS.—If, after the end of the 4-

1 year period beginning on the obligation date of a covered
2 foreign investment commitment, the amount of qualified
3 investments related to such covered foreign investment
4 commitment is less than the covered foreign investment
