

H. Res. 1075

In the House of Representatives, U. S.,

February 24, 2026.

Resolved, That upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 4626) to amend the Energy Policy and Conservation Act to prohibit the Secretary of Energy from prescribing any new or amended energy conservation standard for a product that is not technologically feasible and economically justified, and for other purposes. All points of order against consideration of the bill are waived. In lieu of the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill, an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–20 shall be considered as adopted. The bill, as amended, shall be considered as read. All points of order against provisions in the bill, as amended, are waived. The previous question shall be considered as ordered on the bill, as amended, and on any further amendment thereto, to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and rank-

ing minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

SEC. 2. Upon adoption of this resolution it shall be in order to consider in the House the bill (H.R. 4758) to repeal provisions of Public Law 117–169 relating to taxpayer subsidies for home electrification, and for other purposes. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce or their respective designees; and (2) one motion to recommit.

Attest:

Clerk.
