

119TH CONGRESS
2D SESSION

H. RES. 1171

Supporting the designation of the week of April 20 through April 24, 2026,
as “National Home Visiting Week”.

IN THE HOUSE OF REPRESENTATIVES

APRIL 14, 2026

Mr. LAHOOD (for himself, Mr. DAVIS of Illinois, Mr. YAKYM, and Ms. CHU)
submitted the following resolution; which was referred to the Committee
on Oversight and Government Reform

RESOLUTION

Supporting the designation of the week of April 20 through
April 24, 2026, as “National Home Visiting Week”.

Whereas every child deserves the opportunity to live up to his
or her potential;

Whereas the early childhood years are the most active period
for the developing brain and a stable, secure relationship
with a nurturing, caring adult is a key factor in the de-
velopment of young children;

Whereas home visiting programs help parents meet the
unique needs of their children, promote healthy develop-
ment, strengthen family relationships, and reduce the
risk of abuse and neglect;

Whereas the Federal Mother and Infant Home Visiting Pro-
gram Evaluation studies demonstrate both short- and

long-term positive outcomes for children and families who participate in the Maternal, Infant, and Early Childhood Home Visiting Program;

Whereas the 2022 bipartisan reauthorization of the Maternal, Infant, and Early Childhood Home Visiting Program increased investment in home visiting to serve more children and families, including dedicated funding for workforce support and the Jackie Walorski Center for Evidence-Based Case Management;

Whereas Tribal Maternal, Infant, and Early Childhood Home Visiting grants support health and well-being of children and families within American Indian and Alaska Native communities;

Whereas, in 2024, evidence-based home visiting was implemented in all 50 States, the District of Columbia, 5 territories, 32 Indigenous communities, and 65 percent of United States counties;

Whereas, in fiscal year 2024, the Federal Maternal, Infant, and Early Childhood Home Visiting Program served over 150,000 parents and children and provided over 990,000 home visits;

Whereas more than 284,000 families received evidence-based home visiting services in 2024, over the course of more than 3,000,000 home visits;

Whereas more than 20,000 home visitors and supervisors delivered evidence-based services nationwide in 2024; and

Whereas home visitors provide practical, emotional, and educational support that helps families thrive, promotes positive parenting practices, and ensures children have a strong foundation for a healthy, successful life: Now, therefore, be it
