

119TH CONGRESS
1ST SESSION

H. RES. 814

Recognizing and honoring the White House Medical Unit for its service
to the Commander in Chief.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 17, 2025

Mr. JACKSON of Texas submitted the following resolution; which was referred to the Committee on Oversight and Government Reform, and in addition to the Committee on Armed Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

RESOLUTION

Recognizing and honoring the White House Medical Unit
for its service to the Commander in Chief.

Whereas the White House Medical Unit was established in 1945 to preserve the health and fitness of the Nation's Chief Executive by providing immediate and high-quality medical care to the President of the United States and executive branch leadership;

Whereas the White House Medical Unit is staffed primarily by active-duty personnel from the United States Army, Navy, Air Force, and Coast Guard who deliver world-class medical support in both routine and emergency settings;

Whereas the White House Medical Unit provides comprehensive medical care to the President, the Vice President, their families, and White House staff at all times of the day, both at the White House and while traveling domestically and internationally;

Whereas the White House Medical Unit maintains constant readiness to respond to medical contingencies anywhere in the world and is a critical element in the Presidential Emergency Operations Plan;

Whereas the White House Medical Unit plays a vital role in the continuity of the office of the Presidency, integrating seamlessly with the United States Secret Service, White House Military Office, and National Security Council to ensure uninterrupted national leadership;

Whereas the White House Medical Unit operates a state-of-the-art medical clinic in the Executive Office of the President that provides emergency coverage and triage for over 1,000,000 annual White House visitors, staff, and guests, ensuring safety and rapid response capabilities;

Whereas the personnel of the White House Medical Unit perform their duties with professionalism and excellence, often under intense pressure and in highly classified or operationally sensitive environments; and

Whereas the year 2025 marks the 80th anniversary of the White House Medical Unit's founding and continuous service to the Nation: Now, therefore, be it
