Whereas this resolution may be cited as the “Original Resolution Calling on the United States Government to Help Bring Peace to Sudan”;

Whereas the United Nations has reported at least 40 thousand have been killed, 12 million have been displaced, and 47 million are facing acute hunger in Sudan since April of 2023;

Whereas the UAE is the only country confirmed to have imported these specific weapons;

Whereas Executive Order (E.O.) 14098, “Imposing Sanctions on Certain Persons Destabilizing Sudan and Undermining the Goal of a Democratic Transition,” signed on May 4, 2023, authorizes the United States Secretary of State to impose sanctions on foreign persons responsible for undermining stability in Sudan;
