IN THE SENATE OF THE UNITED STATES

APRIL 10, 2025

Mr. LUJÁN (for himself and Mr. HEINRICH) introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

A BILL

To provide for the withdrawal and protection of certain Federal land in the State of New Mexico, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Chaco Cultural Herit-
5 age Area Protection Act of 2025”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

8 (1) there are archeological, sacred, and historic
9 resources located throughout the Greater Chaco re-

1 gion, which spans the States of New Mexico, Ari-
2 zona, Utah, and Colorado;

3 (2) the Chaco Culture National Historical Park,
4 a unit of the National Park System and a United
5 Nations Educational, Scientific and Cultural Organi-
6 zation World Heritage Site, is known around the
7 world—

8 (A) for multi-story buildings constructed
9 by the Chacoan people that are still standing;
10 and

11 (B) as the nerve center of a culture that
12 spread throughout and dominated the Four
13 Corners area during the 9th, 10th, and 11th
14 centuries;

15 (3) the Chacoan people built hundreds of miles
16 of roads and a network of villages, shrines, and com-
17 munications sites, many of which are still visible;

18 (4) many Pueblos and Indian Tribes in the
19 Four Corners area claim cultural affiliation with,
20 and are descended from, the Chacoan people;

21 (5) the landscape around the Chaco Culture
22 National Historical Park includes hundreds of inter-
23 nationally and nationally significant cultural re-
24 sources, including prehistoric roads, communities,
25 and shrines—

1 (A) many of which are related to the re-
2 sources found in the Chaco Culture National
3 Historical Park, including the resources recog-
4 nized by the amendment made by section 3 of
5 the Chacoan Outliers Protection Act of 1995
6 (16 U.S.C. 410ii note; Public Law 104–11)
7 providing for additional Chaco Culture Archeo-
8 logical Protection Sites;

9 (B) a significant number of which are con-
10 centrated within the immediate area sur-
11 rounding the Chaco Culture National Historical
12 Park; and

13 (C) that are commonly recognized by ar-
14 cheologists;

15 (6) long considered one of the best places for
16 stargazing in the world, Chaco Culture National
17 Historical Park—

18 (A) in 1991, established a night skies pro-
19 tection initiative and interpretive program to
20 protect the night sky in the area of the Chaco
21 Culture National Historical Park; and

22 (B) in 2013, was certified as an Inter-
23 national Dark Sky Park;

1 (7) the Greater Chaco region extends beyond
2 Chaco Culture National Historical Park and encom-
3 passes—

4 (A) local communities, including the Pueb-
5 lo Indian Tribes, the Navajo Nation, the Hopi
6 Tribe, and other Indian Tribes; and

7 (B) public and private land, which includes
8 additional cultural resources and sacred sites;

9 (8) for over 110 years, the Federal Government
10 has recognized the importance of the area in which
11 the Chacoan people lived and has acted to protect
12 historic and sacred sites in the area, including—

13 (A) Chaco Canyon, which was designated
14 as a National Monument in 1907 and as the
15 Chaco Culture National Historical Park in
16 1980;

17 (B) the Aztec Ruins, which was designated
18 as a National Monument in 1923 and expanded
19 in each of 1928, 1930, 1948, and 1988; and

20 (C) the 39 Chaco Culture Archeological
21 Protection Sites designated in 1995;

22 (9) recognizes that the standard for Tribal con-
23 sultation is outlined in Executive Order 13175 (25
24 U.S.C. 5301 note; relating to consultation and co-
25 ordination with Indian Tribal governments);

1 (10) extensive natural gas development has oc-
2 curred in the Greater Chaco region that affects the
3 health, safety, economies, and quality of life of local
4 communities;

5 (11) renewed interest in oil exploration and pro-
6 duction within the Mancos/Gallup Shale play has in-
7 creased the potential for—

8 (A) significant impacts on cultural and
9 other resources, the holistic experience of the
10 sacred landscape, and visitor experiences at the
11 Chaco Culture National Historical Park; and

12 (B) additional impacts on local commu-
13 nities in the Greater Chaco region, including
14 the Pueblo Indian Tribes, the Navajo Nation,
15 the Hopi Tribe, and other Indian Tribes;

16 (12) a mineral withdrawal in the landscape
17 around the Chaco Culture National Historical Park
18 would prevent leasing and development on Federal
19 land and of Federal minerals in the immediate area
20 surrounding the Chaco Culture National Historical
21 Park, which would protect resources and visitor ex-
22 periences at the Chaco Culture National Historical
23 Park;

24 (13) additional studies and protective measures
25 should be undertaken to address health, safety, and

1 environmental impacts on communities and interests
2 of the Pueblo Indian Tribes, the Navajo Nation, the
3 Hopi Tribe, and other Indian Tribes in the Greater
4 Chaco region; and

5 (14) the Greater Chaco region continues to be
6 used for ceremonial and cultural purposes by the
7 Pueblo Indian Tribes, the Navajo Nation, the Hopi
8 Tribe, and other Indian Tribes.
