23       **SEC. 501. QUALITY STANDARDS.**

24           (a) IN GENERAL.—All standards and quality meas-  
 25       ures under this Act shall be implemented and evaluated

1 by the Center for Clinical Standards and Quality of the  
 2 Centers for Medicare & Medicaid Services (referred to in  
 3 this title as the “Center”) or such other agencies deter-

7 (b) DUTIES OF THE CENTER.—The Center shall per-

17 of practice over another. The Center shall ensure co-  
18 ordination and reporting by such entities to ensure  
19 national consistency in quality standards.

20 (5) Submission of a report to the Secretary an-

13 performance on the basis of race, ethnicity, national ori-  
14 gin, primary language use, age, disability, sex (including

20      guage use, age, disability, sex (including gender  
21      identity and sexual orientation), geography, or  
22      socioeconomic status.
