 14 Act (42 U.S.C. 1301(a)(1)) for purposes of titles
 15 XIX and XXI of such Act) shall conduct a study on
 16 the costs of providing maternity, labor, and delivery
 17 services in applicable hospitals (as defined in para-

 24 respect to maternity, labor, and delivery services fur-

1 (A) An estimate of the cost of providing
2 maternity, labor, and delivery services at appli-

4 representative sample of such hospitals incurred
5 for providing such services during the 2 most
6 recent years for which data is available.

7 (B) An estimate of the cost of providing
8 maternity, labor, and delivery services at appli-
9 cable hospitals that ceased providing labor and
10 delivery services within the past 5 years, based
11 on the expenditures a representative sample of
12 such hospitals incurred for providing such serv-
13 ices during the 2 most recent years for which
14 data is available.

15 (C) To the extent data allows, an analysis
16 of the extent to which geographic location, com-
17 munity demographics, and local economic fac-
18 tors (as defined by the Secretary) affect the
19 cost of providing maternity, labor, and delivery
20 services at applicable hospitals, including the
21 cost of services that support the provision of
22 maternity, labor, and delivery services.

23 (D) The amounts applicable hospitals are
24 paid for maternity, labor, and delivery services,

2 under—

4 (ii) the State Medicaid program, in-
5 cluding payment amounts for such services
6 under fee-for-service payment arrange-
7 ments and under managed care (as appli-

22 payment rates for such services under

 6 graphic areas of the State; and

7 (ii) analyzing different payment meth-
 8 ods for such services, such as the use of
