IN THE SENATE OF THE UNITED STATES

JUNE 25 (legislative day, JUNE 24), 2025

Mr. SCOTT of Florida introduced the following bill; which was read twice and referred to the Committee on Finance

A BILL

To amend the Harmonized Tariff Schedule of the United States to increase the rate of duty on unmanned aircraft imported from the People's Republic of China, and for other purposes.

6 Republic of China has the effect of incentivizing
7 sourcing from the United States and allies of the
8 United States, which in turn has the effect of pro-
9 moting resilient supply chains for unmanned aircraft
10 and components for such aircraft; and

11 (3) applying protective duties against foreign
12 adversary countries, such as the People’s Republic of
13 China, is prudent and necessary to safeguard the do-
14 mestic unmanned aircraft industry.
