

119TH CONGRESS
1ST SESSION

S. 2252

To require United States foreign assistance commodities to be made available for their intended purposes before they expire.

IN THE SENATE OF THE UNITED STATES

JULY 10, 2025

Mrs. SHAHEEN (for herself and Mr. SCHATZ) introduced the following bill;
which was read twice and referred to the Committee on Foreign Relations

A BILL

To require United States foreign assistance commodities to be made available for their intended purposes before they expire.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Saving Lives and Tax-
5 payer Dollars Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Foreign assistance commodities, including
9 food, medicine, family planning products, and vac-
10 cines, provide critical support to people who are re-

1 covering from the aftermath of natural disasters,
2 fleeing conflict or war, residing in refugee camps, or
3 living in developing communities with limited access
4 to health care.

5 (2) United States investments in global health
6 bolster economic growth for partner countries,
7 produce returns on investment for the United States
8 economy, create an estimated 600,000 jobs in the
9 United States, and generated an estimated
10 \$104,000,000,000 in economic activity during the
11 15-year period between 2007 and 2022.

12 (3) Reliable access to vaccines and medications,
13 including pre-exposure prophylaxis and antiretroviral
14 drugs to prevent the spread of HIV and vaccines to
15 prevent the transmission of communicable diseases
16 such as polio and drug-resistant tuberculosis, make
17 everyone safer.

18 (4) United States food assistance benefits
19 United States farmers, ranchers, and agribusinesses,
20 while addressing global food insecurity. United
21 States farmers annually supply an estimated 40 per-
22 cent of all international food assistance, which is val-
23 ued at approximately \$2,000,000,000.

24 (5) Greater access to family planning products
25 and services has the potential to prevent up to 30

1 percent of the 295,000 annual maternal deaths and
2 save the lives of approximately 1,400,000 children
3 who are younger than 5 years old.

4 (6) The voluntary destruction of foreign assist-
5 ance commodities intended for beneficiaries at risk
6 of food insecurity and famine, sexual violence, ma-
7 ternal and infant death and disease is unethical and
8 contrary to United States interests and moral obli-
9 gations.

10 **SEC. 3. PROHIBITION ON THE DESTRUCTION OF FOREIGN**
11 **ASSISTANCE PRODUCTS AND COMMODITIES.**

12 Section 102 of the Foreign Assistance Act of 1961
13 (22 U.S.C. 2151–1) is amended—

14 (1) in subsection (b), by adding at the end the

20 culture, or the Administrator of the United States Agency

23 basis, to ensure the delivery or donation of the commodity
24 to intended beneficiaries before the applicable spoilage or
25 expiration date.

1 “(3) No commodity may be destroyed unless every
2 effort has been made to sell, donate, or otherwise make
3 available the commodity, whichever is more likely to en-
4 sure the commodity will be received and utilized by its in-
5 tended beneficiaries, before the applicable spoilage or expi-
6 ration date.

7 “(4)(A) Not later than 90 days after the date of the
8 enactment of the Saving Lives and Taxpayer Dollars Act,

10 nation with the Administrator of the United States Agen-
11 cy for International Development and the Secretary of Ag-
12 riculture, as appropriate, shall submit a report to the ap-
13 propriate congressional committees that describes any
14 commodity that expired, spoiled, or was destroyed without
15 delivery to an intended beneficiary.

16 “(B) The report required under subparagraph (A)
17 shall include, for each expired, spoiled, or destroyed com-
