

119TH CONGRESS
2D SESSION

S. 3876

To amend the Small Business Act to spur entrepreneurial ecosystems in underserved communities, and for other purposes.

IN THE SENATE OF THE UNITED STATES

FEBRUARY 12, 2026

Mr. MARKEY (for himself, Ms. HIRONO, and Mr. BOOKER) introduced the following bill; which was read twice and referred to the Committee on Small Business and Entrepreneurship

A BILL

To amend the Small Business Act to spur entrepreneurial ecosystems in underserved communities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Strengthening Place-
5 based Access, Resources, and Knowledge Act” or the
6 “SPARK Act”.

7 **SEC. 2. FINDINGS.**

8 Congress finds the following:

1 (1) Studies have found that incubators, accel-
 2 erators, and other similar models are effective at in-
 3 creasing revenues, the number of employees, and the
 4 likelihood that the business venture will be success-
 5 ful for participants.

6 (2) According to the 2023 Report on Startup
 7 Firms Owned by People of Color: Findings from the
 8 2022 Small Business Credit Survey—

9 (A) startups owned by racial minorities are
 10 more than twice as likely to be denied for fi-
 11 nancing from lenders than non-minority-owned
 12 startups; and

13 (B) mission-oriented financial institutions
 14 and community-based lenders, including minor-
 15 ity depository institutions and community devel-
 16 opment financial institutions, are critical in
 17 helping minority-owned businesses access cap-
 18 ital.

19 (3) According to the Kauffman Foundation—

20 (A) minority-owned and women-owned
 21 businesses are half as likely to have workers
 22 than non-minority-owned and men-owned busi-
 23 nesses; and

24 (B) if minorities started businesses at the
 25 same rate as non-minorities, approximately

1 9,500,000 jobs would be added to the economy
2 of the United States.

3 (4) According to the Center for Rural Innova-
4 tion—

5 (A) less than 1 percent of all venture cap-
6 ital funding goes to businesses located in rural
7 areas;

8 (B) rural entrepreneurship rates have fall-
9 en from 20 percent in the 1980s to just more
10 than 12 percent in the 2010s; and

11 (C) financial barriers in rural areas are es-
12 pecially prominent for minority populations.

13 (5) According to PitchBook, only 2 percent of
14 all venture capital funding goes to businesses with
15 women founders.

16 (6) According to Crunchbase, less than 3 per-
17 cent of all venture capital funding goes to businesses
18 with Black and Hispanic founders.

19 **SEC. 3. PURPOSES.**

20 The purposes of the Spark Program established
21 under section 49 of the Small Business Act, as amended
22 by this Act, are to—

23 (1) spur economic growth in underserved com-
24 munities by creating good paying jobs and increas-
25 ing access to capital;

1 (2) increase prospects for success for small
2 business concerns in underserved communities,
3 which often suffer from higher business failure rates
4 than the national average;

5 (3) create a pipeline for individuals in under-
6 served and rural markets into small business owner-
7 ship;

8 (4) close the gaps that underserved small busi-
9 ness concerns often have in terms of revenue and
10 number of employees, which represent lost oppor-
11 tunity for the economy of the United States;

12 (5) encourage collaboration between the Small
13 Business Administration and organizations that
14 serve low-income, minority, and rural communities;
15 and

16 (6) grow existing incubators and accelerators
17 that are focused on empowering underserved com-
18 munities and entrepreneurs.

19 **SEC. 4. SPARK PROGRAM.**

20 The Small Business Act (15 U.S.C. 631 et seq.) is
21 amended—

22 (1) by redesignating section 49 (15 U.S.C. 631
23 note) as section 51; and
