23 (2) any Claims of the Allottees against the
 24 United States that the Allottees have or could have

1 asserted that are similar in nature to any claim de-
 2 scribed in section 9(b).

3 **SEC. 11. POSSESSORY INTEREST TAX.**

4 (a) PREEMPTION OF RIVERSIDE COUNTY AD VALO-
 5 REM PROPERTY TAX.—

6 (1) IN GENERAL.—No Possessory Interest shall
 7 be subject to the Riverside County Ad Valorem
 8 Property Tax for any taxable period when the Tribe
 9 imposes a Tribal Tax on such Possessory Interest.
 10 The provisions of this section shall preempt any and
 11 all State or local laws, decisions, rules, regulations,
 12 or actions having the effect of law insofar as incon-
 13 sistent with the provisions of this section.

14 (2) LIMITED APPLICABILITY.—The preemption
 15 in this section shall not apply to any fee, tax, assess-
 16 ment, levy, or other charge imposed by any Other
 17 Public Agency.

18 (b) TRIBAL POSSESSORY INTEREST TAX.—

19 (1) IN GENERAL.—The Tribe shall have the au-
 20 thority to impose, assess, collect, and distribute a
 21 Tribal Tax on Possessory Interests in lieu of the
 22 Riverside County Ad Valorem Property Tax. Such
 23 tax shall be governed exclusively by this section and
 24 any law adopted by the Tribe to implement the Trib-
 25 al Tax. The Tribe may delegate this authority to the

1 Riverside County via an intergovernmental agree-
2 ment as provided in paragraph (6).

3 (2) AMOUNT OF TRIBAL TAX.—The Tribal Tax
4 shall not for any taxable period be imposed with re-
5 spect to any Possessory Interest at a rate or on an
6 assessed value lower than the rate and any assessed
7 value that, but for the preemption in this section,
8 would have formed the basis for imposition and as-
9 sessment of the Riverside County Ad Valorem Prop-
10 erty Tax with respect to such Possessory Interest for
11 such taxable period.

12 (3) EXEMPTIONS.—Leaseholds, easements,
13 rights of way, and other property interests or enter-
14 prises held or conducted by governments or non-
15 profit organizations that are exempt from property
16 taxation under California law shall be similarly ex-

18 (4) DISTRIBUTIONS TO OTHER PUBLIC AGEN-
19 CIES.—Subject to paragraph (8), the Tribe shall dis-
20 tribute Tribal Tax proceeds to Other Public Agen-
21 cies in the amounts that, but for the preemption in
22 this section, such Other Public Agencies would have
23 been entitled to receive from the levy of the River-
24 side County Property Tax on the Possessory Inter-
25 ests. These distributions will take priority over any

1 other use of the Tribal tax proceeds and will be
2 made in accordance with the Tax Apportionment
3 Schedule.

4 (5) ENFORCEMENT.—The requirements of this
5 section, including the distributions to Other Public
6 Agencies pursuant to paragraph (4), shall be en-
7 forceable by Other Public Agencies in Federal dis-
8 trict court, except to the degree that enforcement is
9 available in an intergovernmental agreement with
10 the County pursuant to paragraph (6). The Tribe
11 waives its sovereign immunity for the specific and
12 limited purpose of enforcing those requirements.

13 (6) DELEGATION OF AUTHORITY.—The Tribe
14 may delegate its authority to assess, collect, and dis-
15 tribute the Tribal Tax to Riverside County through
16 an intergovernmental agreement. Such agreement
17 shall provide that Riverside County shall distribute
18 to Other Public Agencies the amounts that, but for
19 the preemption in this section, such Other Public
20 Agencies would have been entitled to receive from
21 the levy of the Riverside County Property Tax on
22 the Possessory Interests and in accordance with the
23 Tax Apportionment Schedule. Such agreement will
24 also provide that the Other Public Agencies are

1 third-party beneficiaries of the Agreement and enti-
 2 tled to enforce its terms.

3 (7) USE OF TRIBAL TAX PROCEEDS.—Tribal
 4 Tax proceeds shall not be used for per capita dis-
 5 tribution to Tribal Members and shall be used solely
 6 for the following purposes—

7 (A) offsetting the operating cost of the
 8 Agua Caliente Water Authority;

9 (B) offsetting the cost of operation, main-
 10 tenance, repair, and replacement of the Tribe's
 11 water project infrastructure;

12 (C) funding the Tribe's government, in-
 13 cluding but not limited to offsetting costs asso-
 14 ciated with administering the Tribal Tax; and

15 (D) providing funds to Other Public Agen-
 16 cies, including assurance that the Other Public
 17 Agencies will receive proceeds from the Tribal
 18 Tax at least equivalent to the distributions that
 19 they would have received from the levy of the
 20 Riverside County Property Tax on the
 21 Possessory Interests but for the preemption in
 22 this section.

23 (8) LIMITATION ON DISTRIBUTIONS TO OTHER
 24 PUBLIC AGENCIES.—Unless the Tribe determines
 25 otherwise, in no event will the Tribe be required to

1 distribute Tribal Tax proceeds such that Other Pub-
 2 lic Agencies receive a greater amount of combined
 3 State or Tribal Tax revenue, than the Other Public
 4 Agencies would otherwise receive pursuant to Cali-
 5 fornia law but for the preemption in this section.

6 (c) EFFECTIVE DATE.—This section shall take effect
 7 on the first day of January following the Enforceability
 8 Date.

12 the previous land management agency under such
13 existing rights, contracts, leases, permits, or rights-

8 be liable for costs the Tribe incurs in removing and
9 disposing of the property.

10 (c) WITHDRAWAL OF FEDERAL LANDS.—

11 total acreage to be transferred into trust under this
12 section.

13 (3) The Secretary of Interior or Secretary of
14 Agriculture shall provide such assistance as may be
