3 **SEC. 2. FINDINGS.**

4 Congress finds the following:

5 (1) American citizenship is not merely an ad-
 6 ministrative status, immigration benefit, welfare
 7 ticket, or entitlement to public resources.

8 (2) American citizenship is membership in the
 9 American political community.

10 (3) American citizenship carries rights, privi-
 11 leges, duties, and obligations, including allegiance to
 12 the United States, fidelity to the Constitution of the
 13 United States, obedience to the laws of the United
 14 States, and attachment to the principles of repub-
 15 lican self-government.

1 (4) The United States is a sovereign Nation
2 with the inherent authority to determine who may
3 join the Nation as a citizen.

4 (5) Naturalization is the formal act by which an
5 alien is admitted into the American people and as-
6 sumes the obligations of American citizenship.

7 (6) Naturalization is not a ministerial trans-
8 action. It is a solemn act of allegiance to the United
9 States.

10 (7) An applicant for naturalization must dem-
11 onstrate more than physical presence, technical eligi-
12 bility, or completion of paperwork.

13 (8) An applicant for naturalization must dem-
14 onstrate good moral character, attachment to the
15 principles of the Constitution of the United States,
16 and favorable disposition toward the good order and
17 happiness of the United States.

18 (9) The oath of allegiance is not ceremonial lan-
19 guage alone. It is the formal promise by which a new
20 citizen renounces prior political allegiance, pledges
21 true faith and allegiance to the United States, and
22 accepts the duties of American citizenship.

23 (10) A person who seeks naturalization should
24 understand the English language, the Declaration of
25 Independence, the Constitution of the United States,

1 the Bill of Rights, the rule of law, separation of
2 powers, Federalism, equal citizenship, religious lib-
3 erty, freedom of speech, and the duties of citizen-
4 ship.

5 (11) A person who knowingly engages in, in-
6 cites, prepares, plans, assists, or provides material
7 support for terrorism, violent revolution, political vi-
8 olence, the overthrow of constitutional government,
9 transnational criminal organizations, cartels, or
10 criminal gangs is not attached to the principles of
11 the Constitution of the United States and is not well
12 disposed to the good order and happiness of the
13 United States.

14 (12) A person who knowingly acts as an agent,
15 representative, or instrumentality of a foreign power,
16 or knowingly acts under the direction or control of
17 a foreign power, in a manner materially inconsistent
18 with allegiance to the United States, is not attached
19 to the principles of the Constitution of the United
20 States and is not well disposed to the good order
21 and happiness of the United States.

22 (13) Fraud, concealment, false statements, false
23 identity, fraudulent documents, unlawful voting, ob-
24 struction of background checks, and concealment of
25 criminal, terrorist, gang, cartel, or foreign-power af-

1 filiations corrupt the naturalization process and at-
2 tack the integrity of American citizenship.

3 (14) Congress has a duty to ensure that natu-
4 ralization remains a meaningful act of allegiance, as-
5 similation, and membership in the American Nation.

6 **SEC. 3. PURPOSES.**

7 The purposes of this Act are—

8 (1) to restore naturalization as a serious act of
9 joining the American people;

10 (2) to reaffirm that American citizenship is a
11 bond of allegiance, constitutional attachment, civic
12 duty, and membership in the Nation;

13 (3) to strengthen the civics, English, and con-
14 stitutional-attachment requirements for naturaliza-
15 tion;

16 (4) to ensure that applicants for naturalization
17 understand the oath of allegiance before becoming
18 citizens;

19 (5) to prevent persons who engage in, incite,
20 prepare, plan, assist, or provide material support for
21 terrorism, violent revolution, political violence, crimi-
22 nal gangs, cartels, or the overthrow of constitutional
23 government from obtaining citizenship;

24 (6) to prevent persons knowingly acting as
25 agents, representatives, or instrumentalities of a for-

1 eign power, or knowingly acting under the direction
2 or control of a foreign power, in a manner materially
3 inconsistent with allegiance to the United States,
4 from obtaining citizenship;

5 (7) to impose meaningful consequences on per-
6 sons who defraud, corrupt, obstruct, or abuse the
7 naturalization process; and

8 (8) to ensure that the 250th anniversary of the
9 Declaration of Independence is marked by a renewed
10 national commitment to American citizenship, con-
11 stitutional liberty, and civic obligation.
