

119TH CONGRESS
1ST SESSION

S. RES. 249

Expressing support for the designation of May 2025 as “Mental Health Awareness Month”.

IN THE SENATE OF THE UNITED STATES

MAY 22, 2025

Mr. LUJÁN (for himself and Mr. DAINES) submitted the following resolution;
which was referred to the Committee on Health, Education, Labor, and
Pensions

RESOLUTION

Expressing support for the designation of May 2025 as
“Mental Health Awareness Month”.

Whereas millions of people in the United States face mental health challenges and have unmet mental health needs;

Whereas, according to the Centers for Disease Control and Prevention, mental health disorders are chronic conditions, and, without proper diagnosis and treatment, children can face problems at home and in school, which can interfere with the future development of those children;

Whereas more resources should be dedicated in schools to the prevention, early detection, and treatment of mental health disorders in children;

Whereas childhood depression is more likely to persist into adulthood if it is left untreated;

Whereas it is important that the United States provides the necessary funding and resources to reach children and youth early on in life;

Whereas the COVID–19 pandemic accelerated the use of digital technologies, such as social media;

Whereas there has been a great concern about the impact of social media on the mental health of children and youth;

Whereas social media exposes children to bullying, depression, anxiety, and self-harm;

Whereas there is a strong need to further understand and deter any negative impact of social media on children and youth;

Whereas suicide is a significant public health issue that can have an enduring impact on individuals and their communities;

Whereas additional resources should be dedicated to the prevention of suicide in the United States;

Whereas veterans are more likely to experience mental health challenges than civilians;

Whereas it is important that the United States provides additional funding and resources to support veterans with mental health needs; and

Whereas it would be appropriate to observe May 2025 as “Mental Health Awareness Month”: Now, therefore, be it
