Mr. MULLIN submitted the following resolution; which was referred to the Committee on the Judiciary

## RESOLUTION

Calling on Federal and State courts to provide full transparency to the people of the United States by unsealing materials concerning Mr. Jeffrey Epstein.

Whereas Mr. Jeffrey Epstein pled guilty to charges of soliciting a child for prostitution and soliciting a prostitute in Florida in 2008;

Whereas, in 2008, following a lengthy Federal investigation, Mr. Epstein secured a Federal non-prosecution agreement from the Office of the United States Attorney for the Southern District of Florida;

Whereas Mr. Epstein was arrested on July 6, 2019, by Federal authorities, accused of sexually exploiting and abusing dozens of underage girls as young as 14 by enticing them to engage in sex acts with him in exchange for

money, and charged with sex trafficking of minors and conspiracy to engage in sex trafficking of minors;

Whereas the Chief Medical Examiner of New York City ruled that the death of Mr. Epstein on August 10, 2019, while in Federal custody at the Metropolitan Correctional Center in New York City, was a suicide;

Whereas, on June 28, 2022, Ms. Ghislaine Maxwell was sentenced to 20 years in prison for conspiring with Mr. Epstein to sexually abuse minors;

Whereas the circumstances surrounding the life of Mr. Epstein and the death of Mr. Epstein while in Federal custody have sparked a firestorm of public interest in the case relating to Mr. Epstein;

Whereas, as the Department of Justice has noted, “[m]uch of the material [relating to Mr. Epstein] is subject to court-ordered sealing”; and

Whereas the public interest in the materials relating to Mr. Epstein that are sealed by a court order greatly outweighs any privacy interests, including those of the deceased Mr. Epstein and his associate, Ms. Maxwell: Now, therefore, be it
