

119TH CONGRESS
1ST SESSION

S. RES. 465

Designating September 2025 as “National Childhood Cancer Awareness Month”.

IN THE SENATE OF THE UNITED STATES

OCTOBER 23, 2025

Mr. SCOTT of South Carolina (for himself and Mr. REED) submitted the following resolution; which was considered and agreed to

RESOLUTION

Designating September 2025 as “National Childhood Cancer Awareness Month”.

Whereas each year more than 14,500 children under the age of 19 in the United States are diagnosed with cancer;

Whereas every year approximately 1,600 children in the United States lose their lives to cancer;

Whereas childhood cancer is one of the leading causes of death from disease after infancy and one of the leading causes of death overall for children in the United States;

Whereas the 5-year survival rate for children with cancer in the United States has increased from 58 percent in the mid-1970s to 85 percent in 2025, representing a significant improvement from previous decades;

Whereas 60 to more than 90 percent or more of children in the United States who survive cancer will develop at least one chronic health condition, and some survivors may face a late effect from treatment that can be severe or life-threatening; and

Whereas childhood cancer occurs frequently and spares no racial or ethnic group, socioeconomic class, or geographic region: Now, therefore, be it
