former Soviet Union.

IN THE SENATE OF THE UNITED STATES

AUGUST 6, 2026

Mrs. SHAHEEN (for herself, Mr. TILLIS, Mr. WICKER, Mr. BLUMENTHAL, Mr. GRASSLEY, Mr. CRAMER, Ms. COLLINS, Mr. KAINE, Mr. SCHUMER, Ms. ALSOBROOKS, Ms. BALDWIN, Mr. GALLEGO, Mrs. MURRAY, Mr. HICKENLOOPER, Mr. WHITEHOUSE, Mr. BENNET, Ms. ROSEN, Mr. KING, Mr. DURBIN, Ms. DUCKWORTH, Mr. KELLY, and Ms. KLOBUCHAR) submitted the following resolution; which was referred to the Committee on Foreign Relations

RESOLUTION

Celebrating the 35th anniversary of the independence of
Ukraine from the former Soviet Union.

Whereas, on August 24, 1991, the elected Verkhovna Rada of Ukraine declared the independence of Ukraine from the Soviet Union with an overwhelming majority of the vote;

Whereas, on December 1, 1991, more than 90 percent of Ukrainian citizens voted in a national referendum in support of independence, with majorities in every region;

Whereas, on February 8, 1994, Ukraine was the first member state of the Commonwealth of Independent States to

join the Partnership for Peace program of the North Atlantic Treaty Organization (NATO) and has since deepened its relationship with NATO, recognized as an Enhanced Opportunities Partner;

Whereas, on November 22, 2004, Ukrainians peacefully took to the streets in protest of a fraudulent presidential election, beginning the Orange Revolution and resulting in new elections under free and fair conditions;

Whereas, on November 21, 2013, the Euromaidan protests began, resulting in the Revolution of Dignity and the removal of President Viktor Yanukovych by the Verkhovna Rada;

Whereas, on February 24, 2022, the Russian Federation launched a full-scale, unprovoked, and illegal invasion of Ukraine, following its illegal annexation of Crimea in 2014 and its illegal occupation of parts of the Donbas region in 2014;

Whereas the United States has played a vital role in supporting the sovereignty, territorial integrity, and self-defense of Ukraine in the wake of the Russian Federation's full-scale invasion in 2022, and continued United States diplomatic leadership remains essential to advancing efforts to bring about a just and lasting peace agreement between Ukraine and the Russian Federation;

Whereas the integration of Ukraine's battle-tested defense-industrial capabilities into the broader trans-Atlantic security architecture represents a return on investment for United States and NATO allied funding that extends beyond support for Ukraine's self-defense to a direct strengthening of allied security;

Whereas the international community and the United States recognize the sovereignty, independence, and full territorial integrity of Ukraine within its internationally recognized 1991 borders; and

Whereas Ukraine has continued to strengthen its democracy and has prioritized closer engagement with NATO and the European Union: Now, therefore, be it
